FRED W. STEUSLOFF ELECTED DIRECTOR

Department Goes On Record In Favor of Extra Night Watchman

Fred W. Steusloff was elected director of the Mercantile department of the Commercial club at the monthly meeting last evening, succeeding Henry L. Patton, who was not a candidate for reelection. He will officially take charge of this department, which includes the members of the league, at the annual meeting to be held June 7.

According to the by-laws of the club, three candidates must be nominated when a director is elected. Mr. Steusloff was nominated by Theodore Roth, Walter A. Denton nominated by C. S. Hamilton and Z. J. Riggs by Hal D. Patton. The first ballot was a tie between Mr. Steusloff and Mr. Denton.

On the second ballot Mr. Steusloff received one more vote than Mr. Denton and was declared elected.

The Business Men's league expressed itself in favor of co-operating with the Salem Floral society in a general cleanup day and also approved in a general way the work being done by the society.

The night patrol proposition came before the department and the feeling was unanimous that the city council had failed to provide an extra night patrol. The business men expressed themselves most emphatically that the downtown part of the city was not properly patrolled and the feeling was that two aldermen who posed as watchdogs of the treasury, were responsible for present condition.

Anyhow, to bring the night patrol proposition once more before the council, a committee consisting of M. L. Meyers, C. S. Hamilton and E. A. Choate, who will draft resolutions and a letter to the council protesting against the failure of the council to appoint another night patrol. The business men felt that the business district is entitled to additional night protection.

Judge Galloway Served with Writ of Mandamus to Force Hubbard Case

A writ of mandamus to compel Judge William Galloway to set a date to hear the evidence in a suit to foreclose the mortgage on the Hubbard building was served today and his honor will appear in the supreme court April 24 at 11 a. m. to show cause why he has refused to set a date.

Some time ago Judge Galloway refused to set a date for the hearing on the grounds that the building was a paying concern in the hands of the receiver and that all taxes and insurance were being paid as well as the interest on the mortgage and that a foreclosure at this time would leave Fannie F. Hubbard without a dollar in her advanced age.

The lot where the Hubbard building stands was worth \$40,000 at the time the building was erected and Mrs. Hubbard refused this sum for it. She sold her home for \$30,000 and put this money into the building and included her 202-acre farm in the mortgage which was given to the building association.

The mortgage is for nearly \$90,000. Judge Galloway told the attorneys for the creditors that if they would release the farm from mortgage that Mrs. Hubbard would give them a quit claim deed to the building and lot or he would order the mortgage foreclosed and even by this deal Mrs. Hubbard would lose \$20,000. The attorneys refused to accept this proposition, however, and secured the writ. Judge Galloway is represented by Charles H. McNary at the hearing on the writ.

Kinney, who played "The Last Hope." Joseph Gerhardt, who has been sick at the Willamette Sanatorium for several weeks, is reported as fast recovering from his illness. He will not be able to return to school to finish his work, however. He will remain in Salem during the summer months and finish up his work at that time.

A New Remedy for Kidney, Bladder & all Uric Acid Troubles

Dear Reader: I appeal to those of you who are bothered with kidney and bladder trouble, that you give up the use of harsh salts or alcoholic medicines and in their place take a short treatment of "Anurie." I have taken many of Dr. Pierce's medicines for the past twenty-five years with good results. I suffered with kidney trouble for some years. I recently heard of the newest discovery of Dr. Pierce, namely, his "Anurie" Tablets. After using same I am completely cured of my kidney trouble. A doctor pronounced me a well preserved woman for my age, all due, I believe, to Dr. Pierce's medical aid.

Note.—Dr. Eberle and Dr. Braithwaite as well as Dr. Simon—all distinguished medical authorities—agree that whatever may be the disease, the urine seldom fails in furnishing us with a clue to the principles upon which it is to be treated, and accurate knowledge concerning the nature of disease can thus be obtained.

If backache, scalding urine or frequent urination bother or distress you, or if uric acid in the blood has caused rheumatism, gout or sciatica, or you suspect kidney or bladder trouble just write Dr. Pierce at his Surgical Institute, Buffalo, N. Y.; send a sample of urine and describe symptoms. You will receive free medical advice after Dr. Pierce's chemists has examined the urine—this will be carefully done without charge, and you will be under no obligation. Dr. Pierce during many years of experimentation has discovered a new remedy, "Anurie," which is found to be thirty-seven times more powerful than lithia in removing uric acid from the system. If you are suffering from backache or the pains of rheumatism, go to your best druggist and ask for a 50-cent box of "Anurie" put up by Doctor Pierce.

Brooks Notes

(Capital Journal Special Service.) Mrs. A. E. Harris entertained at a five o'clock tea Friday, April 7, the day being her birthday. Every one had a delightful time as they always do when "Aunt" entertains.

A. T. Van Cleave and family spent Sunday afternoon at J. P. Aspinwails. T. A. Liveslay received two car loads of hop poles last week.

Brooks has been quite lively the past week as there has been gravel hauling. The ball game Sunday between Mt. Angel and Brooks was quite an interesting game, the home boys winning with a score of 2 to 1. The Brooks pitcher sprained his arm and had to be relieved.

A number of the Gervais people attended the ball game Sunday. Sunday was the birthday of one of Brooks' pioneers, Grandpa Vibbert, who passed his 93rd mile stone. The event was celebrated by a birthday dinner at Delbert Vibbert's home, all the relatives in this section were present. The revival meeting at the Methodist church were discontinued on the account of poor attendance.
