SOCIETY

ALINE THOMPSON

SALEM society is much bestirred and excited over the announcement of the engagement of Miss Helen Krause, formerly of Salem, and Glenn Sigel, of Portland.

The news was first made known Saturday in Portland at a luncheon given by Mrs. Edwin D. Jergensen at her residence in Parkside Drive, Arlington Heights. The affair was attended only by a few of the closest friends of the bride-elect who were: Miss Gladys Sigel, sister of the groom-to-be, Mrs. Chester Moores (Lucen Moreland), Mrs. Earl Latourette, Miss Grace Tucker, Miss Florence Kendall, Miss Grace McKenzie, Miss Genevieve Butterfield and Miss Lucile Bronaugh.

Miss Krause is the daughter of Mr. and Mrs. Otto Krause. She is a charming and popular girl and was one of the most attractive belles of Salem's younger set. After graduating from the Portland academy, she attended Miss McClintock's school in Boston. Mr. Sigel is an Amherst college man, and a member of several fraternities. He is also popular socially and in clubdom.

The wedding will probably be an event of the early fall, previous to which the bride and her fiance will be charmingly feted.

The prettily appointed table was centered with wild flowers, covers being placed for six matrons. After dinner the men augmented the party for an evening of dancing.

The guests included: Mrs. Watson, Mr. and Mrs. Edwin L. Baker, Mr. and Mrs. John Coughell, Mrs. Harry Olinger and small son Harold, and E. O. Siecke.

Miss Marguerite Flower, soprano, who will appear in song recital under the direction of the Artists' Bureau of the Monday Musical Club at Women of Woodcraft Hall April 17, has had many encouraging things said of her work. Charles W. Clark, considered one of the greatest vocal teachers, and also a concert singer himself, says of her: "With her beautiful voice and such love she cannot but succeed." Yvonne de Treville, of Berlin, prima donna and concert singer, predicted great success for this talented girl. With all these flattering estimates being said of her work, Miss Flower feels that she must go on, work, study and progress and is not satisfied to remain just a beautiful singer. The proceeds from the concert will go to help Miss Flower pursue her studies, the other part will go to the scholarship loan fund to help other girls carry on their education.—Sunday Oregonian.

Tuesday evening there will be a regular monthly meeting of the Lincoln school parent teachers association in the school building at seven thirty o'clock.

WILLAMETTE NOTES

The Willamette baseball team returned Saturday from Eugene, where they played a series of two games with the U. of O. team, losing both games but with a close score. The scores were 3-0, 3-0, both days. One great hindrance to the Willamette team was that they were forced to play on a rough field and this caused the several errors which were made as the boys have been used to practicing on a smooth well cared for diamond. In Friday's game Oregon secured three hits off Redford and in Saturday's game five hits were secured from Adams. Oregon was to have played on Sweetland field this afternoon, but on account of the rain the game has been called off and it is now doubtful if Salem fans will have the privilege of seeing the two teams meet. Manager Walker stated this morning that if it was possible that he would schedule a game with them later in the season. The two games did much in helping the team to play together, as there were several of the men who had not played together in an inter-collegiate game before.

One of the finest and best worked out social events of the year was the faculty reception to the students last Saturday evening. At 7:30 the students assembled at Eaton Hall and there the crowd divided into three groups, each group was piloted by one of the faculty members to the home of one of the faculty. The program was of a progressive nature, each crowd remained at each place about a half an hour and then was led to the next place of entertainment. The homes of Dr. C. G. Doney, Dean G. A. Alden and Prof. W. E. Kirk were visited in turn by each of the three groups, where they were met by a reception committee composed of the rest of the faculty. At the last place where each troupe stopped they were served with tasty refreshments and at a late hour the students took their departure having had an enjoyable evening.

The results of the tennis matches played last Saturday brought the tournament down to the semi-finals. P. Smith won from F. Bagley 6-2, 6-4. E. Flegel won from E. Stoute 6-2, 6-2. H. Jewett won from J. Ewing 6-0, 6-0. A. Irvine won from H. Bowers 6-0, 7-5.

In the semi finals Smith and Flegel will be matched against each other, Jewett and Irvine will cross racquets. On account of the rain these games will not be played this afternoon but will be postponed to Wednesday afternoon at 3:30.

The young ladies' tournament will start tomorrow, when Miss Gertrude Cunningham and Miss Evelyn Reigelman will play each other, Miss Perkins and Miss Tobie, Miss Billings and Miss White, and Miss Housel and Miss Teeters. These eight young ladies will contend for the honors and the winners will represent Willamette in inter-collegiate tournaments.
