**THE MARKETS**

The following prices for fruits and vegetables are those asked by the wholesaler of the retailer, and not what is paid to the producer. All other prices are those paid the producer. Corrections are made daily.

Mill stuffs are showing considerable strength. Shorts are now quoted at \$29.50 an advance of 50 cents over yesterday. Hay is scarce and in fact all through the northwest there is practically none to be had, resulting in shipments from California. Alfalfa hay, just in from central California is quoted at \$20.

Eggs are strong in Portland, and the same is true of lens and stags, as well as broilers.

On account of the cool weather, California strawberries are scarce and are likely to advance within a few days, although there is no change in today's quotations.

**Salem Floral Society**  
Invites You to Clean Up

The Salem Floral society, in its endeavor to improve the appearance of the city, is sending notices to property owners suggesting that a little beautifying might be done around their homes or vacant lots that would add much to the general artistic effect of the neighborhood.

The society is sending out letters, feeling that no one will take offense if the suggestion is made, and that in most cases the mere mention that conditions might be improved, will be taken in the civic patriotic spirit in which they are sent. The letter is as follows:

"As a special committee representing the Salem Floral Society, we have been informed that the general appearance of your property might be improved by removing the grass and rubbish therefrom. We believe that it will only be necessary to call your attention to this matter, and we feel that you will gladly cooperate with us in creating and maintaining a Salem beautiful.

"As you probably know, the Salem Floral Society is organized and affiliated with the Salem Commercial club for the purpose of giving suggestions for civic improvement, making an organized effort for the beautifying and advertising of our city. We invite you to attend and join in our meetings."

**PROFIT BY THIS**  
Don't Waste Another Day.

When you are worried by backache, by lameness and urinary disorders—Don't experiment with an untried medicine.

Follow Salem people's example. Use **Don's Kidney Pills**. Here's Salem testimony.

Verify it if you wish:

Mrs. L. L. Barrett, 1399 Mission St., Salem, writes: "When I was back east I had a general sore and one of the most useful medicines for backache and kidney disorders was Don's Kidney Pills. Everybody who bought them, couldn't speak too highly in praise of them. I have taken a great many of Don's Kidney Pills myself for backache and kidney trouble and they have never failed to do me good."

Price 50c at all dealers. Don't simply ask for a kidney remedy—get Don's Kidney Pills—the same that Mrs. Barrett had. Foster-Milburn Co., Props., Buffalo, N. Y.

**BLEW OUT THE GAS**

San Francisco, May 12.—Side by side on marble slabs at the city morgue the two bodies today. One is that of Charles Boyle, the other William Carroll. Which is which will probably never be known. The men registered at a hotel last night while apparently intoxicated and blew out the gas before retiring. The desk clerk cannot remember which registered as Boyle and which as Carroll.

**ORANGE GROWERS LOSE**

Washington, May 12.—California orange growers today lost their case before the interstate commerce commission in which they tried for years to obtain reparation for alleged railroad overcharges for pre-cooling and pre-weighing oranges.

Deciding the California Fruit Growers Exchange case, the commission ruled that there was no claim for reparation.

**NO TRACE OF BANDITS**

San Bernardino, Cal., May 12.—No trace of the bandits who escaped with \$20,000 in gold, currency and checks from the Handsburg general store, was reported by pursuing posse this morning.

**CALIFORNIA'S MILITIA LAW**

Los Angeles, Cal., May 12.—Every man between the ages of 18 and 45 in California is legally subject to conscription. Major Andrew J. Copp is of record as telling a large audience here during a recent business address: "Every man in the state between the age limits is listed in the reserve militia subject to the governor's call," said Major Copp.

**A Famous Physician's Wonderful Discovery**

After a series of careful experiment and tests at the Invalid's Hotel and Sargist Institute, Buffalo, N. Y., covering many years—Dr. Pierce, the medical director of that hospital made an announcement that he could prove that a medicine which he called "ANURIC" was the best uric acid solvent now to be had. As a remedy for those easily recognized symptoms of inflammation—as swelling joints, backache and frequent urination, as well as sediment in the urine, or if uric acid in the blood has caused rheumatism, lumbago, sciatica, gout, it is simply wonderful how quickly "Anuric" acts; causing the pains and stiffness rapidly to disappear.

