SOCIETY

ALINE THOMPSON

OPENING the week's festivities the Monday Night Dancing club entertained last evening with an exceptionally gay dinner dance at the Hotel Marion. About sixty merry-makers danced through the evening and the dinner tables with their decorations of yellow and pink snapdragons and candles surrounded by happy groups made a pretty ensemble. The popularity of these dinner dances no doubt, has been due to the delightful informality, which pleases everyone, and blends with the informal springtime mood. This particularly pleases the men because anything that can permit the stern sex to pass up the necessity for special dressing is welcomed.

Mrs. Frank Spencer will entertain on Thursday afternoon with a charming bridge party. A number of the younger society belles and matrons will be guests.

Miss Barbara Steiner's informal dance Saturday evening was one of the merriest affairs of the week. Her guests included about twenty of the younger contingent who are members of a dancing club.

Miss Verna Cook, the interesting and attractive girl who was with William Knighton, when he was state architect, is in New York studying architecture at Columbia University; where she has received several medals and high honors for her wonderful work.

A charming dinner was presided over by Mrs. George Burnett Friday evening. The affair was planned in celebration of Mr. Burnett's birthday anniversary, and the guests included Mr. and Mrs. Rollin K. Page, Mr. and Mrs. Charles McNary, Mr. and Mrs. Milton Meyers, Mr. and Mrs. George Brown, and Judge and Mrs. Lawrence T. Harris.

An informal dinner party was given Sunday evening by Fred Shoumaker who entertained the members of the "Twin Four Club" and several friends on the occasion of his birthday anniversary. The affair was given at the Gray-Belle and the tables were pretti-

ly adorned with pink tulips. Covers were placed for the Misses Marcella Bynon, Veda Vaughn, Isabell George, Effie Mull, Hester Welch, Evelyn De Long, Meryle Whitney, Marie Briggs, Edith Bynon, Madge Bailey, and Messrs. Lloyd Case, Edward Bouch, Ira Mercer, Lloyd Case, Bobby Radcliffe, Russell Clark, Benjamin Maxwell, Oral Lemmon, Harry Alboitz, Ivan Schomaker and W. Pierce Jenks of Albany. Later the party went to the home of Miss Marcella Bynon.

Mr. and Mrs. Joan Noud were hosts Thursday evening for a five hundred party, their guests being the members of the Jolly Score club. A color scheme of red and white was developed with spring flowers in the card rooms, where five tables of the game were circled by the guests. Assisting in the serving were Mrs. Joan Waltham, Mrs. A. J. Davidson and Mrs. B. Lewis.

Those playing were: Mr. and Mrs. John Nodon, Mr. and Mrs. Theodore Barr, Mr. and Mrs. Frank Davey, Mr. and Mrs. A. Nickel, Mr. and Mrs. E. C. McKinney, Mr. and Mrs. R. W. Hartman, Mr. and Mrs. A. J. Davidson, Mr. and Mrs. B. L. Lewis, and Mr. and Mrs. Joan Waltham.

The members of the Jolly Neighbors club enjoyed an informal afternoon of sewing Wednesday at the home of Mrs. M. H. Utter on the Jefferson road. Late in the afternoon the hostess served dainty refreshments.

Those present were: Mrs. J. E. Crothers, Mrs. W. H. Grabenhorst, Jr., Mrs. E. B. Prothero, Mrs. H. J. Boock, Mrs. E. J. Launde, Mrs. John Fisher, Mrs. W. C. Boone, Mrs. C. H. Loomis, Mrs. M. T. BUDGET PREPARED FOR YEAR BY Y. W. C. A.

Mrs. Blackerby Resigns and Miss Florence Cleveland Takes the Place

At a meeting of those interested in the success of the Young Women's Christian association held today noon, the matter of a budget for the coming year was fully discussed.

It will be noted in the budget, that of the \$3,500 asked for the coming year, \$1,500 of the amount is to pay for the equipment of the new quarters. Under ordinary circumstances, the budget would call for only \$2,000. So far, only about \$1,600 has been subscribed and the finance committee with some of the helpers, will continue their work in asking for subscriptions until the necessary amount is raised.

