WHY THE BEST OF CHEWS IS "SPEAR HEAD"

Its Rich, Sweet, Mellow Flavor Has Been Famous for a Generation

MADE OF CHOICEST RED BURLEY

The secret of tobacco satisfaction is known only to the man who chews plug tobacco. The reason is that a good chew gets right next to your taste, while the leaf in plug tobacco is in a state of fresh, juicy richness that is not possible in any other form of tobacco.

There's no tobacco in the world that can give you the hearty, wholesome flavor that you get from a delicious chew of Spear Head.

Spear Head is made exclusively of ripe, red Kentucky Burley—the most richly-flavored chewing tobacco that grows. Still more, only the very choicest red Burley leaf is used for Spear Head.

This choice leaf is selected with the most painstaking care, is stemmed by hand, is thoroughly washed free of all foreign matter, and is pressed into Spear Head plugs so slowly that not a drop of juice or an atom of the natural flavor escapes.

Try Spear Head, and you'll get a sweet, mellow, luscious, satisfying chew that cannot be obtained in any other tobacco. In 10c cuts, wrapped in wax paper.

Tomorrow, Decoration day, is a legal holiday. All banks in the city will be closed, all dry goods stores and furniture stores, and in fact it is expected that all stores will show their patriotism by closing for the day. The only exception to the general closing is the grocers and butcher shops, which will probably remain open until noon.

The Rebekah lodge will give a banquet this evening in the Odd Fellows hall at 6:30 o'clock. Following the banquet, a program of music and short talks has been arranged. The business of the evening will include the semi-annual election of officers. For the past six months, the office of noble grand has been held by Mrs. LaMoine R. Clark.

Paul W. Miller, motor order clerk, and Oscar L. Dunlap, delivery clerk, of the Commercial club, will give a talk at the state convention to be held at Oregon City, June 24. The alternates are Ben H. Draper, dividing clerk, and Phil Aspinwall, distributing clerk. The selection of delegates was made at a meeting called Saturday evening.

Kenneth Clair Legge, son of the architect, has completed his course in the high school and has decided to graduate with the class next Friday evening. He completed the course in three and one-half years, making all the required grades. The graduating class now numbers 109, of which 64 are girls and 45 boys. It is probable that about 85 of the graduates will attend college the coming year.

Eight hundred seats will be reserved Friday evening at the public school commencement exercises for the immediate relatives and friends of the 109 graduates, and for those associated with the public schools. These seats will be roped off and there will be no admission in the reserved section without tickets. All other seats in the house are open to the public, and there will be no charge whatever.

Charles H. Glos, deputy supreme dictator of the Moose lodge for Oregon was in the city yesterday and promised Benjamin Brick that Corvallis would be well represented at the Moose celebration to be held in Salem June 24. Officers of the Salem lodge will go to Corvallis Wednesday evening of this week to interest the Corvallis Moose in the program and arrange for a large attendance.

The Artisan lodge, with its strong membership, has become interested in the contest for queen of the Cherry fair, and has presented the name of Miss Estella Wilson, of the Shipley store. Miss Wilson is a member of the "La Area Club" of the Artisans and was with the club at San Francisco when the drill team was awarded first prize for the best drilled team in the northwest, winning over two Portland teams. The Moose lodge is also supporting Miss Wilson.

A ducking in the creek running through the high school athletic field is in store for eight high school students next Wednesday. On the afternoon of that day, the freshmen and sophomore teams of the high school will engage in a tug-of-war, and according to the custom the teams will be on the opposite side of the creek when the tugging begins. When it closes, eight of the boys will be taking an annual creek bath. The contest begins at 1:30 o'clock.

Senator C. F. Bishop, as delegate to the republican national convention at Chicago, June 7, will leave next Thursday morning, accompanied by Mrs. Bishop. They will travel from Portland on a special train provided for the Oregon and Washington delegates, going by way of the Northern Pacific and Milwaukee and St. Paul. The special will arrive in Chicago at 7 o'clock Sunday morning, June 4, and the Oregon delegation will establish headquarters at the Sherman hotel. After the convention, which it is thought will last the greater part of the week, Mr. and Mrs. Bishop may visit several weeks in the east, although at present their plans have not been definitely decided on. Mr. Bishop goes as a Hughes delegate.