Swollen hands, ankles, feet are due to a dropsical condition, often caused by disordered kidneys. Naturally when the kidneys are deranged the blood is filled

**BIG PARADE PLANNED FOR MEMORIAL DAY EXERCISES IN SALEM**

More Than 25 Organizations To Be Invited to Take Part in Pageant

A total of 25 different organizations in the city of Salem will be invited to participate in the Memorial day parade according to the plans which were outlined at a meeting of committee Wednesday. Commander Faulkner, of Sedgewick Post, No. 10, G. A. R., appointed one representative each from the Spanish War veterans, Sons of Veterans and Company M to act as a general committee in charge of the Memorial day exercises. Each of these committees will appoint sufficient sub-committees to carry out the details of the parade and other arrangements of the program. From the Spanish War veterans, R. Kumrow, was named as a member of this committee. Rev. F. T. Porter will serve from the Sons of Veterans, and Joseph McAllister will represent Company M.

The members of Sedgewick Post plan to go to the cemetery May 29 on the day before Memorial day and place a flag on the grave of each of the veterans of the Civil war in the cemetery. This flag has been placed on the graves of the veterans in past years but it has always served to inform the public that the veterans themselves would decorate these particular graves with flowers. This year they will place a flag on each grave to indicate to the school children that these graves are to be decorated by the children of the public schools who will do the work for the G. A. R. this year.

The school children will be taken to the grave yard in the forenoon and will carry their floral tributes to be placed on the graves which will be indicated by the flag.

The parade committee will issue invitations to the following organizations to participate in the parade and it is expected that the great majority of them will send representatives to march in the parade which will be the largest ever held in Salem:

Salem Cherrian band.  
The children of the public schools and private schools.  
Whittemore university, faculty and students.  
Chemawa Indian training school band and cadets.  
Grand Army of the Republic.  
Spanish War veterans.  
Sons of Veterans.  
Women's Relief corps and Ladies of the G. A. R.  
Ladies' Auxiliary of Spanish War veterans.  
Company M.  
Cherrians.  
Salem Commercial club.  
Fraternities: Elks, Moose, Woodmen of the World, Modern Woodmen of America, Artisans, I. O. O. F., Masons, Knights of Pythias, Knights of Columbus, Macabees and A. O. U. W.

**Washington to Vote on Prohibition Again**

Seattle, Wash., May 12.—Bert L. Swensen, of the Pioneer Printing company, left Seattle yesterday for Olympia to file an initiative bill repealing the present prohibition bill.

There are two initiative measures now on file amending the prohibition bill, which is known as Initiative No. 3. The Swensen bill is for an absolute repeal.

The bill was decided upon following a meeting of several business men, says Swensen, and was prompted by the fact that initiative bill No. 3 was adopted by the people "without fully understanding its provisions."

"The filing of this bill," he says, "is in response to demands from all parts of the state to have a second vote on the question."

**SAYS HOT WATER EACH DAY KEEPS THE DOCTOR AWAY**

Drink Glass of Hot Water Before Breakfast to Wash Out the Poisons

Life is not merely to live, but to live well, eat well, digest well, work well, sleep well, look well. What a glorious condition to attain, and yet how very easy it is if one will only adopt the morning inside bath.

Folks who are accustomed to feel dull and heavy when they arise, splitting headache, stuffy from a cold, foul tongue, nasty breath, acid stomach, can instead, feel as fresh as a daisy by opening the sluices of the system each morning and flushing out the whole of the internal poisonous stagnant matter.

Everyone, whether ailing, sick or well, should, each morning, before breakfast, drink a glass of hot water with a teaspoonful of limestone phosphate in it to wash from the stomach, liver, kidneys and bowels the previous day's indigestible waste, sour bile and poisonous toxins; thus cleansing, sweetening and purifying the entire alimentary canal before putting more food into the stomach. The action of hot water and limestone phosphate on an empty stomach is wonderfully invigorating. It cleans out all the sour fermentations, gases, waste and acidity and gives one a splendid appetite for breakfast. While you are enjoying your breakfast the water and phosphate is quietly extracting a large volume of water from the blood and getting ready for a thorough flushing of all the inside organs.

The millions of people who are bothered with constipation, bilious spells, stomach trouble, rheumatism; others who have sallow skin, blood disorders and sear complexions are urged to get a quarter pound of limestone phosphate from the drug store which will cost very little, but is sufficient to make anyone a pronounced crank on the subject of internal sanitation.
