### Willamette Notes

The University of Washington nine and the Willamette "Bear Cats" will cross bats on Sweetland field this afternoon for the first time in a number of years. U. of Washington was to have played here last year but the day scheduled for the game was a rainy one and it was cancelled. Today, however, will see the dis-

mond in the best shape possible. Manager Walker and Coach Mathews have been superintending the leveling of the grounds all morning and it will be a fast field for this afternoon's game. Washington has thus far got a clear show for the championship and the game will undoubtedly be a fast and closely contested one. The University of Oregon nine suffered two defeats from the Seattleites while O. A. C. was defeated by a close score; consequently

the showing made by Willamette this afternoon will be an accurate gauge for the measurement of the "Bear Cats" strength. Lemuel Esteb, a freshman, who has been playing left field, will not be in today's game, as he was called home on receiving word of the death of his father yesterday. "Tekoa" Grosvenor was holding down the vacant position yesterday and will perhaps play in the game today.

We offer you the same inducement and absolutely and positively can save any man or grown-up boy from ten to fifty per cent on Clothing, Furnishing Goods, Hats, Shoes, etc., and as a last call before this mighty sale closes (Saturday evening, April 29th), cost and profits have been forgotten in this last desperate effort to clear the store of hundreds of men's suits and many lines of furnishing goods, hats, etc., we wish to close out completely before next week. We want you to visit this store, come often, get all the free tickets you can, for we are going to give away another beautiful Navajo blanket Saturday evening.