HIGH SCHOOL CHORUS TO STAGE ROBIN HOOD

Charming Comic Opera Under Direction Miss Minitetta Magers

Will be one of the finest attractions ever staged by amateur company in Salem. The voices are splendid; the chorus of 50 bright young people are rendering the tuneful music of Robin Hood in an excellent manner. There are some fine soloists in this chorus who can handle their parts well. There is life, fun and action throughout the entire opera. The sheriff and Sir Guy in the charming trio, then with their five funny tinkers who come to the greenwood to spy on Robin Hood; thru the placing of the sheriff in the stocks—to his rescue—thru the drinking scene—to the finale the wedding scene are sure to keep the audience in a roar of laughter. Mr. Smith's fine baritone voice shows off to good advantage in this music, although a comic part, Mr. Smith, Mr. Alford and Mr. Sarf deserve much praise in that they were first to learn their lines. Mr. Zinn is a natural comedian, he never does his part the same way twice but always fitting for part, just to see him is to laugh. Mr. Alford is carrying the role of Robin Hood with ease and confidence with his rich high baritone voice. Mr. Harris has an unusually low voice for a high school student and is doing well the Arranger and the tailor songs. Mr. Sarf as the jolly fat Friar brings honor upon himself in burlesque solo, and his splendid interpretation of his lines. Victor Reed as Little John has fine opportunity for his voice in the song "Brown October Ale," and holds a dignified position as first leader of the outlaws.

Miss Lura Minton has a high soprano voice, clear and sweet, and is sustaining the part of Maid Marian very ably. Leatha Driscoll as Allan A' Dale and Althea Esch as Annabel are very young lovers, who appear in nearly every scene. They are singing their parts well. Then last comes Miss Marybelle Reinhardt as funny old Dame Durden who thinks the sheriff is her long lost husband. Miss Reinhardt is showing ability in handling this part. The choruses keep moving through out the opera. Miss Meriam has successfully trained a number in a very attractive Morris dance. The chorus is doing excellent work. The soprano being led by Miss Hazel McEllebrist. Those who will attend this opera next Wednesday evening at the high school should be in their seats by 8 o'clock sharp, to hear the fine overture played by the orchestra.

Marion County Boy Makes Good in Marines

In an official bulletin issued by headquarters, United States Marine Corps, Washington, appears the name of Francis J. Stewart, of this city, as having qualified as an expert rifleman in that most interesting branch of the government service. Francis, who is a son of Mrs. Anna Stewart, R. D. No. 2, Salem, enlisted in the United States marine corps at its Seattle recruiting station on December 2, 1915, and is now serving at the marine barracks, San Diego, Cal., awaiting transfer to expeditionary duty, where he will have many interesting and exciting adventures, or to a cruising battleship which will visit strange lands and give the Salem youth an excellent opportunity to see the world. Considering the fact that Stewart is scarcely more than a recruit, his performance in gunnery is looked upon by marine corps officials as little short of marvelous, and they expect him to break many marksmanship records before his enlistment expires.

THAT BAD BACK

Do you have a dull, steady ache in the small of the back—sharp, stabbing twinges when stooping or lifting—distressing urinary disorders? For bad back and weakened kidneys Salem residents recommend Doan's Kidney Pills. Read this Salem man's statement. Joseph Wint, retired blacksmith, 668 High St., Salem, says: "My back and kidneys bothered me. My kidneys were disordered and my back seemed to lose strength. Short use of Doan's Kidney Pills soon put me right." (Statement given December 12, 1912.) On April 11, 1916, Mr. Wint said: "My opinion of Doan's Kidney Pills is just the same today as it was when I gave my first endorsement. I haven't had any of that former trouble now for several years and I give them credit for bringing such lasting results." Price 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Wint has twice publicly recommended. Foster-Milburn, Props., Buffalo, N. Y.

NOTED LECTURER RETURNING TO SALEM

Mrs. Kate B. Vaughn

Many inquiries have come to the Capital Journal regarding Mrs. Kate Brew Vaughn, who lectured two years ago here. Reports from her work this season in nearby cities have reached Salem housewives and they have been eager to know when Mrs. Vaughn would again lecture here. They will be pleased with the announcement that she has been engaged for the week of June 5th, and will lecture every day of that week at the armory. Mrs. Vaughn is perhaps the most popular and successful of the lecturers connected with the National Better Foods Better Homes movement and is doing a commendable work for American

homes and for generations to come. She has lectured in almost every large city in the United States. She will be remembered by a host of friends here as a lecturer who is notably womanly and highly cultivated. It is hard to believe when one looks at her smooth cheeks and rounded throat and into her beautiful clear, brown eyes, that Mrs. Vaughn is old enough to be the mother of a large family. To get her to speak of herself or her work is rather difficult, but she does love to talk about her family. It is well known here that she has become interested in the matter of good food and its effect upon the develop-

ing of young lives through the care of her own family. Seeing great possibilities in this work, she took it up as a scientific study, availing herself of the very excellent talent which the south afforded and later going to Boston. Last summer, Mrs. Vaughn studied at Columbia and the educators of that institution are deeply interested in her Better Foods Better Homes work and consider it a very high type of some education. Mrs. Vaughn is to again lecture in Salem at the armory and begins her engagement here Monday, June 5th. Her program is now and her lectures and cookery lessons are free.
