

# P. A. will win you speed-o-like-a-flash!

We tell you, any man can smoke Prince Albert with the utmost enjoyment; smoke pipe-full after pipe-full or the makin's until the gong sounds, without a kick back or a complaint! Yes, sir; he'll just please himself to pieces with P. A.'s cool fragrance and absence of bite and parch!

Prince Albert is made by a patented process that cuts out bite and parch! Prince Albert has always been sold without premiums or coupons. We prefer to give smokers quality.

# PRINCE ALBERT

the national joy smoke

So it's up to every red-blooded man to jump the boundary line between himself and smoke happiness and know just what all this jimmy-pipe-joy-talk and makin's talk is about!

Men all over the world are today smoking Prince Albert because it meets their taste; because it gives them real tobacco enjoyment they have never found before! Don't you realize that if Prince Albert, in a few years, has made three men smoke pipes where one was smoked before and started men everywhere rolling their own cigarettes, that it certainly has the call on you—at least for a try-out!

Why, that's only being fair to yourself!

R. J. REYNOLDS TOBACCO COMPANY  
Winston-Salem, N. C.

On the reverse side of this tidy red tin you will read: "Process Patented July 30th, 1907."

Buy Prince Albert everywhere tobacco is sold. Tossy red bags, 5c; tidy red tins, 10c; handsome pound and half-pound tin humidors—and in that fine crystal-glass pound humidior with sponge-moistener top, that keeps the tobacco in such splendid condition—always!

## LOJU IS NEW NAME FOR 1916 SENATORS

### Salem Inter City League Team Will Advertise Famous Drink On Circuit

Since the extravagant "economy" session of the 1915 legislature the Salem Senators have been casting about for another name as they believe anything that would connect them with the lawmakers would prove a handicap. They tried various cognomens, such as "Dingbats," "Solons," "Cherrybuds" and other names but they have hit on the name "Lojus" and will bear this insignia across their chests when they appear against the St. Helens team Sunday. As the main argument in favor of adopting the name Loju, F. G. Deekbach agreed to pay for the new suits which were purchased from Gresham and to have L-O-J-U in huge red letters sewed on the uniform shirts. Any argument that is backed by real cash appeals to the Salem baseball team this season and the team promises to lead the name to fame and glory.

The lineup for next Sunday's game against St. Helens will be slightly changed according to Captain Humphries who proposes to work Mike Miller, the last year's short stop, at the short position again this year and shift Adams to the outfield, where some heavy hitters are needed. The outfield will be made up of Mielke, Adams, at center and either Kaszmark or Bell in right field.

### Watching the Scoreboard

Pacific Coast League Standings			
	W.	L.	Pct.
Los Angeles	16	11	.59
Vernon	12	12	.500
San Francisco	15	14	.517
Oakland	14	14	.500
Salt Lake	10	12	.455
Portland	9	14	.391

Yesterday's Results.  
At Portland—Los Angeles, 4; Portland, 3.  
At San Francisco—San Francisco, 3; Oakland, 0.  
At Vernon—Game with Salt Lake postponed, Vernon failed to arrive.

Ping Bodie fattened his rep and worsted the Oaks when he peled a home run into deep center with one roosting on the sacks. Final score, San Francisco 3, Oakland the hole in the doughnut.

Elwood Martin, of Oakland, heaved his flossiest and held the Seals to four hits, but when one of them is a home run, 'wot tell. This pinked Martin's record of games won. He had five in a row before.

It looks as if Los Angeles might fatten its average at Portland while Oaks and Seals are slugging toe to toe on the hayride pasture. It has been done before.

Louie Guisto of the Beavers slammed out his seventh home run of the season and gave Portland a 3 to 2 lead, but—

The next three Angelle sweatshirts at the plater binged safely and the Scorpals winged away with the blubber.

Giants took Brooklyn into the kral when Tesreau held the Dodgers in the hollow of his hand.

Benny Kauff's batting average—600.  
Donk of St. Louis encourage'd the Cubs by promanading four men but he pitched airtight stuff in the holes and won, 3 to 0.

Washington continued bringing in the sleeves at the expense of the Red Sox, the Senators hitting Shore for 10 safeties and five tallies.

White Sox beat St. Louis when Terry as a pinch hitter with two dead and two on, doubled, and the band played Annie Laurie.

That makes seven straight defeats for St. Louis, who appear to be the Russian army of the American league.

GREAT YIELD OF COPPER  
Los Angeles, Cal., May 3.—"More than 2,000,000,000 pounds of copper will be the 1916 production record," according to predictions here today in a report by Seelye W. Mudd, of the chamber of oil and mines. This would be an increase of more than 25 per cent over the 1915 figure. The war in Europe is responsible, Mudd said.

### Salem Canoe Club Wants More Members

The members of the Salem Canoe club are requested to get their hammers and report at the club headquarters at 9 o'clock Sunday morning as the club intends to do some needed repairing and get the boat house in shape for the summer canoeing.

The membership of the club is 32, and to bring this up to 50 or more, the club has launched a campaign, and as an inducement, will take in 20 members for half the regular fee. This will enable anyone to join for \$5 and to take part in the program this summer.

Although the club will probably not take part in the sports of the Portland Rose festival, it has in preparation several entertainments and trips. Ownership of a canoe is not necessary, just the disposition to take part in the events.

George B. Doust, Jr., was the first to join in the present campaign. Dr. B. F. Pound is president of the club, C. A. Vibbert, secretary and treasurer and Miss Eva McLagan, vice president.
