Mrs. Roosevelt Delighted Over It

Oyster Bay, N. Y., June 12.—Mrs.

Theodore Roosevelt is delighted! She hopes it is true that her husband is "out of politics." She looked like the happiest woman in the world, as she rode by the colonel's side as they started for a horse-

back ride across the country from Sagamore Hill today. She was smiling and laughing and chattering like a school girl. It is an open secret among her friends that she has never revealed in

the limelight, nor has she always been seen side by side. The colonel did not appear very talkative. He declined to see reporters. Recently the colonel has ridden a head and she behind. Today they rode

side by side. The colonel did not appear very talkative. He declined to see reporters.
