SOCIETY

ALINE THOMPSON

Mr. and Mrs. Mack Hofer will be missed from the gayeties of the next few months as they are planning to leave this week for a four months sojourn in California. They will drive their car south and will be accompanied by Laurence Hofer and their small sons, Robert and Ernest.

The Hofers are very popular in Salem society, and the remainder of the week will no doubt be filled with many little farewell attentions.

Mr. and Mrs. Henry B. Thielen were hosts for a charmingly appointed dinner Tuesday evening. A crystal bowl of lovely pink rose buds and gypsophila centered the table. Covers were placed for nine.

Mrs. F. S. Gannett entertained informally this afternoon with a delightful Kensington at her apartments in The Court. Several of the younger matrons were guests.

Mrs. W. T. Grier has as her guest Miss Zella Griswold of Portland.

Mrs. T. Klein has asked a group of matrons for an informal sewing Thursday afternoon. Her guests will include the members of the Brodie club.

Mrs. I. L. McAdams has returned from a several days visit with Mrs. I. D. Bennett near Brook.

Miss Laura Grant was hostess today for a small informal luncheon. The table was prettily adorned with spring flowers.

DESPAIRING WOMAN NOW HAPPY MOTHER

Mrs. Stephens Did Not Need The Surgical Operation.

Patoka, Ill.—"I had been married five years and my greatest desire was to become a mother. The doctor said I never would have a child unless I was operated on for female troubles and I had given up all hopes when a friend told me of Lydia E. Pinkham's Vegetable Compound. I took it regularly for some time, and I am in better health than ever, and have a healthy baby girl. I praise your Vegetable Compound for my baby and my better health. I want all suffering women to know that it is the sure road to health and happiness."—Mrs. GEORGE STEPHENS, R. F. D. No. 3, Patoka, Ill.

Lydia E. Pinkham's Vegetable Compound is so successful in overcoming woman's ills because it contains the tonic, strengthening properties of good old fashioned roots and herbs, which act on the female organism. Women from all parts of the country are continually testifying to its strengthening, curative influence.

It has helped thousands of women who have been troubled with displacements, inflammation, ulceration, tumors, irregularities, periodic pains, backache, that bearing down feeling, indigestion, and nervous prostration.

ENRICH THE BLOOD

Hood's Sarsaparilla, a Spring Tonic Medicine, is Necessary.

Everybody is troubled at this season with loss of vitality, failure of appetite, that tired feeling, or with bilious turns, dull headaches, indigestion and other stomach troubles, or with pimples and other eruptions on the face and body. The reason is that the blood is impure and impoverished.

Hood's Sarsaparilla relieves all these ailments. It is the old reliable medicine that has stood the test of forty years—that makes pure, rich red blood—that strengthens every organ and builds up the whole system. It is the all-the-year-round blood-purifier and health-giver. Nothing else acts like it, for nothing else is like it. There is no real substitute; so be sure to get Hood's. Ask your druggist for it today, and begin taking it at once.

DIED

HOWELL—At her home 1109 Hines street, Wednesday morning, May 17, 1916, Mrs. Linnie J. Howell, in her 70th year.

She is survived by her husband, Albert Howell, Mrs. Howell was born April 6, 1846, at Hot Springs, Arkansas, and was married to Mr. Howell in 1875. They came west in the early 80's and have made Salem their home since 1891.

Funeral services will be held Friday morning at 10 o'clock at St. Paul's church, the services being conducted by the Rev. Robert S. Gill. The body will be taken to Portland for cremation.

Lewis Weber, a bachelor living alone on his small fruit tract near Shaw, was found dead this morning at 6:30 o'clock by a neighbor who in passing by had stepped in to make a few inquiries. Mr. Weber apparently had been preparing breakfast, as he was found lying on the kitchen floor with cooking utensils on the stove. His only relatives live in Ohio and these were communicated with this morning. Funeral arrangements have not as yet been announced. Yesterday Mr. Weber was in his usual health, working in his prune orchard.

SPRINKLING RATES FOR SALEM REDUCED FOR SUMMER MONTHS

Public Service Commission Issues New Order Applying to Meters Only

The public service commission today issued an order reducing the rates for sprinkling laws and general irrigation purposes in Salem during the months from May to September inclusive. By the new schedule for water delivered through meters of any size the consumer pays 40 cents per hundred cubic feet for the first 200 cubic feet, 25 cents per 100 cubic feet for the next 300 cubic feet and 7 1/2 cents per 100 cubic feet for all over 500 cubic feet.

By the schedule which was adopted by the former order of the commission the rate of 7 1/2 cents per 100 cubic feet was not allowed except on an amount in excess of 20,000 cubic feet. The order of the commission says in regard to the reduction of the rates for sprinkling:

It has developed that the regular schedule of rates fixed in 1914 is unduly burdensome upon consumers who use the company's service for sprinkling purposes, and has resulted in many instances in the discontinuance or curtailment of such use.

