# SOCIETY

ALINE THOMPSON

**S**URPRISES came heaping over each other in the realm of announcements this week and the latest thrill created in society is the engagement of Miss Janet Gray, of Seattle, and Carl Steiwer, of Jefferson.

The news was made known in Seattle Saturday at a tea, when Mrs. W. G. Gray, mother of the bride-to-be formally announced the engagement. Miss Gray is a daughter of Mr. and Mrs. W. G. Gray, now of Seattle, but formerly of Salem, and a granddaughter of the late Governor Chadwick. She is a sister of Mrs. Howard Stricker, of the Philippine Islands, and Mrs. Frederic Pearce, of Seattle.

Miss Gray graduated from St. Helens hall in Portland and has a charming manner that has made her a great favorite and adored her to a host of friends.

Mr. Steiwer is of an old and prominent Oregon family, a son of John Steiwer, of Jefferson, and a graduate from the Oregon Agriculture college in Corvallis.

A bit of interesting romance is connected with the engagement, as Miss Gray was maid of honor and Mr. Steiwer was best man at the Moore-Jones wedding last fall. Miss Gray and Mr. Steiwer have been engaged for some time, but their secret has been guarded so carefully that but few of the close friends of the bride-elect knew it. The wedding probably will take place in the early fall.

Dr. and Mrs. R. E. Lee Steiner and Mr. and Mrs. Daniel J. Fry motored to Neshkwin Sunday for a week or ten days' sojourn at their summer places.

Mrs. Charles Gray, of Eugene, who has been the guest of the George Grays for several days, went to Portland today for a brief visit.

A group of the Dew Drop Inn club girls of the Willamette and Mrs. Steiwer were guests of Dr. and Mrs. Fred H. Thompson Sunday for an attractive breakfast. The rooms and the table were fragrant with apple blossoms.

Seated around the table were: Mrs. Ida Garrett, Miss Blanche Baker, the Messrs. Ida and Mable Garrett, Miss Vesta Mulligan, Miss Ruth Spoor, the Messrs. Esther and Aetna Emmel, Miss Constance Sterling and the hosts.

Miss Barbara Steiner fled on her week end guest, Miss Dorothy Fingel, who is

## INDOOR LIFE MAKES FAT

**TRY OIL OF KOREIN TO KEEP WEIGHT DOWN, OR TO REDUCE SUPERFLUOUS FAT.**  
People who are confined within doors and who are deprived of fresh, invigorating air and exercise must take precaution to guard against over-stoutness, as fat acquired by indoor life is unhealthy and a danger to the vital organs of the body. Lack of exercise in the fresh air is said to weaken the oxygen carrying power of the blood, so that it is unable to produce strong muscles and vitality and the formation of unsightly and unhealthy fat is the result.

If you are 15 or 20 pounds above normal weight you are daily drawing on your reserve strength and are constantly lowering your vitality by carrying this excess burden. Any persons who are satisfied in their own mind that the are too stout are advised to go to Central Pharmacy or a good druggist and get a box of oil of korein capsules, and take one after each meal and one just before retiring at night.

Even a few days treatment has been reported to show a noticeable reduction in weight, improved digestion and a return of the old energy; footsteps become lighter and the skin less flabby in appearance as superfluous fat disappears.

Oil of korein is inexpensive, cannot injure, and helps the digestion. Any person who wants to reduce 15 or 20 pounds is advised to give this treatment a trial.

Petitions are in circulation for subscriptions to raise the necessary amount to insure the paving of the Fairgrounds road. As the matter now stands, the property owners have petitioned for the improvement, provided it does not cost them more than 60 cents a square yard. The remainder of the expense must be paid for in cash subscriptions, which will be applied for grading, material and labor. The city and the state each will give labor and the paving plant recently purchased by the city will do the work. Mayor White was out an hour this morning in the business district and reports subscriptions amounting to \$400.

## Mayor Hiram Gill Asks Lang to Resign

Seattle, Wash., April 11.—Mayor Hiram Gill, in a letter written this morning, asked for the resignation of Chief of Police Louis M. Lang. He is charged with general inefficiency.

No successor has yet been chosen. Donald B. Olson, superintendent of the Monroe state reformatory, was offered the position yesterday, but did not accept it. He declared that the reformatory would require several more months of his time.

The mayor's decision to displace Chief Lang was crystallized yesterday, after he had investigated charges that Lang had jailed a young married man Thursday night, who would not tell where he purchased two quarts of liquor.

## Grant County Sets Aside \$3,000 For Road Up John Day River

Grant County has appropriated \$3,000 to be used by the State in locating a road through Grant County up John Day River, as shown by order of the County Court, received in the State Engineer's office today. Copies of this resolution were also forwarded to adjoining counties and there seems to be a concerted plan to have the various counties unite in the location of a road on state standards from a connection with the Columbia River Highway to the Idaho line near Ontario.

Remember the time to defeat a bad candidate is when he is running for nomination to office.

## COURT HOUSE NEWS

The case of the state against Rex Turner charged with misappropriation of state funds will be called in department No. 1 of the circuit court Monday of next week. Turner's case was set for tomorrow but was again postponed on account of the illness of Attorney John H. Carson.

A license was issued today at the office of the county clerk for the marriage of Engver P. Hansen and Susie May Hanson, both of this city and this makes their third embarkation on the sea of matrimony. The Hanson romance began in Houston, Texas, in 1884 when they were first married and lived together until February 3, 1913 when they were divorced in Kansas. They were remarried in Kansas on May 8, 1913 and were divorced by Judge Galloway January 22, 1916. By the decree granted in January by Judge Galloway on the grounds of cruel and inhuman treatment, Mrs. Hanson was given the custody of her daughter, Utsel Hanson, aged 15 years.

An inventory and appraisal filed today in probate court in the estate of W. H. Claypool shows the real property to be valued at \$2100 and the personal property at \$4,782.50. The appraisers were C. H. Colgan, William Zobel and Oscar Deener.

Andrew Weishaar, a Hubbard farmer, aged 58 years, and Anna Scham-berger, of Woodburn, aged 60 years, today secured a marriage license.

Joan Wolfard and A. G. Wolfard & Co. today filed suit in the circuit court against S. A. D. Parker and Sadie F. Parker. The plaintiffs allege they are the owners of 38 acres of land in this county which is being wrongfully withheld from their possession by the defendants, and ask for damages in the sum of \$150. Gen. G. Bingham and L. G. Adams are attorneys for the plaintiffs.

Last night was the first evening that the books at the office of the county clerk in the registration department have been kept open and only four voters appeared to register. Last week was the lightest week in registration since February 10 and only 721 voters signed up. The total number of voters registered in this county to date is 11,132 and unless the last few days' rush eclipses any in history the registration for the coming primaries will fall far below that of last year. The books will be kept open from 8 a. m. to 8 p. m. until the close of the registration period, next Tuesday evening.
