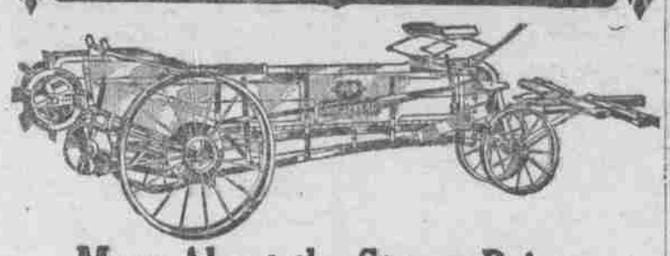
INTERNATIONAL HARVESTER MACHINES



More About the Strong Points On the Low Spread Spreader

THE most critical spreader-buying farmer finds it hard to quarrel with the general design and construction of the Low Spread spreader. Arrangement of low steel main frame and mechanism cannot help pleasing him.

When he buys he gets the excellent service he expects and more, and for many years, because of the many details of correct build. His Low Spread spreader continues to run easily because of the right arrangement of beater and apron drive. His horses are spared, by the independent tongue and the apron rollers. He has always plenty of traction because the rear axle is well under the load and the wheels have Z-shaped lugs.

The gears that run the beater and the apron positively never spring apart, and the apron drive gears are reversible, hence double wearing. Apron driving parts are thoroughly protected by shields.

These are only suggestions. To know the Low Spread you must see it on our floor.

Chas. R. Archerd Imp. Co.
Salem, Ore.

A CLEAR COMPLEXION

Ruddy Cheeks—Sparkling Eyes —Most Women Can Have

Says Dr. Edwards, a Well-Known Ohio Physician

Dr. F. M. Edwards for 17 years treated scores of women for liver and bowel ailments. During these years he gave to his patients a prescription made of a few well-known vegetable ingredients mixed with olive oil, naming them Dr. Edwards' Olive Tablets, you will know them by their olive color.

These tablets are wonder-workers on the liver and bowels, which cause a normal action, carrying off the waste and poisonous matter that one's system collects.

If you have a pale face, sallow look, dull eyes, pimples, coated tongue, headaches, a listless, no-good feeling, all out of sorts, inactive bowels, you take one of Dr. Edward's Olive Tablets nightly for a time and note the pleasing results.

Thousands of women as well as men, take Dr. Edwards' Olive Tablets now and then just to keep in the pink of condition.

Dr. Edwards' Olive Tablets. The successful substitute for calomel—10c and 25c per box. All druggists.

The Olive Tablet Company, Columbus, O.

Arrange for Chess and Checker Contest

Arrangements are now completed by Charles L. Dick, director of the social department of the Commercial club, for the chess and checker contest to be played Saturday afternoon between the Portland champions and the best that Salem can offer.

The visitors will arrive on the 1:55 Oregon Electric, and the game will be under headway five minutes later, as the visitors have but one train on which to return that evening, and that is at 8 o'clock.

For this reason Mr. Dick has urged every player to be promptly on hand as the absence of one or two would delay the game.

In the checker games, Salem will be represented by Roy Bryant, Isadore Greenbaum, Mr. Ingals, Dave Dreger and other players. In chess, the reputation of Salem will be upheld by James Walton, Dr. W. H. Byrd, Judge Ryan, J. N. Smith, Chas. Givens, Ralph Miller, Paul Plants, Dr. R. E. Lee Steiner, Dr. L. F. Griffith, W. D. Evans, A. N. Moores, J. W. Roland, L. A. Westacott, Mr. Spencer and Mr. Ogden.

Portland will send its best players including Mr. Johnson, the champion state chess player, who will probably play against James Walton, and Mr. Van Zant, the state champion checker player, who will be pitted against Isadore Greenbaum.

The game will be under way as soon as the players arrive, and will close at 7:45 o'clock. The public is welcome to come up to the Commercial club and note the progress of the games. A buffet luncheon will be served during the progress of the contest.

