SALEM HIGH SHUTS OUT McMinnville IN OPENING GAME

Clancey's Tossers Score 11 Runs and 8 Hits Off of Champion Battery

In a slow and one-sided game played on Willamette field Saturday afternoon the Salem high school tossers took the McMinnville high school to an 11 to 0 shutout. The McMinnville infield took on the champion battery was slow in getting into action. "Will" Champion, however, for the visitors and whenever he located the pure the Salem batter hit it while Proctor whiffed the visitors with startling regularity. Proctor allowed three hits and Champion was nicked for eight by the Salem sluggers.

In the first inning the McMinnville batters went down 1-2-3 then a walk, two errors and a hit and Salem registered three runs. In the next half the Salem speed merchants registered four more runs and in the third added three more. The scorekeepers lost interest at this time but another run was scored later in the game.

Proctor, who was on the mound for Salem led the visitors at his worst and if his pitching arm holds out the hitters who face him this year will carry the hits that they secure from his offerings.

The Angels performed a major operation on the Vernon Tigers and removed two games. Dr. Scoggins manipulated the scalpel, assisted by Dr. Schorr.

Ping Bodie landed his edged with customary skill, gathering five bingles in the afternoon at San Francisco. One was a homer.

In addition to four scalps the Oaks are coming back to the coast from Salt Lake with quite a sackful of ducks. They say the box office man over in Utah got corn on his fingers handling money.

The Seals broke into the error column with Aring going on the sabbath, making no less than eight bobbles.

Boone, the Seal's short, made three artistic boats himself, making some fans believe his name might have reference to what his head is composed of.

Joe Garber had a look at his onal drop that made the umpire somewhat quaint eyed trying to follow it. Three men fished for three on that hook.

Guisto's specialty was some runs. He drove to the outer palisades once in the morning and twice in the twilight treading all four points each time.

Bohler Will Direct O. A. C. Athletic Squad

Oregon Agricultural College, Corvallis, April 8.—J. F. Bohler, for the past eight years director of athletics at Washington State College, was today officially elected director of physical education at the Oregon Agricultural College. He signified his intention to accept the position, but reserved formal acceptance until after a conference with President Holland, of Washington State College, who was not in Pullman today.

It was also announced that Joseph Pipal, for the past five years in charge of athletics and physical education at Occidental College, Los Angeles, had been appointed head coach of athletics at the Oregon Agricultural College and that his acceptance had been received. Both men will be listed as professors on the college faculty.

By his wife, Dr. Miller, of the Los Angeles receiving hospital, performed an emergency operation in an effort to save Burman's life. White Burman was in the temporary hospital, a woman cut a square out of his shirt which contained an 8000 diamond pin. The jewel was later recovered by two nurses, who searched the suspect.

Eddie O'Donnell won the race.

WILLARD-JOHNSON FILMS TO BE SHOWN

Schemer Thinks He Has Evaded the Law—No Hit, No Run Game at Portland

New York, April 10.—Jimmy Johnson prepared today to exhibit in all parts of the country films of the recent Willard-Moran fight, being convinced that he can do so under the federal and state laws.

The films were made on the boundary line between the United States and Canada. The promoters erected a tent across the boundary line and placed on the Canadian side the negatives which had been made in New York. On the American side was a camera which made a few films.

It is contended that this process evades all the laws prohibiting the exhibition of prize fight films. The pictures are declared to be excellent.

Good Racing Year Predicted.

New York, April 10.—The coming racing season will be the beginning of a new and exceedingly prosperous era for the American turf, in the opinion of August Belmont, one of the foremost horsemen of the United States.

Belmont declared today that the new in Europe caused owners of thoroughbreds in England and France to send their fine animals to this country. This importation of horses of finest type, Belmont believes, will bring the highest class racing the United States has ever seen.

Chase Plays With Reds

San Francisco, April 10.—Hal Chase cannot escape going to Cincinnati to play with the Reds. He announced today that he would leave during the next few days, to report to the Ohio City.

When he heard he had been signed by Cincinnati, Chase telegraphed Gerry Hermann, president of the Reds, saying he preferred to remain on the Coast and asking if it could not be arranged. Hermann replied that Chase would have to report.

Smith Plays Great Golf

Oakland, Cal., April 10.—Pacific coast golfers centered their eyes on Heinrich Schmidt today when they discussed the formidable contender for the western golf championship at Del Monte. Schmidt is again in the limelight because of his marvelous performance on the Claremont Country club course yesterday when he turned in a card of 63 strokes for the 18 holes, six under par.

During a foursome, Schmidt went out in 31 strokes and came back in 32.

