There is more Catarrh in this section of the country than all other diseases pot together, and until the last few years was supposed to be insurable. For a great many years doctors pronounced it is local disease and prescribed local remodes, and by constantly falling to cure with local fiscase and prescribed local remodes, and by constantly falling to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh cure, manifectured by F. J. Chency & Co. Toledo, Ohlo, is the only Constitutional cure on the market. It is taken internally. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dofters for any case it falls to cure. Send for circulariand testimontals.
