

Why You Should Own a Maxwell

- Comfort** First, because it is a comfortable riding car. Plenty of room for five people; deep, soft cushions; springs made of the best spring steel, scientifically heat-treated, accurately suspended and balanced. You will always be comfortable in a Maxwell.
- Appearance** Second, because the Maxwell is a trim, smart, good-looking car. Many makers of heavy, high priced cars, as you know, have copied the general lines, the shape of the body and hood of the Maxwell. This is more of a compliment than an infringement.
- Service** Third, because the Maxwell, being a product of thirteen years evolution, is so designed and manufactured that it gives unfailing, consistent and satisfying service to thousands of owners. Maxwell cars are made of the best materials that money and brains can buy—and they are made right. You can get out of any car only what is put into it.
- Low First-Cost** Fourth, because you get everything in a Maxwell that you can get in any car and you get it for less money. The answer to this is that the Maxwell is a light car and it is built in enormous quantities. The Maxwell Co. is one of the three largest producers of high grade motor cars in the world.
- Low After-Cost** Fifth, because the Maxwell will give you more miles per dollar than any car built. We say this without hesitation or doubt. It is our honest belief and we are willing to prove it by Maxwell owners, by comparison with any other car or by any other way you suggest or prefer. The Maxwell will please you. We know it will. Let us arrange for a demonstration and we'll take the responsibility of satisfying you completely.

SALEM NEXT TO TOP BY 7 TO 2 WIN FROM WOODBURN LEAGUERS

Lojus Fall on Murphy's Shoots for Seven Runs in Second Inning

Salem climbed into second place in the inter-city league percentage column yesterday when the Loganberry Juicers made seven runs off of two hits and a bunch of errors against Woodburn. Murphy, the much touted twirler who essayed to do the chucking for Woodburn, was relieved in the second inning after Salem had done its worst and Pellette, who was sent to the box, held the home guard scoreless but Salem had no bad innings and the one lone run that the visitors added in the ninth was only a consolation moment of their pleasant visit.

Woodburn scored one in the first when Yarrow doubled and then scored as Miller erred on Coleman's infield grounder.

Miller redeemed himself when he came to bat by stinging out a safety with Jones on and then Barham bounced one off of Murphy's foot and the bases were full. Humphries hit the ball but Jones was forced out at the plate. Semour hit one through Shorey at short and Miller scored and then Wilson waited until four erratic curves wobbled past and ambled down to first while Barham strolled home. Adams then smeared one to outfield and Humphries, Semour and Wilson scored. By this time Murphy was fast, ebbing away and a total of seven runs were registered before the Woodburn manager put him out of his misery and sent Pellette to the little hill.

In the ninth Coleman walked and Schnee singled but striched it to two bags and after Sims had been given a pass Hauser threw to Jones who muffed the throw and Coleman scored.

WILLAMETTE U. WINS TRACK CHAMPIONSHIP IN SATURDAY'S GAME

Methodists Double Their Nearest Rivals and Land the Silver Cup

The second annual Willamette invitational track and field meet for the non-conference colleges of Oregon was won by Willamette on the local field Saturday by a score of almost double that of the nearest competitor. The final count showed Willamette to be in the lead with 77 points, McMinnville college 41 1-2 and Pacific university a poor third with 28 1-2 points to her credit.

Culver of McMinnville broke his own non-conference record for the high jump by 1-4 inch getting over the bar at 5 feet 6 inches.

The most brilliant race of the meet was the 220-yard dash in which Grosvenor of Willamette and Lucas of Pacific tied for first with Small only six inches behind for third. Ford easily won the 100-yard dash with the remarkable non-conference time of 10 seconds flat.

By winning the meet Willamette will again possess the large silver trophy cup which was won by Pacific last year. It must be won two successive years for permanent possession. The meet marks the close of the spring athletic calendar of events at Willamette.

