Forest Grove Secures G. A. R. Encampment of Oregon Next Year

(Eugene Register.) Forest Grove is the choice of the G. A. R. as the meeting place of the 1917 department encampment that city winning out over Roseburg in the vote at yesterday afternoon's business session of the order. The claims of Roseburg were set forth with much eloquence on the part of a number of delegates from that section of the state, but Forest Grove had lined up a large following and won by a vote of 114 to 93. Newport had also invited the encampment to meet there next year but that city received only five votes and seven were scattering. The Spanish war veterans will meet at Hillsboro, perhaps at the same time and as these cities are only six miles apart the two orders will be able to fraternize and yet avoid the confusion that existed to some extent in Eugene.

Hall is Commander.

Dr. J. E. Hall, of Portland, was elected department commander by the G. A. R. at yesterday afternoon's election, without opposition, as were the other officers, who were chosen as follows: for vice commander, James G. Chambers, of Portland, medical director, and W. T. Kerr, of Portland, chaplain. The council of administration for 1916 and 1917 was chosen as follows: H. L. Hull, of Frank Hesse, of Eugene, senior vice commander; E. F. Sox, of Albion, junior vice commander; H. E. Hills, of Portland; J. L. Crow, of Hillsboro; G. C. Thomas of Forest Grove, and J. W. Moore, of Newberg. Representatives to the national encampment were chosen as follows: William Clemens, of Newberg; J. W. Moore, of Newberg; S. C. Pepple, of Hood River; Z. T. Bryant, of Portland; A. W. France, of Portland; G. C. Thomas, of Forest Grove, and E. D. Heinsohn, of Portland; alternates, Z. M. Parvin, of Salem; W. W. Stockton, of Sheridan; H. S. Clyde, of Oregon City; L. C. Sharno, of Portland; L. Rosell, of Portland; William Jones, of Portland; and P. Fellows, of McMinnville.

The council of administration will fix the date of the 1917 meeting some time and fourth heats of the same race and first money. Chiquita second and King Zollock third. Burnt Wood took the first, second and fourth heats of the 2:15 trot. Wild Girl was second and complete third. In the five-eighths mile run, Sterling led the way and made it in 1:01 1/2. Ella Robinson was second and Maxwell third. Friday's races were very good. A unique feature of the day was that in the 2:08 pace, Sunny Jim and Hiko, sire and son, were driven by L. M. and Harry Davis, father and son. J. C. B. won this race. Best time 1:05. The 2:30 trot, half mile, was won by Burnt Wood. Best time 1:08 1/2. Louis Lechman was first in the three-eighths mile run. Time, :40. Dr. C. P. Fryer was second and Walter Barr third. A "round-up" feature of the race was that Walter Barr threw his rider during the starting.

Entire Berry Crop Sold by Contract

Hood River, Ore., June 17.—The Hood River Apple Growers' association and the White Salmon Fruit Growers' association have sold their entire output of strawberries of the season to C. H. Robbins & Co., dealers, of Grand Forks, N. D. The deal, made by Wilmer Sieg, sales agent of the local organization, is said to be the largest ever made in strawberries in the Northwest. It is now estimated that 150 carloads, in addition to express shipments that will be disposed of in local markets, will roll to the North Dakota commission men, who distribute the berries through Montana central Canadian points and the Dakotas. The price is not given out by the association. Mr. Sieg, however, said that the returns of this year, because of the contract price, will be the best in the history of the Hood River and White Salmon berry industry. The total returns will be more than \$150,000.

The deal was made before the beginning of the season, although not announced until today. Growers, with the harvest now at its peak, are jubilant over the prospects. Last season the North Dakota dealers purchased from the Apple Growers' association in a single contract 40 carloads of berries.

Local U. S. Marine In Santo Domingo

Edward A. Howard, son of Mrs. Sarah Howard, 1596 South 13th street, this city, is with the expeditionary force of United States marines recently rushed to Santo Domingo for the protection of the American Legation there during the current revolt against President Jimenes. When insurrection broke out anywhere to the south of Key West or north of Venezuela, the U. S. marines are always first on the spot. Preparedness is the motto of the Marine "soldier" and sailor, too, always prepared for service in any climate—always prepared to move at a moment's notice without previous warning, and always prepared to efficiently hold the "situation well in hand." Young Howard enlisted in the United States Marine Corps at its Portland recruiting station on June 21, 1915.

IS BUILDING NEW RESIDENCE

G. E. Anderson has charge of the construction of the building. Mrs. Henderson and daughter are expected to arrive here about July 1.—Silverton Appeal.

next year several months previous to the date to be decided upon.

BAND LEADER PASSES

Abe Oppinger died suddenly at his home in the Waldo Hills, Friday from heart disease, at the age of 64. Mr. Oppinger had been in apparently good health and his death came as a distinct shock to his brothers and the neighborhood. The three brothers kept bachelor halls on their farm and Abe was the cook. He prepared the mid-day meal the day of his death. The other brothers came to the house and found everything in readiness for them, but Abe was gone. Thinking that he must have gone to the Victor Point store they ate their lunch and returned to their work. Returning to the home about 5 o'clock they found their brother in a sitting position, dead. The county coroner was notified and in viewing the body determined that he must have passed away between 1 and 2 o'clock. Abe Oppinger was born in Switzerland, August 12, 1852, and has been a resident of Oregon for the past 15 years. He with his two brothers have been prominently identified with the Victor Point band for a number of years and the three of them were to have played at the school rally and picnic at Victor Point the following day. He was a man highly spoken of by everyone who enjoyed his acquaintance.—Silverton Appeal.

One of these days half the world will be suffering from severe strain due to efforts made under the delusion that it is its duty to uplift the other half.

FARM RESIDENCE BURNS

Last Saturday morning about 10 o'clock the residence of D. C. Yoder, south of Whiskey Hill school, burned as well as small buildings nearby. The fire is thought to have been caused by falling sparks on an adjoining building and when discovered the fire had gained such headway it was impossible to save the property and with the aid of passers by and a number who gathered at Zion church for the Sunday school conference, most of the goods were saved. Miss Frances and Miss Pearl Yoder were at home at the time; two sons, Will and Cecil, were out at work. Will in the timber and knew nothing of the fire until it was over. Mr. and Mrs. Yoder were away at the time; Mr. Yoder was in Portland and Mrs. Yoder in McMinnville. Both of them returned as soon as word reached them of their loss. The property loss is estimated at \$1,500.—Hubbard Enterprise.
