A fitting finale to months of serious endeavors the Woman's Club is to participate in its sixth annual club musicale given by Miss Minnetta Magers. The affair, which is to be given Saturday, will be the formal opening of Miss Magers' handsome new studio. The women of the club eagerly anticipate these musicales, which although similar are charmingly varied in their appeal to one's interest. To complete and enhance the artistry of Saturday's programme Miss Magers has arranged numbers to be given by an artist from out of town.

WOMAN A PHYSICAL WRECK

Tells in Following Letter How She Was Restored to Health by Lydia E. Pinkham's Vegetable Compound.

Milwaukee, Wis.—"Before taking Lydia E. Pinkham's Vegetable Compound I was a physical wreck. I had been going to a doctor for several years but he did me no good. A friend told me about Lydia E. Pinkham's Vegetable Compound, so I decided to give it a fair trial, and it gave me relief from bearing down pains which had been so bad that I would have to lie down. I also used the Sanative Wash and it has done me a great deal of good, and I am not troubled with a weakness any more."—Mrs. P. L. BRILL, 1259 Booth Street, Milwaukee, Wis.

The most successful remedy for woman's ills is Lydia E. Pinkham's Vegetable Compound. It has stood the test for forty years, which would be impossible if it did not have genuine merit.

For special advice, free, write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman, and held in strict confidence.

What is the 7th Point?

From Maine to California, from Texas to Hudson Bay, millions of people have been asking "What is the 7th Point in Sterling Gum?"

In practically every town, city and village in the United States and Canada, the published six points of superiority have brought Sterling Gum fast-growing popularity.

But the seventh point still remains a riddle.

Point 7 What?

Now, we are offering liberal prizes to those who send us the best suggestions for the Sterling Gum Point 7.

Before you make your suggestion for the 7th Point, read the following:

The Following Story Unfolds the Secret of the Famous Point 7

To most people chewing gum is a mystery. They know that different chewing gums are made from different ingredients. But that is about all. Here are facts which we believe you will be glad to know about Sterling Gum:

Your Sterling Gum is made from the following materials:

The basis is the pure sap of the tropical Sapota Tree—a natural gum.

This natural Sapota Tree sap is boiled, sweetened and flavored. The sweetening is simply pure cane sugar and pure corn syrup.

The flavoring is of two kinds—Peppermint (in red wrappers), Cinnamon (in blue wrappers).

There are some twenty varieties of the mint plant. The Sterling Peppermint is a product of the choicest, smoothest-flavored of these many mint varieties.

The spicy Cinnamon flavor is extracted from the Cassia bush which grows in the tropics.

The sap of the Sapota Tree, the cane sugar, the corn syrup, the Peppermint and Cinnamon flavors all come from the sap of some plant or tree. Nature herself supplies these delicious materials from which your Sterling Gum is made.

Requirements for Winning Phrase

When you read the above facts on the materials that Sterling Gum is made of, you will know all that it is necessary for you to know in entering this contest.

The first prize will go to the one whose suggestion, based on the above story, most impressively presents the natural purity of Sterling Gum—in the opinion of the judges.

Remember that your suggestion must be in six words or less.

The next best suggestion will win the second prize—and so on down.

It is understood that the Sterling Gum Company will have the right to use the 7 Point suggestions sent in by the prize winners.

The contest is easy to enter. Just think out your way of expressing the 7th Point. Then write it out in six words or less and send it in as directed in the conditions printed below. Even if you don't win the first prize of \$1,000, you stand a chance to win one of the 7,777 smaller prizes.