GIANTS ARE NEARING WHITE SOX RECORD

Have Won 17 Games Straight, Two More Will Tie Major League Record

New York, May 29.—The attention of the New York baseball fans was centered today on Boston where the Giants clash with the Boston Braves in the final game of the series. If McGraw's men can grab this afternoon's contest they will have captured 17 games straight, within two games of the major league record of 18 straight made by the Chicago White Sox.

The Giants today were only two games behind the National league leaders and were going strong. Tomorrow they will open a new series with the Phillies at Philadelphia.

In the American league the renovated and rejuvenated Cleveland Indians are going almost as strong as the Giants but they have slipped during the last week and are now in second place.

Idaho smothered Montana by the score of 85 to 46.

Idaho proved speedier in the sprints, but Montana showed strong in weights and jumps. Campbell of Idaho dropped in a faint as he crossed the tape in the two-mile run. He beat his former record by one-fifth of a second. His time was 10:40 2-5.

Manoy, crack middle distance man for Idaho, was out because of sickness and probably will not be in the conference meet. Idaho won the relay race.

Although Salem is next to the top the loss of Wayne Barham from the pitching staff will be a severe blow but Salem has always recovered from severe blows in the past.

Barham joins the Vancouver, B. C. team in the Northwest league and left last night for that city. He was formerly with San Francisco and after a short trial in the majors was sent back to the coast. He was suspended last year for striking for release and is in good standing in organized baseball. Coleman, the Woodburn third sacker, will go to Vancouver with Barham. Coleman is from Woodburn and Barham is a Dallas product.

Pellette, who relieved Murphy yesterday, is a native son of St. Paul and was given a tryout with Butte this year but lacked the finish to stick.

Only two hits were made from Murphy's delivery but all of his teammates added an error or two to the mercurial.

Salem's pennant chances brighten with each game and the Portland pennant chasers will show a burst of speed if they head the Lojus.

Watching the Scoreboard

Pacific Coast League Standings:

Team	W.	L.	Pct.
Vernon	33	18	.647
Los Angeles	28	22	.560
San Francisco	28	24	.538
Salt Lake	21	24	.467
Portland	17	21	.415
Oakland	20	35	.364

Yesterday's Results:

- At Los Angeles—Portland, 6-0; Vernon, 6-2.
- At San Francisco—Los Angeles, 5-10; Oakland, 4-5.
- At Salt Lake—Salt Lake, 8; San Francisco, 2.

Bill Steen had nothing in his repertoire to confuse the Saints and Salt Lake won, 8 to 2.

Although the Seals played errorless ball behind Steen, the Salt Lake batsmen had their hits artistically bunched and did the little business with ease.

San Francisco only deserved one run off Piercy. The Seals got that one on clean hitting, and the second resulted from a frenzied heave on the part of the shortstop.

While the Giants are spurring in the National league take a look at Vernon sporting. Ham Patterson's Tigers grabbed one from Portland Sunday and tied

another. The Beavers won but once during the whole week.

While, of Portland, got four hits out of five times up in the morning.

Oakland fans put in a big day roasting Empire Guthrie. When he left the field after the morning game Oakland boosters pursued him smiting him with cushions while ball players ran before to clear the way and Frank Chance and Dutch Klauitter strode on either side, waving bats.

Speed Martin was considerably whaled by the Angels in the afternoon, the melody being 10 to 5. In one inning the Angels tried to get four outs, but were foiled by the cries of the mob.

Detroit drove Bob Groom from the mound and beat St. Louis 6 to 3. The bookworm was among those present and it was a listless affair.

White Sox grabbed two from Cleveland, had support beating Morton in the second and smashing his winning streak.

Pirates hit like fiends all through two games and beat St. Louis twice.

Comes frantic denial from Harold Lockwood and May Allison that they are married. They say they never had contemplated such a thing and should they marry will not marry each other. They are the best friends in the world, however, and enjoy working together.

Idaho Sprinter Is Star of Dual Meet

Moscow, Idaho, May 28.—Morrison of Idaho, was the bright star in the Idaho-Montana track meet yesterday, making the 220-yard sprint in 21 4-5 seconds, breaking the track record. He tied his record of two years ago of 21 4-5 seconds in the 100 yard dash.
