

MICHELIN

MICHELIN Red Inner Tubes

have a world-wide reputation for durability for the following reasons:

1st: Michelin Red-Rubber Tubes are compounded of certain quality-giving ingredients which prevent them from becoming brittle or porous and which preserve their velvety softness indefinitely.

2nd: Michelin Tubes are not simply pieces of straight tubing with their ends cemented, but are formed on a ring mandrel to exactly the circular shape of the inside of the casing itself and consequently fit perfectly.

U. OF O. ATHLETES ARE READY FOR THE FRAY

Will Tackle Washington University Tomorrow—Welsh Will Get \$25,000

Seattle, Wash., May 19.—Bill Hayward, University of Oregon coach and his string of athletes put into port today to be on hand when the track meet between the U. of O. and the University of Washington occurs tomorrow afternoon on Denny field here.

Holding down an easy chair in a local hotel, Bill outlined the summary of events and under what conditions each would be won by either Oregon or Washington. Needless to say that when the points were summed up Bill's college was on the long end.

"The Oregon men are all in good shape," he said. "We were unable to get a workout in Portland yesterday on account of rain but I do not believe that will hurt them. The Humphrey squad has been working out between showers this week as the Kilpatrick's are rated as one of the strongest teams in the league and it will be necessary for them to let out another notch to garner the long end of the score in their next league game. A glance over the visiting line-up shows the calibre of the team and individual players who will invade the Capital City Sunday.

"Chick" Baker, catcher brother of Del (Nibs) Baker, the Detroit Amstar league catcher, is considered the best receiver in the league is promised a try-out with the Detroit team next season if he shows to advantage in the Inter-City league if he can keep going at the pace he has set will no doubt get his chance next season on the big time circuit.

Big Prize for Flyers

New York, May 19.—A second prize of \$10,000 in addition to the first prize of \$20,000 today is promised for the national transcontinental aeroplane competition, which is scheduled to start September 2. Allen Hawley, president of the Aero club of America, made the announcement concerning the second prize, following receipt of letters from all over the United States showing interest. The route as proposed will be across the continent to San Diego and up the coast through Los Angeles to San Francisco.

Gotch Taking no Chances

Portland, Or., May 19.—Frank Gotch will never take a chance on a match with Joe Stecher, the Nebraska grappler, according to Walter Miller, middleweight wrestling champion, today. Miller is an intimate friend of Gotch. He says the champion has not been sick, but that he realizes he is not the Gotch of old, and wants to retire with his laurels unblemished.

Gibbons Got Decision

New York, May 19.—Newspaper critics were unanimous today in awarding to Mike Gibbons the decision over Ted Lewis, British boxer whom he met in a ten round bout last night. Lewis was outwitted nearly ten pounds and fought gamely throughout, but was no match for Gibbons' clever boxing.

Welsh to Get \$25,000

New York, May 19.—Freddie Welsh will get between \$25,000 and \$30,000 for his bout with Charlie White in Reno, Nevada next summer, according to statements made here today. In addition he will receive training expenses. White is to get \$7,500 and training expenses. The men will box 20 rounds for the lightweight championship of the world.

KILPATRICK PENNANT CHASERS HAVE BIG LEAGUERS IN LINEUP

Salem Faces Hardest Game of Season in Inter-City League Sunday

Manager Bill Henles, of the Kilpatrick pennant contenders, has a strong line-up on his list and promises to do his best against the Salem Inter-City league team when they clash at German park Sunday. The Humphrey squad has been working out between showers this week as the Kilpatrick's are rated as one of the strongest teams in the league and it will be necessary for them to let out another notch to garner the long end of the score in their next league game. A glance over the visiting line-up shows the calibre of the team and individual players who will invade the Capital City Sunday.

"Chick" Baker, catcher brother of Del (Nibs) Baker, the Detroit Amstar league catcher, is considered the best receiver in the league is promised a try-out with the Detroit team next season if he shows to advantage in the Inter-City league if he can keep going at the pace he has set will no doubt get his chance next season on the big time circuit.

Tom Baker, pitcher brother of "Chick," has a left handed cross fire delivery and was the star twirler for the Sherwood White Sox for two seasons. He has also done good work for the Aurora team for several seasons and worked half the season with Baker in the Western Tri-State but had to come home on account of sickness in the family, and has not tried league ball until this season again.

"Crabby" Claude Dixon, captain and first baseman, puts the fight in the game and has a cool head of his. He hits the ball on the nose at a 450 clip.

Gordon Sumart, at second base, is as fast as lightning, also a good hitter, 425 being his average. He has repulsed offers in leagues of higher classification but as he holds a good position he can not afford to play ball as he already receives a salary that compares favorably with major league baseball salaries.

"Kid" Mulkey, shortstop, is the find of the season. He was shortstop on Washington high school last year and is more than making good with the leadership of the team.

