

PAIN IN BACK, MISERABLE ALL OVER

Dear Mr. Editor:

All last winter I suffered from a terrible pain in my back. I felt miserable all over, and could not walk but a short distance. Was unable to work and did not sleep well at night as I was obliged to arise frequently. I learned of Dr. Pierce's Anuric, that cures such troubles, and sent to him for a trial package. This relieved me of getting up at night in a short time, and I have gained considerable. I am better now than I have been for some time; sleep better, have less rheumatism and do quite a lot of work for a woman of my age. I had brick-dust settlements in my water before using "Anuric," now there is none.

Kindly print this letter, it may help some one else who suffers as I did, or worse.

(Signed) Mrs. Ella A. Garrison.
Note:—Every man or woman ought to use occasionally, a proper remedy for

the headache, backache, languor, nervousness and depression to which he or she may be subject. When the kidneys are weak or diseased, these natural filters do not cleanse the blood sufficiently, and the poisons are carried to all parts of the body. There follow depression, aches and pains, heaviness, drowsiness, irritability, headaches, chilliness and rheumatism. In some people there are sharp pains in the back and loins, distressing bladder disorders and sometimes obstinate dropsy. The uric acid sometimes forms into gravel or kidney stones. When the uric acid affects the muscles and joints, it causes lumbago, rheumatism, gout or sciatica. This is the time to try "Anuric," the new discovery of Dr. Pierce for kidney trouble and pains in back and all over body! Write Dr. Pierce, send 10c for a large trial package, or ask your druggist now for a 50-cent box of "Anuric."

SOCIETY

ALINE THOMPSON

LOCAL society turned out en masse to attend the Meyers' Annual Spring Pageant at the Oregon theatre last night. All that has ever been sung in praise of the city of Salem women seemed justified by the manner in which the young girls and matrons wore the new spring and summer modes, giving a really charming entertainment with this drama of clothes.

There was everything, pastime clothes, things to while away the summer days in, dancing frocks, afternoon tailors and bathing suits. Much real delight was given to audience by Miss Verna Cooder, who sang several songs and the artistic fancy dancing of Miss Margaret White. Miss Alice Lupton and Lewis Lupton had charge of the decorations and details of the show which met with the approval of all artistic tastes. The matrons and maids posing as models were: Mrs. J. G. Tracy, Mrs. Marie Stringer, the Misses Verna Cooder, Alice Putnam, Ruth Tower, Ava Putnam, Lucile Jones, Alta Eick, Margaret White, Isabelle Mathews, Florence Eick, Marie Brientenstein, and Maxine Glover.

It was decided at this meeting that the charter would be held open until Thursday night in order that those who are eligible might register. Mrs. W. O. The auxiliary is composed of the women relatives of the Spanish War veterans over fourteen years of age and has a membership of about thirty-five.

Following the programme Miss Shelton honored her young pupils and their guests with a party at the Spa. The table decorations and appointments were all carried out in green and white.

Cole Younger Dead

Was With James' Gang

Les Summit, Mo., Mar. 22.—Arrangements are being completed by caucua

organizations today for the funeral, probably Friday, of Cole Younger, one

time bandit, who died here last night.

Younger was the last of the James

boys and left Younger boys gangs of

outlaws, who opened principally in Mis-

souri and Kansas after the civil war.

Cole Younger and his two brothers were

captured at Sheldahl, Minnesota, during

a battle with officers after they had

attempted to rob a bank at North-

field, Minnesota. They were sentenced

to life terms. Bob Younger died in

prison and Cole and James were paroled

in 1901. James later committed suicide.

Says Body Is That of

Howard Richmond

Marshfield, Or., Mar. 22.—After read-

ing a clipping from a Tacoma paper to

the effect that his own body had been

found in a deserted cabin near Wen-

atch, California, William Hagge, an

electrician, said today the body was

probably that of Howard Richmond,

of Redmond, Oregon, his former chum.

Identification was made through a

map, bearing Hagge's name, which was

found on the body. Hagge said he had

given Richmond such a map before they

parted at Marshfield some months

ago.

Stomach Trouble

Solved

Most stomach troubles are not dis-

tinguishable from a weak stomach. No

one is what is needed. A few meals, well digested,

will furnish natural strength. That is what a tonic will

do for you. It will start the stomach going right. Then

the stomach will take care of itself.