With much regret, the board of directors have accepted the resignation of Mrs. P. L. Blackerby, who has been with the association since it was organized. She will return to her home in Silverton about June 1. Miss Florence Cleveland of Portland was elected to succeed Mrs. Blackerby. COURT HOUSE NEWS

A suit to quiet title was filed in the circuit court of this county today by the Turner Electric Light & Power company against Balfour, Guthrie & Co., which corporation formerly owned a tract of land in Turner and sold out to the Oregon Milling company but in which tract the heirs of the principals claim some title to the land.

The defendants filed an answer in the circuit court today in the case of the Oregon & California Railroad company and the Southern Pacific company against the city of Mt. Angel, the mayor and town council, city attorney and city marshal. The railroad company sought to enjoin the city of Mt. Angel from constructing a sewer across a certain tract of land near the depot grounds in Mt. Angel. The defendants in their answer admit that it is the intention of the city to construct a sewer across the land in question but it is asserted that the land does not belong to the railroad but the city of Mt. Angel. It is alleged that the city of Mt. Angel has been in possession of the land for the past 10 years and that it has a right to construct a sewer across the property without consulting the railroad company. Attorney John A. Carson, of Carson & Brown, and Fred C. Soren, city attorney of Mt. Angel, represent the defendants.

A suit to quiet title was filed in the circuit court today by D. W. Good and Sarah Good against Ezekiel Hendryx, Jane Doe Magone, Abel Endy, Clavin Squires and all others claiming any right, title or interest in 94.84 acres of land in this county.

An inventory and appraisal was filed in probate court today in the estate of Catherine Miller, deceased. The estate consists of personal property to the value of \$15,39.99 and real property worth \$30. The appraisers were George W. Fry, Henry Kraus and Chris Zimmerman.

The will of Clara Hansen, deceased, was admitted to probate today by an order of Judge Bushey. Clara Hansen died in Yamhill county April 27, 1916, leaving real property in Yamhill county valued at \$4,000, in Harney county valued at \$2,500, and in Multnomah county at \$500. The heirs are Paul Hansen, husband, of Salem, and Anna Kutch, a sister, residing at Carlton.

The Bythian Sisters of district No. 3 will meet in Eugene today for their annual convention. There will be delegates here from the following: Albany, Salem, Corvallis, Brownsville, Lebanon, Seio, Falls City, Silverton and Eugene. The convention will convene at 2 p. m. and a banquet will be held at 6 p. m. The evening will be devoted to the closing exercises of the convention, after which the initiatory work will be exemplified.—Eugene Register.

Bands of Mexican Cattle Causes Trouble

Douglas, Ariz., May 16.—Reports of a clash being imminent between Carrizozo troops under General P. Elias Calles and American troops here over the detention of six hundred head of cattle, smuggled across the line into the United States three days ago, were discredited here today.

Mexican officials charge the cattle entered the United States in violation of import regulations. General Calles was reported to have dispatched a protest to the Mexican representatives in Washington.

Brigadier General Davis, commanding troops stationed here denied that forces had been sent to guard the border in the vicinity where the cattle are corralled, fearing a possible rush of Carrizozans in an attempt to herd the cattle back across the line.

Cattlemen deputized by customs officials are guarding the herd. They are being held awaiting inspection by a veterinarian.

An automobile party consisting of Earl Anderson, Claude Belle and Joe Moyer, of Salem, spent Saturday and Sunday on the McKenzie river fishing. They fished at Blue river and Cook's place and report a catch of 65 on Saturday and 23 Sunday.—Eugene Register.

A NEW AUTO RECORD

Los Angeles, Cal., May 16.—Louis Nikrent, driving a Buick clipped more than two hours from the Los Angeles-San Francisco automobile record made in 1910. Nikrent completed the run from the northern city, finishing here today, in 12 hours, 47 minutes and 50 seconds. The former record was 14 hours, 49 minutes.

They are steadily gaining in favor and there's a reason: Hygrade soap, Salem made, 5 cents.

Today's Aid To Beauty

An especially fine shampoo for this weather, one that dissolves and entirely removes all dandruff, excess oil and dirt, can easily be made at trifling expense by simply dissolving a teaspoonful of cambrux in a cup of hot water. Pour slowly on scalp and massage briskly. This creates a soothing, cooling lather. Rinsing leaves the scalp spotlessly clean, soft and pliant, while the hair takes on the glossy richness of natural color, also a fluffiness which makes it seem much heavier than it is. After a cambrux shampoo arranging the hair is a pleasure.
