May Day Festivities at State Normal

(Capital Journal Special Service)

Monmouth, Ore., May 7.—The big annual May Day exercises of the state normal school took place today on the Normal school campus beginning at nine o'clock a.m. On account of the several days of Easter vacation the May day festivities were five days late this year. For several weeks previous to the exercises, the students of both Normal and training school and the directors worked with a special spirit of interest and enthusiasm to make the program not only the success that it has always been in the past, but also to show how much better it could be made each year. Even though the weather did not prove to be as good as was hoped for, the efforts of those who took part were by no means a failure in making the exercises more than interesting. The festivities of the day were in honor of the 300th anniversary of our famous author, William Shakespeare. The May queen, Miss Myrtle Clayville represented Queen Elizabeth. The parts of the court ladies of the queen were taken by Miss Isabella Garfield, Miss Ellen Jackson, Miss Laura Bell and Miss Opal Bretz. They were all costumed in grand style which showed the manner of dress during the Elizabethan period of history. Moving pictures were taken of the many different drills, folk dances and May pole winding in which the students were numerous, varied and unique costumes. The program for the forenoon was as follows:

Parade of Normal students; coming and crowning of the queen; dance greeting by the elves, 1st and 2nd grade students; winding of May pole, 3rd and 4th grades; drill of the pirates 5th and 6th grades; the Shepherdess drill, 7th and 8th grades; Robin Hood exercise, 7th and 8th grade boys. Pages by junior and senior classes; winding of the May poles. On account of the rainy afternoon the tennis tournaments, volley ball, relay races and other sports had to be called off but the weather did not affect the folk dancing as that took place in the gymnasium and the different class dances were so extraordinarily fine that people had no cause whatever to complain because the sports could not take place.

Last Friday morning during the chapel period, Mr. M. S. Pittman represented the faculty of the Normal school by giving a most interesting speech on the problems which are before the people today in our school system of America. After summing up the indictments against our public school system which need attention, Mr. Pittman showed clearly how these problems should be met by the people. The talk impressed the students in a very fine manner which will no doubt lead them to think more seriously of our many pressing American problems of the present time.

Mr. L. V. Macken represented the senior class of the Normal last Wednesday during the chapel period. The topic of his talk was "The Educational Call of the East." The theme was very interesting exposition of the Filipino's education.

Mr. Bonnes was at the Normal school last Wednesday where he conferred with President Ackerman in regard to improvements and repairs needed to be made in a short time. Most everyone agrees with President Ackerman that the greatest need of the school at the present time is the enlargement of the chapel hall. In a few days' time Mr. Bonnes will present a plan by which the room can be enlarged, also the approximate cost of the change.

A very interesting and close game of baseball was played last Saturday between the senior and junior boys of the Normal school. Brilliant playing on the part of both sides was shown by the evenness of the game. The contest proved a victory for the seniors with the score 16 to 15.

WOMAN WEAK, DIZZY, NERVOUS

Health Restored by Lydia E. Pinkham's Vegetable Compound.

Jamaica, N. Y.—"I suffered greatly with my head and with backache, was weak, dizzy, nervous, with hot flashes and felt very miserable, as I was irregular for two years. One day when I was feeling unusually bad my sister-in-law came in and said, 'I wish you would try Lydia E. Pinkham's Compound.' So I began taking it and I am now in good health and am cured. I took the Compound three times a day after meals, and on retiring at night. I always keep a bottle in the house."—Mrs. L. N. BURNHAM, 35 Globe Ave., Jamaica, N. Y.

Women who recover their health naturally tell others what helped them. Some write and allow their names and photographs to be published with testimonials. Many more tell their friends. If you need a medicine for Women's Ailments, try Lydia E. Pinkham's Vegetable Compound. Write Lydia E. Pinkham Medicine Co. (confidential) for anything you need to know about these troubles.

FOUNDERS' DAY DREW CROWD TO CHAMPOEG

Weather Was Bad But Could Not Dampen Enthusiasm of Oregonians

Great events are sometimes settled one way or the other by a very small majority and an event that happened 73 years ago on May 3 was responsible for the gathering last Saturday at Champeog, when the pioneers and patriots of Oregon celebrated the day when the first settlers of the great northwest voted by a majority of two that the government should be American. The vote stood 50 for British rule and 52 for American.

The celebration is always held the Saturday following May 2 of each year in order that business men and school children may attend. As one speaker said, Champeog will become an historical spot in years to come as famous as Plymouth Rock and the landing of the Pilgrims from the Mayflower. The exercises of the day, explaining why the celebration was held on Saturday instead of May 2, and urging that children especially should come to Champeog at the annual observance.

As president of the day, Judge P. H. D'Arcy made a general statement of the occasion and its purposes and later in the exercises read the poem, "Beautiful Willamette" by E. B. McFarland. Among the speakers were Edward H. Balkana of Marion county; who said that the pioneers of Oregon performed a service to society that never could be repaid; Mrs. Edyth Tozier Wethered of Salem, who claimed that if it had not been for the meeting at Champeog May 2, 1843, our young men might now be serving in the trenches; Charles B. Moores, who advocated, along with other speakers, a legislative appropriation for the building of an auditorium at Champeog; John U. Smith, who spoke with pride of Oregon and hopes for its future; E. B. McFarland, who spoke in a language foreign to even the oldest pioneer, as it happened to be in Chinook; T. R. A. Sellwood, who gave reminiscences of the pioneer days and a brief talk by "The Rev. Crocker.

The veterans quartette, recruited from members of the G. A. R. sang "O My America" and other patriotic songs. Zimri M. Parvin of Sedgwick post was leader of the quartette.

At the conclusion of the program, Judge D'Arcy, as presiding officer, invited all to attend the celebration one year hence. At the suggestion of ex-governor Geer, the judge was tendered a vote of thanks.

Despite the unfavorable weather, the day's program was successfully carried out. There was a general expression of opinion that an effort should be made through legislative appropriation whereby a suitable auditorium should be erected.

Old timers present were: Judge George H. Durham, '97; E. B. McFarland, '52; Newton W. Hawn, '43; William B. Jolly, '47; F. M. Olds, '52; Alvin Short Merrithew, '50; Mrs. M. C. Howard, '50; Mr. and Mrs. J. E. Knox, '57; Sarah E. Moores, '57; R. Hill, '51; J. Johnson, '46; J. W. Stevenson, '53; J. C. McKay, '53; John W. Baker, '53; Mrs. Laura Slaughterford, '54; T. R. A. Sellwood, '57; George H. Himes, '53; Mrs. Katie C. Chambers, '54; Mrs. Alice W. Hays, '52; and Mrs. E. W. Whitnep, '57.

Rural Mail Boxes Must Be of Certain Design

After July 1, 1916, all new rural route mail boxes must be of a design to be furnished by the postoffice department at Washington. The old boxes may be used as in the past, and if a man moves from one route to another, he may use his old box, provided of course it is serviceable and of the type formerly approved.

The boxes are of two sizes and specifications for these boxes have been drawn up by the postoffice department at Washington. They are not patented and anyone can make them by securing the specifications from the local postoffice. It is probable that before this order goes into effect, several stores will have on hand the style of box required. Stores having a supply of the old kind, might as well dispose of them pretty quick, as after July 1, only the new style will be permitted.