LOSS OF APPETITE

Most Successfully Treated by Taking Hood's Sarsaparilla.

Loss of appetite is accompanied by loss of vitality, which is serious. It is common in the spring because at this time the blood is impure and impoverished and fails to give the digestive organs what is absolutely necessary for the proper performance of their functions.

Hood's Sarsaparilla, the old reliable all-the-year-round medicine, is especially useful in the spring. Get it from your druggist today. By purifying and enriching the blood and giving vitality, vigor and tone, it is wonderfully successful in the treatment of loss of appetite and the other ailments prevalent at this time. It is not only a spring medicine—it is much more than that—but it is the best spring medicine.

Hood's Sarsaparilla makes the rich red blood the digestive organs need.

Deputy Sealer Jones

Turns In Report

District Sealer of Weights and Measures J. F. Jones, of this city, has filed

his report at the office of Deputy Sealer Fred G. Buchtel for the period from

February 22 to March 22 in this district which is covered by Mr. Jones. The

territory covered by Mr. Jones was

given as most of Marion county, Clack-

amas, Polk and Yamhill counties. He

made about 500 inspections and tested

500 scales of all kinds. Of this number

he found it necessary to adjust and

correct 63 and found nine that could

not be adjusted or corrected and were

condemned. Twenty-two scales were

condemned for repairs.

Mr. Jones tested 32 sets of scale

weights and condemned one set. He

sealed 17 linear measures and con-

demned one. Of the liquid measures

examined 18 were sealed and four con-

demned. He tested 45 gasoline pumps

and found 21 correct while 24 were

adjusted and corrected. The greatest error

found in any of the gasoline pumps

was one that measured one half gallon

short in five gallons.

Spring Fashion Show

Was Grand Success

The spring fashion show put on at

the Oregon theatre last evening brought

one of the largest crowds of the

season. Not only were the women there

by the hundreds to see what the Meyers

store had to show in the way of new

spring styles, but even the men were

present to get ideas on advanced

styles of women's wear.

Living models showing the latest in

spring wear proved a big attraction and

the continued applause as each model

appeared indicated pretty well that the

audience was well pleased with the

models as well as the attractive spring

costumes.

Miss Verna Cooder won repeated ap-

plause for her vocal solos and Miss

Margaret White captured the audience

with her Spanish and Irish dances.

This first fashion show was in charge

of Louis Lupton and Miss Alice Lupton

and the artistic success of the show

was due largely to their efforts.

Those taking part were Mrs. J. G. Tracy,

Miss Ruth Tower, Miss Marie Stringer,

Miss Alice Eick, Mrs. Marie Stringer, Miss

Lucile Jones, Miss Verna Cooder, Miss

Florence Eick, Miss Alice Lupton, Miss

Margaret White and the little ones, Isabelle

Mathews, Maxine Glover and Alice

Putnam.

The Sons of the American Revolution

and their friends met last evening at

the commercial club and voted to cele-

brate the battle of Lexington and Con-

cord with a dinner to be given at the

Marion, April 19. As part of the pro-

gram, a history of the battles will be

read by Prof. F. S. Gannett, superin-

tendent of the Washington junior high

school. Wallace McCann, president

of the Oregon society, will probably be

present to deliver a short talk. The

banquet will be primarily for those

who are interested in the movement to

form a chapter in the city. George M.

Post, Russell Brooks and Benjamin L.

Beall were appointed as a committee to

arrange the banquet. There are about

25 men in the city who are eligible

for membership in the Sons of the

American Revolution and inquiries

have been received from Independence

and Albany from those who would like

to affiliate with the Salem organization

as soon as a chapter is formed.

MOOSE LODGE BUSY

Just as a start for the total membership

of 1,000 in 1917, the Moose lodge will

begin initiating next Tuesday evening,

when 15 new members will come

into the lodge, their applications having

been acted on favorably at the meeting

last evening.

Besides the initiation, a jollification

and banquet is planned for the Tuesday

evening meeting. Those who will be

initiated are: Ellis Edmundson, James

Moore, Nelson Freeman, Ryrl Birch, Albert

Busick, C. H. Pruner, Herbert

Savage, George Tate, E. C. Burton, Orin

Prayle, Wesley Smith, A. A. Steib, Ellis

Cooley, Judge William Galloway, Frank

Reeco, A. Tyner Woodport, C. L. Mc-

Nary, L. M. Rogers.
