WITHYCOMBE WOULD TRY WEST'S HONOR SYSTEM FOR CONVICTS

Governor Withycombe is in favor of the "honor system" for the convicts f the state pen who work on the roads, and made a motion at vesterday after-moon's meeting of the board of control to reduce the cost of guards. No one suggested that this system had been irred out by a well known former gov-ernor. Oswald West, for which West was roundly secred by all rabid Republicans who were not convicts. It is expected, however, that if the system works under the present administration that it will be called the "Withycombo Honor System" and under that name vill lose the alleged objectionable fea-ures that characterized the West hon system.
