## MRS. COWLES ELECTED PRESIDENT BY WOMEN

### West Beats East In Fight for Presidency of Women's Clubs

New York, June 1.—Mrs. Joseph Evans Cowles, of Los Angeles, was elected president of the General Federation of Women's Clubs. Official announcement of Mrs. Cowles' election on the balloting yesterday, was made before the convention today.

Other new officers are: First vice-president, Miss Georgia A. Hason, Massachusetts; second vice-president, Mrs. Eugene Reilly, North Carolina; recording secretary, Mrs. C. McFarland, South Dakota; corresponding secretary, Mrs. Francis D. Everett, Illinois; auditor, Mrs. W. P. Harper, Washington.

Everybody, including Mrs. Cowles, professed to be very much surprised when the official announcement was made. Actually no one was surprised at all.

The California delegation had heard all about it last night, from Mrs. Cowles, herself, according to a story in the convention hall. Gathering her cohorts about her the new president said:

"Girls, I have been elected, but it isn't official yet. It's a secret. Don't tell anybody until the official announcement is made."

They didn't even whisper it. But when the California women emerged from the pavilion with grins broader than the Golden Gate and paraded triumphantly down the corridors, the rest of the women knew who had won.

Mrs. Cowles received 1,273, Mrs. Sneath 433.

Mrs. Sarah A. Evans was elected on the board of directors from Oregon.

Hayes, Bert. Henderson, Mrs. M. C. Holladay, Rev. E. C. Hopkins, Miss Annette, Irvine, Mr. S. E. Jefferson, Mr. R. E. Jones, Miss M. Gertrude, Jones, Harry W. Koppelman, Miss Martha, Lake, Mr. Leslie.

Lamb, Mr. Fred E. Link, Mrs. Carrie M. McFarland, Miss Lulu, McKee, Mr. L. Martinson, Gertrude, Mathew, Bessie (2), Mattheyer, Mr. Otto, Moon, Mr. M. M. Ness, Miss Alice, Paden, Mr. Howard E. (2), Peterson, Mr. Leo, Proctor, Mr. W. I. Shaw, Mr. B. P. Stewart, Mr. Cliff, Tanguy, Elder S. T. Thielmann, Mr. August, Tucker, Mr. G. G. Wisner, Lulu C.

min's delegation. They are confident the Iowa will stand well among the favorite sons in the final showdown.

The Sherman movement today was under the personal direction of William B. McKinley, formerly of the republican congressional committee, who arrived in Chicago today.

"It is becoming more evident daily," said McKinley, "that the republican nominee will come from the central west. Sentiment for Senator Sherman has grown steadily during the last week."

McKinley said the fight among New York and other eastern delegates over Root, Hughes and Roosevelt would center attraction finally on Sherman or some other favorite son.

## ALL WILL MAKE BID FOR WOMEN'S SUPPORT

### Woman's Party Will Listen to Proposals From All the Old Parties

Chicago, June 1.—The republican, democratic, progressive and prohibition parties are ready to bid for the support of the woman's party in the 1916 presidential race, it was learned today.

The woman's party convention, beginning June 5, will be addressed by speakers from each of these four parties and a suffrage resolution will be introduced before the resolutions committee of each.

Chairman Hillis of the republican national committee has tendered a list of five speakers to the suffragettes. Gifford Pinebot will address the convention for the progressives; Dudley Field Malone of New York for the democrats, and probably former Governor Sulzer of New York for the prohibitionists.

Senator W. E. Borah of Idaho, it was announced today, will lead the fight for a suffrage plank at the republican convention. He has promised Mrs. Carrie Chapman Catt, president of the National American Woman's Suffrage association, to direct this fight, Mrs. Catt said today.

## Robin Hood Pleases Big Salem Audience

The performance of Robin Hood at the auditorium of the high school last evening was well attended, showing that the friends of the high school are interested in the progress made by the pupils from a musical standpoint.

The opera is perhaps the most musical and dashing of American compositions in the operatic line and is adapted for amateur performances. This is especially true of the choruses.

The cast of the opera was well selected. Miss Laura Minton has the singing of an operatic voice and her singing was a surprise even to her friends. Max Alfrod was especially fitted for the part of Robin Hood and sang and acted his part with a true Robin Hood spirit.

Archie Smith as a comedian, taking the part of the sheriff of Nottingham was one of the big hits of the show. Even as an amateur, his work is much better than that seen on the vaudeville circuits.

Leitha Driscoll scored a hit in singing "Oh Promise Me," and so did Victor Reid when he sang "Brown October Ale." The "Armorer's Song," by William Harris is always popular and he sang it well. Althea Esch was pretty as Anabel, and Marybelle Reinhard was a joy in the part of Dame Burdett.

Cecilia Staff as Prier Tuck and Frank Zinn as Sir Guy really pleased the audience, as the average audience is always appreciative of true comedy. The Milk Maids were repeatedly recalled, and in fact the whole show was something to remember. The singers were from classes in the high school and were drilled by Miss Minnie Magers.

Medford Mail: The manager of the St. Albans Mining and Milling company, owning one of the most promising properties in the Blue Ledge district, has been approached by possible buyers with a tentative proposition, in the event that railroad transportation is provided. This is a mere straw, but it shows what the suggestion of a line into the big mining district has done toward intimating conditions that would follow a completion of the Blue Ledge line.

# Public Opinion

The first taste of New Post Toasties reveals the fact that something different—something better—has arrived for the breakfast table.

The secret is in the flavour—a self-developed flavour of pearly white Indian corn—not the flavour of cream and sugar upon which other flakes have to depend.

And notice, too, the appearance of New Post Toasties, particularly the tiny bubbles on the surface of each flake. These bubbles are a distinguishing feature—produced by the quick, intense heat of a new patented process of manufacture.

New Post Toasties do not "chaff" or crumble in the package, and they don't mush down in cream like other flakes. They're more substantial and are altogether more satisfactory than any flakes that have preceded them.

The proof is in the eating—have your grocer send you a package.
