MONEY RAISING SALE

ISIDORE BRICK
"I like Salem, but New York for mine."

BENJAMIN BRICK
"I like New York, but Salem for mine."

I wish I was back in New York. Well, why don't you go? I'll need my money back there. Well, why don't you sell out to me? Pay me out in full and I'll do it. I haven't all the cash to give you right now. What's the use of talking then? I can put on a SALE and reduce my stock. I don't care what you do, as long as you raise the money. All right, I'll put on a SALE and raise the money. I fear you will have to SACRIFICE goods to run a SALE. That's what I'll do SACRIFICE the stock until you are paid out.

WONDERFUL

Saturday was a remarkable day, simply impossible to wait on you all. Yet it was not our fault, for we had all the extra help we could find.

MONDAY

Come early, start in Monday morning. We will give you quick service.

Week Day Buying

It will pay you not to wait until Saturday to attend this wonderful sale. Take a day off and come in on a week day for so many people wait for Saturday—that it's really an impossibility to properly wait on all the trade. We thank you, it was just wonderful how the public responded to our call for their patronage. The opening week of our sale is now history. Our books show that every City about Salem was represented by purchasers. It was indeed a wonderful week. And shows that when people have confidence in a merchant, that they will come from near and far to patronize his sale.

Gossip

Our sale is the talk of the Willamette Valley. Every one who can will attend, as the PRICE of CLOTHING is so LOW that it's astonishing.

LACK OF SPACE keeps us from mentioning all the WONDERFUL PRICE REDUCTIONS. At any rate we can assure you that our prices can only prevail under extraordinary circumstances, such as this Sale is.

DON'T DELAY---GOOD ROADS

Remember the roads are in first class condition. You can come in and buy at bargains that are seldom offered the public.

DISSOLUTION OF PARTNERSHIP--MONEY RAISING SALE.

We must raise this money during this sale. Just enough to pay out Isidore Brick, who will go back to the Eastern Metropolis.

Prices Slaughtered

Everything in the store is on sale. You can afford even to put in your next winter supply of underwear or sweaters or overcoats. In fact anything for men or boys.

One-Half off on Clothing

If the store is packed when you come to buy, then just come in and sit down and take your turn. You will be waited on as quickly as possible.

Ask Your Neighbor

Ask your neighbors about our sale. The chances are you will find a number of them in your town who attended the first week. We are sure they will all have a good word for us.

Make up your mind to come in at once.