No Hit, No Run Game

Portland, Ore., April 10.—A month-no-run game was pitched yesterday by Braidd of the Crane company's team in the Portland Commercial league. The Crane company also defeated the Northwestern Electric company, 1 to 0.

Hammer to Meet Welsh

Hawaiian Not In It

New York, April 10.—Duke Kahanamoku, the sensational Hawaiian swimmer, whose performances during the past few years placed him almost at the head of aquatic performances, will not be in the 200-yard dash at the A. A. U. swimming championships tonight. The duke failed to qualify in the trial heat.

WHY THE BEST OF CHEWS IS "SPEAR HEAD"

Its Rich, Sweet, Mellow Flavor Has Been Famous for a Generation

MADE OF CHOICEST RED BURLEY

The secret of tobacco satisfaction is known only to the man who chews *plug tobacco*. The reason is that a good chew gets right next to your taste, while the leaf in *plug tobacco* is in a state of fresh, juicy richness that is not possible in any other form of tobacco.

There's no tobacco in the world that can give you the hearty, wholesome flavor that you get from a delicious chew of Spear Head.

Spear Head is made exclusively of ripe, red Kentucky Burley—the most richly-flavored chewing tobacco that grows. Still more, only the very choicest red Burley leaf is used for Spear Head.

This choicest leaf is selected with the most painstaking care, is stemmed by hand, is thoroughly washed free of all foreign matter, and is pressed into Spear Head plugs so slowly that not a drop of juice or an atom of the natural flavor escapes.

Try Spear Head, and you'll get a sweet, mellow, luscious, satisfying chew that cannot be obtained in any other tobacco. In 10¢ cuts, wrapped in wax paper.

TRIS SPEAKER SOLD

Cleveland, Ohio, April 10.—Tris Speaker, star center fielder of the champion Boston Red Sox, was purchased by the Cleveland Indians Saturday. The price said to have been paid for Speaker, according to James Dunn, stockholder in the local club, was \$50,000, the highest ever paid for a ball player.

Although exact terms of the deal have not been made public, it is understood that Dunn has the privilege of trading in two players within ten days as part payment for Speaker. Those two, it was reported, would be chosen from the following Indians:

Sam Jones, pitcher; Jack Graney, left fielder; Joe Egan, third baseman; or Larry Chappelle, sun fielder.

Speaker is a holdout. He was playing with Boston under a war-time contract that called for \$18,000. When President Leland decided to chop his real pay to about half, Speaker yelled. Dunn heard him, and with the aid of Ben Johnson, president of the American league, grabbed the star.

It is reported that the salary to be paid Speaker will be over \$12,000. He will report to the club headquarters here Monday.

Don with Owner James McGill, of the Denver Western league club, created a sensation last year, has signed with San Francisco, Manager Harry Wolverton announced today. He will join the Seals in Los Angeles this week. Coffey may relieve Sammy Bohne, Seal shortstop, who made a number of errors in the Sunday games.

Coffey quit the Denver club, of which he was manager, charging that McGill had attacked Mrs. Coffey. Later he sued McGill for a large sum but the case has not come into court yet. "Ham" Patterson, the Vernon manager, dickered with Coffey for a while but they were unable to agree on terms.

Famous Driver Hurlled to His Death in Race

Corona, Cal., April 9.—Both Bob Burman and his mechanic, Erich Schrader, are dead as the result of an accident in the running of the Corona Grand Prize race yesterday afternoon. Bur-

man, who was removed to Riverside, died at a hospital at 6 o'clock tonight. Schrader died a few minutes after his removal to Corona hospital from the temporary hospital of the track.

A burst tire in the ninety-fifth lap caused the accident.

While making a desperate drive at a rate of nearly 100 miles an hour in the closing laps of the race, Burman, fa-

mans automobile race driver, and his mechanic, Schrader, were fatally injured. W. F. Sizer, a grand in the race, was instantly killed and 20 spectators more or less injured when Burman's Peugeot car suddenly swerved from the course, mounted the curb, dashed into a pole, turned over and pinned both Burman and Schrader under it.

Burman's Chest Crushed.

Burman, it was reported, had suffered a crushed chest and the fracture of both legs. Schrader's skull was fractured, the surgeons said.

The persons injured were spectators who were struck by the wild Peugeot as it careened down the course with the inside wheel on the curb. The injured were rushed to the temporary hospital in ambulances and several automobiles which were pressed into service. Temporary cots placed in the hospital were soon full and some of the injured were conveyed to nearby homes for treatment. Some of the spectators, so far as could be learned, was seriously hurt.

Burman was rushed to the Riverside hospital in an ambulance accompanied
