WILSON DISCUSSES POLITICAL MATTERS

May Campaign Heart of Country—Platform and Campaign in His Hands

By Robert J. Bender (United Press staff correspondent)

Washington, May 31.—President Wilson today discussed politics with Senator Kern, Representative Doremus, Norman Hapgood, a member of the Wilson independent league, and others. It was learned that he may campaign in the heart of the country following his nomination.

For the most part, however, he will conduct his fight from Washington and Long Beach, N. J. The democratic party platform and campaign plans are largely in the president's hands. Senator Stone is assisting in drawing up the international relations plank.

The platform is expected to contain planks containing strict Americanism, constructive proposals regarding domestic and foreign commerce provision for a merchant marine and for a commission to investigate railroads and aid them.

DUAL CITIZENSHIP IS DECIED

Eugene, Or., May 31.—Attorney General Hoover, in a memorial day address here yesterday, declared there can be no dual citizenship in America.

"We welcome German and Russian, Englishman and Frenchman, to our shores," he said. "We would not blot entirely from their memories the flag of their mother country, but we do ask that their first duty shall be to the Stars and Stripes; that there shall be no double standard of allegiance."

Between 700 and 800 persons, including school children, took part in the memorial day parade and preparedness demonstration. The Eugene women's band made its first public appearance.

Wills, band committee: Rev. R. F. Tischer on decorations; William McGilchrist, on concessions; Mrs. William H. Daney, on baby parade; and William H. Gahlsdorf, chairman of the general parade committee.

Judge Daniel Webster, in speaking of the parade yesterday said that it was probably the largest and most representative Memorial day demonstration ever held in the city, showing the revived patriotic feeling, besides the interest in those who fought for the union during the Civil war. A few years ago, the judge said that the old soldiers generally numbered close to 200 in the annual parade, but that yesterday, the number was scarcely 100.

The music of Robin Hood, composed by Reginald De Koven, may be said to be of the higher class of American compositions and at the same time universally popular. The solos, "Oh Promise Me," and the "Armer's Song" are included among the Edison and Victrola records, as well as the choruses "Brown October Ale." A pleasing trio in the first act of the opera, to be given tonight at the high school auditorium, is "The Churning Song," sung by Maud Marion, the Sheriff of Nottingham and Sir Guy.

A chimney fire at Lausanne hall called out the fire department at 5:10 yesterday afternoon and another chimney fire at the same place was the cause of another alarm an hour later. Chief Hutton requests that parties turning in an alarm for a simple chimney fire notify the department that it is a chimney fire so that it will not be necessary to take both engines. The apartment was called out again at 8:40 when some packing cases in the warehouse at the rear of the Gahlsdorf tin store at 137 North Liberty caught fire. No damage was done.

Robin Hood, a comic opera, which may be said to be the best comic opera ever written by an American, will be given this evening at the high school auditorium by the students of the high school, under the direction of Miss Minnetta Magers. Final dress rehearsals were held last night and it is the opinion of those who have heard the rehearsals that the talent shown by the soloists and the spirit shown by the chorus will be something of a surprise to the average citizen. From the opening of the first act to the close, there is something of interest going on. The music has the swing that attracts.

Company M of the Oregon National Guard can use about 20 more young men before going to the annual encampment. The military preparedness bill recently passed, and which will become effective July 1, provides pay for privates as well as officers, amounting to one-fourth of that received by men in the regular army. This figure out for privates about one dollar for every hour actually spent in drilling. The encampment of the state militia this year is also attractive to young men from the fact that an opportunity is given for a 10 days' vacation at the expense of the state and federal government besides the \$1.25 a day cash allowed privates.

James Elvin of the church contest; Lloyd Reynolds for the query exhibit; John Roberts for the auto parade; Judge P. H. D'Arcy for fraternal, military and civic parades; L. H.