A study of the sprinkling problem under meter rates, both in the district served by this utility, and elsewhere, has convinced this commission that it must be met by special or commodity rates. The very nature of the use is such that rates, reasonable for general domestic and industrial purposes, in most instances become prohibitive when applied to sprinkling service. As a general proposition this use results in a benefit to the public generally, and may be considered in the nature of a semi-public use.

Since this feature has a bearing upon the rate, its application may properly be restricted to the period when, by reason of climatic conditions, this use will result in a benefit to the public. Numerous complaints having come to the commission regarding the unjustness of the above meter rates for sprinkling purposes, the matter was presented to the company in the above light, and a suggestion was made that during the sprinkling season consumption for such purposes in excess of 500 cubic feet in any month should not bear a rate in excess of 7 1/2 cents per 100 cubic feet. The company has agreed to the issuance of an order by the commission embodying such a readjustment without further proceedings herein.

At her home 1109 Hines street, Wednesday morning, May 17, 1916, Mrs. Linnie J. Howell, in her 70th year.

She is survived by her husband, Albert Howell, Mrs. Howell was born April 6, 1846, at Hot Springs, Arkansas, and was married to Mr. Howell in 1875. They came west in the early 80's and have made Salem their home since 1891.

Funeral services will be held Friday morning at 10 o'clock at St. Paul's church, the services being conducted by the Rev. Robert S. Gill. The body will be taken to Portland for cremation.

GLEE CLUB CONCERT RIPE THIS EVENING

Long Looked For Event Takes Place at First Methodist Church Tonight

The Glee club concert is the important event of the week in university and city circles, and tonight will see the First Methodist church packed when the time arrives for the program to begin. The program is divided into two parts and will be interspersed with instrumental and vocal solos, dramatic and humorous readings, male quartets and the clubs ensembles.

Manager Smith, who has had charge of the concert, has been putting in his whole time making arrangements for all details and when the clubs appear tonight for the first public appearance in five years, they will be ready to give to their audience the very best to be had, from a musical standpoint.

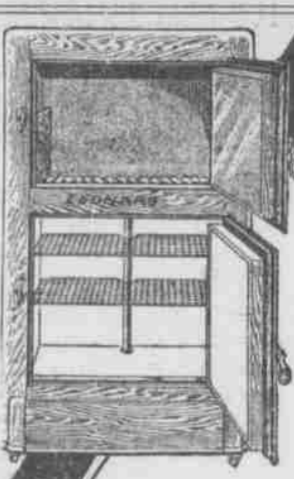

Alfred Schramm, whose ability as a soloist, needs no mention to Salem people, will appear with the club this evening and render several tenor solos.

The program in full is as follows:

Political Cards Stir Up Comment On Eve of Election

A small card bearing two streaming American flags at the top of a list of republican candidates for office which was circulated about the city this morning has stirred up more comment than any campaign literature which has yet been produced. A peculiar circumstance in the matter is that all of the candidates interviewed today whose names appear on the card deny any knowledge of the party who issued the card and state that their consent was not secured before publishing the list.

A hand bill which was circulated ahead of the card attempts to raise a religious issue and cause the candidates to declare themselves before election. The card bears the name "Fred Ross, 254 S. Cottage, Salem, Ore." The Fred Ross who lives at this address is employed as car inspector on the Oregon Electric but when seen today he refused to divulge the names of any others who were interested in the affair or to say who, or what organization, was back of it.

- (c) Alpine Rose Gerritt-Smith
- Willamette Ladies' Chorus.
- Reading—"Modern Education" Mr. Gus Anderson.
- Wedding Chorus (Rose Maiden) Willamette Ladies' Club and Glee Club.

Salem Woman Named As Delegate to Convention

The women voters of the United States will form a new party at a convention called to meet in Chicago, July 7, the same day the republican and progressive conventions meet. The new party is to be named the Congressional Union, and while there has been some opposition developed to the organization of the party, especially in Illinois, the women voters will not let this interfere with their original plans, and the convening of delegates at the time originally proposed.

Mrs. Frank Rosenquest has been elected by the Oregon branch as delegate. Her name was suggested to the state chairman by Mrs. Webster, who traveled as the advance guard of the suffragettes who recently visited Salem. Mrs. Rosenquest will doubtless accept and have the pleasure of being in on the first meetings of the national political party by the name of the Congressional Union.

ROBBED THE RAILROAD

St. Louis, Mo., May 17.—Auditor Wright, of the Missouri Pacific, announced today that he had a written confession from Samuel W. VanDyne, cashier of the freight department, in which VanDyne admitted he misappropriated \$75,000 of the railroad's money.

Gold Dollar strawberries are now in the market, as a crate was brought in this morning by Mrs. G. N. Thompson, of Kaiser Bottom. She believes this is the first crate to reach the city this season, and also is of the opinion that the Gold Dollar strawberry excels all others not only in flavor but also as a berry for canning purposes.
