Two crates of strawberries were received this morning by the commission houses and the retail price still continues to be low. However, the commission men say they will be coming right along next week and within a few days, any one who can afford to buy gasoline, can also afford to eat strawberries.

The Business Men's league of the Commercial club will hold a meeting of importance next Tuesday evening. Not only will the matter of electing a director for the coming year come before the meeting, but the business men will be asked to express their views on the Stevens bill now before congress. Copies of the bill have been mailed to members of this department in order that all may be thoroughly conversant with its provisions.

Here is a chance for a patriotic citizen to represent a big meeting in the east, at his own expense, of course. Mayor White has at his disposal a few tickets to the American Association for

Promoting Hygiene and Public Baths, which will hold its fifth annual session at Baltimore, May 9 and 10. Besides hearing what the eastern cities are doing to provide public baths, the party who attends will be given the opportunity to take a bath in the largest concrete swimming pool in the world, Baltimore owns it and the delegates will be given the opportunity for a big splash.

Commons Mission, 241 State street. The 3 o'clock service Sunday afternoon, April 9, will be taken up in the interest of the Oregon social hygiene society. J. D. Cook, superintendent.

Earl Anderson, Arthur Bahn and a friend from Eugene, are spending a few days catching fish along the McKenzie river. Mr. Bahn recently bought an interest in the Rogers Paper company.

The Junior Business Men's class of the Presbyterian church defeated the Catholic team today in a game of baseball. Both teams showed some very good skill. The score resulted as 15 to 10.

An 85-acre tract was yesterday sold by Charles Spitzbart to August Biffker, as an investment. The land is near the Silverton road and is part of the Wilton Farm. The deal was handled by Scott & Hyson.

State Parole Officer Joe Keller arrived in Salem at noon today with George Clark in custody. Clark is the convict who escaped in January from the state pen by drilling his way out of his cell. He was captured in Bakersfield, Cal.

The Grand junior high school baseball team is walking around with several feathers in its official cap, the last one being added yesterday when it played the West Salem school on the West Salem grounds, and came home with a score of 18 to 14 in its favor.

H. A. Jory, a former resident of Salem is home to stay, after a year's experience living among the sand hills of Wyoming. When it comes to Wyoming shifting sand hills and the green valley of the Willamette, Mr. Jory cast his vote in favor of nature as seen from the car windows while travelling between Portland and Salem.

Charles Rush, a blacksmith, residing on South Thirteenth street, was slightly injured in a collision with a auto today near the corner of Twelfth and State streets. Witnesses of the accident state that Rush ran into the auto as he was riding his bicycle down State street and his head was slightly cut.

The Pendleton Commercial association has gone on record as favoring the state publication of school books, especially for those in the primary grades and has so notified the Salem Commercial club. In its letter to the Salem club, it takes the stand that it favors action by the next legislature for the

E. Cooke Patton is home from a two weeks' tour in the interest of his postal card business. At Astoria, he met Murray Wheat, formerly in the attorney general's office, and now practicing law at Astoria, with political aspirations in the way of becoming a candidate for the legislature at the hands of the republican voters. At Warrenton, E. H. Flagg, formerly in the newspaper business in Salem, was found, also with political aspirations for the next legislature. Dr. Wolfe, a graduate of the medical department of Willamette university, has now a good practice at Cannon Beach. Mr. Patton also met Harry Swafford, son of E. J. Swafford of the Kay Woolen Mills, at Ostrander, Wash., where he has a responsible position.

Education from all parts of the state are in the city today to attend an educational rally, held in the auditorium of the high school. The principal addresses of the day were made by James A. Churchill, state superintendent of public instruction; Dr. H. D. Sheldon, of the University of Oregon; Prof. A. L. Peck, of the Oregon Agricultural college, and Dr. Carl Gregg Doney, of Willamette university. Among the prominent educators of the state who attended the meeting are President P. I. Campbell, of the U. of O.; President Kerr, of the O. A. C.; Dr. Bertie Stuart, of Reed college; Walter Morton, Fred C. Ayre, Mrs. E. W. Allen and Miss Cummings, of the University of Oregon; R. D. Helzel, T. D. Backwith, George F. Sykes, of the O. A. C.

L. K. Geer, of the Great Northern Express company, is the owner of a bicycle which came into his hands today by right of ownership. It seems that Mr. Geer owned the bicycle last fall, but it mysteriously disappeared from his workshop about the time bicycle thefts were of common occurrence. Anyhow, the young man who stole it, told police officers in Washington that the wheel was lying under the Vancouver bridge, where he had thrown it when the officers were on his trail. The story was true, the wheel was found under the bridge and now Mr. Geer has it.

Mayor Harley O. White and the members of his official family, as well as other officials of the city, have been invited to be present at the inauguration of "The Stampede and Spirit of the West Celebration" in New York City. The event will take place August 5-12, at Sheepshead Bay Speedway. The invitation comes with the remarks, "I shall esteem your honor's placing this before your council, and in due course, shall be pleased to learn of your wishes as to the number of invitations you will require." Any one

Today, throughout the east, the Daughters of the American Revolution, of which there are 1,500 chapters with a membership of more than 100,000, are co-operating with the Belgian Relief commission towards raising funds. By the sale of flags, on the tug day plan, it is hoped that a large sum will be raised for the relief of the suffering in Belgium.

The erection of a two story brick warehouse will begin next week by the firm of D. A. White & Sons. The building will be a continuation of their present warehouse on Front street and will extend 12 by 22 feet. The tearing down of the old wooden structure which was built about 40 years ago, will begin within a few days. The building will cost \$4,000.

Wishing to attend the official world champion frontier contest at his own expense, might secure the proper credentials by calling on the mayor.

R. H. Campbell, special agent for the Standard Oil company in Salem, has just delivered a car load of Zoroine to the city dealers. This is the Standard's gold medal oil for motor lubrication.

with the Ostrander Logging company.

KRYPTOK FAR VISION NEAR VISION Without Lines in the Lens "Genuine Torics" "Kryptoks" Optical Service measures its standard of achievement by the degree of service it can render its patrons—the sale of a pair of glasses is not the end of a transaction, but the commencement of relations which, so far as I am concerned, are perpetual. My patrons are satisfied patrons because my service is cheerfully and freely given—because promptness, courtesy and efficiency predominate. If upon examination it is found glasses are not needed—you are told so promptly. If you do need them, the utmost in professional skill—the most modern methods—the most accomplished eyeglass adjuster are at your command. "KRYPTOKS" The Perfect Lens. "GENUINE TORICS" The Invisible Bifocals. I do not use drops or drugs in making examinations as they are dangerous. I guarantee satisfaction in every respect. Dr. M. P. Mendelsohn Rooms 210-211 U. S. Bank Bldg.