JAPAN'S DEMANDS MET

Washington, April 27.—Japan's demands with regard to exclusion of laborers from the United States are reported to have been completely met in an amendment to the Burnett immigration bill which a majority of the senate immigration committee agreed to today. Only an informal meeting of democratic members was held. It is expected that the full committee will meet next week and confirm today's action.

Dear Lake—Any chance for Dr. Sting the Tiffon, O. dentist to get to work in the club?—J. P. Ray.

Encampment of State Militia To Be Held From July 5 to 15

The encampment of the state militia this year will be held from July 5 to 15 inclusive according to information received by Captain Max Gehlhar from Adjutant General George A. White this morning. The letter states that no information has been received from the war department relating to a joint camp of regulars and militiamen and it has been found necessary to fix an arbitrary date. The companies in this state are expected to recruit up to the necessary strength for the encampment all companies below the required strength will be left at home.

On account of the government moving troops to Mexico the original plan for a joint camp has been interfered with and it is not known at this time whether or not any regular troops will be available for an encampment.

TOO WEAK TO FIGHT

The "Come-back" man was really never down-and-out. His weakened condition because of over-work, lack of exercise, improper eating and living demands stimulation to satisfy the cry for a health-giving appetite and to refreshing sleep essential to strength. GOLD MEDAL Haarlem Oil Capsules, the National Remedy of Holland, will do the work. They are wonderful! Three of these capsules each day will put a man on his feet before he knows it; whether his trouble comes from uric acid poisoning, the kidneys, gravel or stone in the bladder, stomach derangement or other ailments that befall the over-zealous American. Don't wait until you are entirely down-and-out, but take them today. Your druggist will gladly refund your money if they do not help you. 25c, 50c and $1.00 per box. Accept no substitutes. Look for the name GOLD MEDAL on every box. They are the pure, original, imported Haarlem Oil Capsules.

TAXES CLOSE THE MINE

Washington, April 27—American mining men's representations through the state department against Carranza tax levies in Mexico proved unavailing today. The Americans protested that the tax burden was too heavy. The de facto government replied that as Carranza was making the strongest efforts to establish his regime on a sound financial basis the assessment would have to stand.

SYMPATHIZE WITH BRYAN

Olympia, Wash., April 27.—Thurston county democratic committeemen have started a movement to have William Jennings Bryan named at the state convention as a delegate to the St. Louis convention, from the state of Washing. They want to rebuke his fellow Nebraskans who recently turned him down. They will try and line up the King county (Seattle) delegation.

STEAMERS DID NOT LAND

Seward, Alaska, April 27.—Owing to the strike of railroad laborers, the steamers Aroline and Admiral Farragut with stores and supplies for the Alaska railroad commission did not come into port here, on their arrival yesterday from Seattle, but are anchored today off Fire Island. The Federal Labor Union has declined to unload the vessels until the strike is settled.

Beautiful Bust and Shoulders

are possible if you will wear a scientifically constructed Bien Jolie Brassiere.

The dragging weight of an unconfined bust so stretches the supporting muscles that the contour of the figure is spoiled.

BIEN JOLIE (BE-AN JO-LEE) BRASSIERES put the bust back where it belongs, prevent the full bust from losing the appearance of daintiness, eliminate the danger of dragging muscles and confine the flesh of the shoulder giving a graceful line to the entire upper body.

They are the daintiest and most serviceable garments imaginable—come in all materials and styles: Cross Back, Hook Front, Surplice, Bandeau, etc. Boned with "Walohn," the rustless boning—permitting washing without removal.

Have your dealer show you Bien Jolie Brassieres, if not stocked, we will gladly send him, prepaid, samples to show you.

SALTS IS FINE FOR KIDNEYS, QUIT MEAT

Flush the Kidneys at Once When Back Hurts or Bladder Bothers—Meat forms Uric Acid

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well-known authority. Meat forms uric acid which clogs the kidney pores so they sluggishly filter or strain only part of the waste and poisons from the blood, then you get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, constipation, dizziness, sleeplessness, bladder disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts, or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding, get about four ounces of Jad Salts from any reliable pharmacy and take a teaspoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia and has been used for generations to flush clogged kidneys and stimulate them to activity, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder disorders.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink which all regular meat eaters should take now and then to keep the kidneys clean and the blood pure, thereby avoiding serious kidney complications.

