PARTY ON CRUISER WHICH WAS SUNK BY TORPEDO

Was Visiting Fleet North of Scotland and On Board Cruiser Hampshire Which Went Down With All On Board—Searching Parties Find Only Bodies of Drown—Report Says Kitchener Was On His Way to Russia—Sea was Very Rough When Tragedy Occurred

London, June 5—Lord Kitchener, admiral in chief, with his entire staff was lost when the cruiser Hampshire, on a visit to the north of Scotland, was blown up by a German submarine yesterday. The cruiser went down in the Dogger Bank, 100 miles north of Scotland, and the bodies of all the officers and men were swept away by the sea.

The German admiral, who was on his way to Russia, is said to have been on the cruiser. The bodies of all the officers and men were swept away by the sea. The bodies of all the officers and men were swept away by the sea.
