

### A Famous Physician's Wonderful Discovery

After a series of careful experiments and tests at the Invalld's Hotel and Surgical Institute, Buffalo, N. Y., covering many years—Dr. Pierce, the medical director of that hospital made an announcement that he could prove that a medicine which he called "ANURIC" was the best uric acid solvent now to be had. As a remedy for those easily recognized symptoms of inflammation—swelling urine, backache and frequent urination, as well as sediment in the urine, or if uric acid in the blood has caused rheumatism, lumbago, sciatica, gout, it is simply wonderful how quickly "Anuric" acts, causing the pain and stiffness rapidly to disappear. Swollen hands, ankles, feet are due to a dropped condition, often caused by disordered kidneys. Naturally when the kidneys are deranged the blood is filled with poisonous waste matter, which settles in the feet, ankles and wrists; or under the eyes in bag-like formations.

It is just as necessary to keep the kidneys acting properly as to keep the bowels active.

The very best possible way to take care of yourself is to take a glass of hot water before meals and an "Anuric" tablet. In this way it is readily dissolved with the food, picked up by the blood and finally reaches the kidneys, where it has a tonic effect in rebuilding those organs.

Step into the drug store and ask for a 50-cent package of "Anuric," or send Dr. Pierce 10c for trial pkg. "Anuric"—many times more potent than lithin, eliminates uric acid as hot water melts sugar. A short trial will convince you.

### GRAND LODGE MASONS ELECTS ITS OFFICERS

Will Moore of Pendleton, Grand Master—Properties in Portland to be Sold

Albany, Or., June 9.—Will Moore of Pendleton was elected grand master of the Masonic grand lodge of Oregon in the annual election of officers here Thursday afternoon. W. G. Schallenberg, Portland, was chosen deputy grand master; Frank W. Settlemyer of Woodburn senior grand warden, and Earl C. Broughnugh of Portland junior grand warden.

James P. Robinson of Portland, was re-elected grand secretary for the 23d consecutive time. June B. Cleland of Portland was re-elected grand treasurer and was also re-elected a member of the jurisprudence committee for a term of five years.

Grand Master-elect Moore will announce his appointments tomorrow. Sale of all its Portland holdings, valued at about \$500,000, was ordered by the Masonic grand lodge of Oregon, in session here.

The property of the grand lodge includes a building at Third and Alder streets, long occupied as headquarters of the grand lodge, and a majority of the stock in the Masonic Temple at West Park and Yamhill streets.

The sale is left to the discretion of the trustees. The meeting place for next year's convention will be chosen today. Portland, Salem, Roseburg and Pendleton are contenders for the honor.

A special committee to whom the invitations were referred met last night and agreed on a majority report favoring Portland. Two minority reports were made, one favoring Salem and the other Pendleton.

At the opening of yesterday's session Grand Master Miller ordered the American flag brought in and it was received with continued cheering. After

the grand master had welcomed it, Rev. W. W. Youngson of Portland, newly appointed prelate of the grand encampment of the Knights Templar of the United States, spoke on its introduction. A resolution was then introduced and passed unanimously providing for the display of the national emblem at all Masonic meetings in every lodge in the state.

William J. Kerr, president of the Oregon Agricultural College and grand orator of the grand lodge, delivered the formal oration of the session.

Last night a school of instruction was held in the Masonic Temple under the direction of Andrew Fritz, of Portland.

### Editor of National Fame Passes Away

Washington, June 9.—John R. McLean, publisher of the Washington Post, and the Cincinnati Enquirer, died at his residence in the suburbs here this afternoon. He had been ill for weeks.

Besides his newspaper properties, McLean, whose real and personal properties ran into many millions, owned the controlling stock in the Western Gas Light company and was a heavy stockholder in street railway companies.

McLean was born in Cincinnati in 1848. His millions probably will go to his son Edward Beale McLean, who married the only child of the late Thomas Walsh, Colorado mining magnate.

COCOANUT OIL MAKES A SPLENDID SHAMPOO  
\*\*\*\*\*

If you want to keep your hair in good condition, be careful what you wash it with.

Most soaps and prepared shampoos contain too much alkali. This dries the scalp, makes the hair brittle, and is very harmful. Just plain unadorned coconut oil (which is pure and entirely greaseless), is much better than the most expensive soap or anything else you can use for shampooing, as this can't possibly injure the hair.

Simply moisten your hair with water and rub it in. One or two teaspoonfuls will make an abundance of rich, creamy lather, and cleanses the hair and scalp thoroughly. The lather rinses out easily and removes every particle of dust, dirt, dandruff and excessive oil. The hair dries quickly and evenly, and it leaves it fine and silky, bright, lustrous and easy to manage.

You can get modified coconut oil at most any drug store. It is very cheap, and a few ounces is enough to last everyone in the family for months.
