

ITS DOOMED!

The Grocery Dept. at the Chicago Store

QUITTING!

Closing out the Grocery Department, in order to make more room for The Chicago Store's rapid growing Millinery Department; owing to the fact that the Millinery Department has grown in so much favor recently, it is the desire of the proprietors to make a greater and larger Millinery Department. They struck upon the idea, that the best thing to do was to close out the grocery department, and move the Millinery Department in, and therefore instructed me to close out the entire stock, regardless of cost or profit.

IT MUST GO!

The Grocery Department is now doomed. It must go. To be closed out in the quickest time possible. Here's what Mr. McEvoy said: "Mr. Seaman, we want to close out our Grocery Department, can you do it?" My reply was, "Yes, but Mr. McEvoy, I'll have to sell it at cost and less." "Go ahead," was his reply. So now good people, you know that when I say I am going to do a thing I generally do it, and I will sell you Groceries, until the entire stock is gone, at prices that you cannot duplicate elsewhere in the city of Salem.