A BRIEF HONEYMOON

Marshfield, Or., April 28.—With his tearful bride of three days anxiously waiting, A. H. Brass, formerly manager of the Union Meat company at North Bend, was given a preliminary hearing today. Auditors declared that his accounts were short when he suddenly married Tuesday and started south. He was arrested at Port Orford.

HOW TO REDUCE YOUR WEIGHT

A SIMPLE, SAFE, RELIABLE WAY

People who are over-burdened with superfluous fat, know only too well the discomfort and ridicule that over-stout people have to bear.

If you are carrying around five or ten pounds of unhealthy fat you are unnecessarily weakening your vital organs and are carrying a burden which destroys the beauty of your figure.

There is no need of anyone suffering from superfluous fat. If you want to reduce your weight in a simple, safe and reliable way, without starvation diet or tiresome exercise, here is a test worth trying. Spend as much time as you can in the open air, breathe deeply and get from any good druggist a box of oil of korein capsules; take one after each meal and one before retiring at night.

Weigh yourself once a week so as to know just how fast you are losing weight and don't leave off the treatment or even skip a single dose until you are down to normal.

Oil or korein is absolutely harmless, is pleasant to take, and helps digestion. Even a few days treatment has been reported to show a noticeable reduction in weight, footsteps become lighter, your work seem easier and a lighter and more buoyant feeling takes possession of your whole being.

Every person who suffers from superfluous fat should give this treatment a trial.

Get the drift of the world's doings by reading The Capital Journal.

A MERCILESS JUDGE

One Who Shows No Favor.

A merciless judge is Father Time. Before him the weak and the wanting go to the wall. Only the truth can stand. For years the following statement from a Salem resident has withstood this sternest of all tests.

A. J. Wood, 733 North Front street, Salem, says: "Kidney complaint got so bad in my case that I knew I would have to check it or suffer more serious results. Just after getting up in the morning, the complaint was worse. I had heard of Doan's Kidney Pills doing good work in similar cases. I began using them. In a short time I was free from kidney complaint. I have never had a sign of kidney complaint since."

A Permanent Cure.

More than six years later, Mr. Wood said: "I have never had a return symptom of kidney complaint since Doan's Kidney Pills cured me. I willingly confirm my former endorsement of this medicine."

Price 50 cents, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Wood has twice publicly recommended. Foster-Milburn Co., Props., Buffalo, N. Y.

NOTICE OF IMPROVEMENT OF CHURCH STREET.

Notice is hereby given that the Common Council deems it expedient so to do, and hereby declares its purpose and intention to improve Church Street from the South line of State Street to the North line of Mission Street at the expense of the abutting and adjacent property, by grading, curbing, and paving said portion of said Street with a six-inch two-course Bituminous Concrete pavement, consisting of a one and one-half (1 1-2) inch Bituminous Concrete wearing surface laid on a four and one-half (4 1-2) inch Bituminous Concrete base in accordance with the plans, specifications and estimates for the improvement of Church Street from the South line of State Street to the North line of Mission Street, adopted by the Common Council on the 3rd day of April, 1916, and now on file in the office of the City Recorder, which for greater certainty and convenience are hereby referred to and made a part of this notice; being that character or kind of improvement known and designated in said plans, specifications and estimates as "Bituminous Concrete Pavement No. 5."

The Common Council hereby declares its purpose and intention to make the said above described improvement by and through the Street Improvement Department of the City.

By order of the Common Council.
CHAS. F. ELGIN, City Recorder.
Dated this 18th day of April, 1916.
Apr. 29

THE MARKETS

The following prices for fruits and vegetables are those asked by the wholesaler of the retailer, and not what is paid to the producer. All other prices are those paid the producer. Corrections are made daily.

No changes are noted in today's market. Butter fat and creamery butter have struck a price that is expected to hold for some time. The egg Portland market is fairly strong, but not enough to advance the local price. Hens were strong yesterday with one or two houses paying 16 cents, but the average price runs at 15 cents today.