Fred Parrot, at third base, the Sherwood White Sox phenom, looked like the pure quill on the difficult corner. He hits at 412 and wants to be considered when picking an all-star team of the league, as to date has showed the most class of any of the third suckers.

Joe Dixon, outfielder, is one of the best gardeners in the league and brings the fans to their feet every game by his sensational fielding.

Chief Bateman, outfielder, is another promising young player who takes a nice cut at the ball and is always good for one hit a game. He was in the Nevada State league last year where he caught for Reno.

Outfielder Dick Nelson was with the Sellywood City league team and is having a good season in the Inter-City.

Bert Baker, the third member of the Baker family, is a twirler. With this year's experience he will get going in fast company and looks to have a future in the great American game.

CONTEST FOR QUEEN WILL BEGIN MONDAY

The queen contest for the Cherry fair will begin on Monday, May 22, and end on Saturday evening, June 17. The committee in charge cordially invites organizations and individuals to enter as soon as possible. Names may be telephoned in to James Elvin, 2196; Geo. J. Watson, 335; J. H. Lauterman, 900; Mattie E. Beatty, 2401; Mr. or Mrs. Wm. M. Hamilton, 878.

On Monday morning 10,000 envelopes will be distributed among the stores in the business district. On the face of each envelope will be found full directions for voting. Any number of votes may be voted on one envelope. Votes will cost 10 for one cent, 100 for a dime. Money for votes must be placed in a envelope and sealed and deposited in ballot boxes at Capital Journal, Statesman, Spas, Gray-Belle and Commercial club.

Votes will be collected each evening during contest by some member contest committee, counted and result reported to daily papers.

Money received for votes will be used by the committee in paying expenses of the contest and in equipping the queen. Any balance will be paid to treasurer Cherry fair committee for general expenses.

The committee on queen contest earnestly solicits the co-operation of all loyal Salemites in selecting Salem's most popular young woman for queen of the Cherry fair.

It is probable that the young lady elected queen, will lead the grand march with King Bing at the dance to be given Monday evening, July 3, at the armory. This dance is to be given under the auspices of the Salem Floral society and the Cherrians.

A telegram was received this morning by superintendent O. M. Elliott from Miss Evelyn Cash of Pontiac, Michigan, stating that she could not accept the position as physical instructor in the Salem school to which she was recently elected. Miss Cash was formerly director of physical education in the schools for the senior and junior high school girls and was called home by the illness of her mother, who later died. She stated that she had decided to stay at home with her father. Miss Emily Griffin who has had charge of the work, will be recommended by Mr. Elliott for the position.

Grand Lodge I. O. O. F. to Meet in Roseburg

The grand lodge gathering of Odd Fellows and Rebekahs which will convene in Roseburg, May 23, promises to be one of the most interesting fraternal gatherings ever held in the state. Visitors will begin to arrive in Roseburg Monday, the 22nd, and the Patriarchs Militant will hold their sessions of the Department Council Monday evening, when a general reception will be given in the Roseburg armory.

Tuesday morning the grand encampment and the Rebekah assembly of Oregon will open in regular session. A Rebekah drill team from Grants Pass will exemplify the work that evening. Wednesday morning the 24th, the grand lodge of Oregon will open in annual session and that evening the royal purple degree will be conferred by the degree team of Golden Rule encampment of Portland, regarded as one of the finest teams in the state.

Among those who will attend the session as I. O. O. F. delegates from Salem are, A. M. Clough, J. A. Patterson, C. E. Albin, F. E. Churchill, J. W. Roberts, William Frost, and for the Rebekahs, as delegates, Mrs. Hattie Patterson, Mrs. Ruth Anderson and Mrs. Elizabeth Waters.

Sacred Heart Academy Graduates Entertain

Miss Louise Berndorfer, a post graduate of the Sacred Heart academy, was well received and appreciated by the large audience at the Grand theatre last night, appearing as a piano soloist. She was assisted by Miss Marie Campbell and Mrs. Blanche Liston Niemeyer and a number of young women from the Sacred Heart academy.

Miss Berndorfer displayed her excellent technical training in the playing of Liszt's "Rhapsodie Hongroise No. 12." Other selections that brought out her unusual talent were The Erl King by Schuman and compositions by Chopin. Besides being an accomplished pianist, Miss Berndorfer showed ability as a harpist pleasing greatly with the selection, "Dance of the Sylphs."

Miss Marie Campbell gave several vocal solos, pleasing mostly perhaps with the feeling shown in the singing of the "Lullaby" from Jocelyn. In this number she was accompanied by Frances Ridgeway on the harp and Mary Schotter, violinist.

Mrs. Blanche Liston Niemeyer pleased as usual in her dramatic reading of "Robert in Sicily," in which she was assisted by Miss Berndorfer on the harp.
