The Cherrians are rather undecided as to their plans for the summer, although the sentiment is unanimous that the organization should take a three day jaunt and attend the Marshfield celebration the latter part of June, or as soon as the bridge across the Umpqua is complete and trains run direct into Marshfield. As this much is settled, the trip to Portland to attend the Rose Festival is still up in the air, as well as the selection of a Salem queen. However, the chances are that Salem will enter no candidate for queen of the Rose Festival.

The Liberty and West Salem baseball teams will open the baseball season Sunday afternoon at 2:30 o'clock on the West Salem grounds. Last year, the Liberty team walked away with the West Salem boys in two games. In fact, the Liberty boys were champions in their own class, as out of ten games, they lost but one, and that was to the penitentiary team. The line up for the Liberty team is as follows: Catcher, (Name); pitcher, Bace; short stop, Hagerty; first base, McBurnis; second, C. Gibson; third, Moore; left field, Durness; center field, Hoffman; right field, E. Gibson.

In an effort to learn just what the school children in Salem think about the moving pictures and what kind of a picture they really prefer, a survey will be made of all the schools, in which the children will be given an opportunity to express themselves. The children will be asked in writing to answer the following questions: Do you attend moving picture shows? If so, how often? At what hour of the day, afternoon or evening? On what days of the week do you most frequently attend? What kind of moving pictures do you like best?

KRYPTOK

Without Lines in the Lens "Genuine Torics" "Kryptoks"

Optical Service measures its standard of achievement by the degree of service it can render its patrons—the sale of a pair of glasses is not the end of a transaction, but the commencement of relations which, so far as I am concerned, are perpetual. My patrons are satisfied patrons because my service is cheerfully and freely given—because promptness, courtesy and efficiency predominates. If upon examination it is found glasses are not needed—you are told so promptly. If you do need them, the utmost in professional skill—the most modern methods—the most accomplished eyeglass adjuster are at your command.

"KRYPTOKS" The Perfect Lens. "GENUINE TORICS" The invisible Bifocals. I do not use drops or drugs in making examinations as they are dangerous. I guaranteed satisfaction in every respect. Dr. M. P. Mendelsohn Rooms 210-211 U. S. Bank Bldg.
