ALL SALEM ASKED TO VISIT BOYS IN CAMP

King Bing Orders Out Cherrians—S. P. Makes Special Trip Rates

King Bing Deckebach of the Cherrians has called out all members of the organization to meet tomorrow morning and go to Clackamas, all in uniform. Those who leave in their autos are requested to leave here in time to arrive in Clackamas in order to meet the Southern Pacific from the south, the train that leaves here 9:22 a. m. It has also been requested that all cars be decorated in a patriotic way with flags, bunting and the Salem pennants.

For those who will travel by rail, the Southern Pacific gives the following information: The morning train for Clackamas leaves at 9:22 o'clock, arriving at Clackamas 10:55.

A message just received from General Agent Scott says: "On account of the dress parade at 7 o'clock tomorrow evening at Clackamas, we shall train 13 (southbound) at that point and furnish extra equipment for all local travel. Also extra equipment of Nos. 27, 28, 18 and 19."

This means that practically every train through Salem in either direction will be able to enter to those wishing to go to Camp Withycombe. The round trip rate has been fixed at \$1.70.

To those who have automobiles, it has been suggested that a very appropriate form of patriotism would be to invite close relatives of soldier boys to take a trip to Clackamas tomorrow. And it would be an especial act of kindness to invite those who are not able financially to make the trip. It is well known that several families, although not left entirely destitute, are in unfortunate financial circumstances, and an invitation to take a ride to Clackamas would be doubly appreciated.

Mrs. W. O. Asseln is president of the Salem Patriotic League and she is in touch with those who would doubly appreciate means of going to Clackamas. Her phone number is 417 M.

It is expected that possibly 50 Cherrians will make the visit to Clackamas tomorrow. The following have agreed to go: F. G. Deckebach, J. C. Perry, C. E. Knowland, Fred S. Bynon, P. E. Fullerton, P. E. Graber, E. Cooke Patton, Charles H. Fisher, H. L. Meyers, George Vick, William Brown, Fred W. Steusloff, J. P. Rogers, Paul Johnson, C. T. Pomeroy, C. E. Siegmund, B. C. Bishop, J. Reinhart, F. Meyers, Curtis Cross and C. E. Albin.

For those who would like to enjoy a truck ride and an early morning start, the Larmer Auto truck company have put on a \$1 fare for the return trip and will leave at 6 o'clock in the morning.

Bethlehem Steel Gained Otherwise Market Dull

New York, June 24.—The New York Evening Sun financial review today said:

There was little in the news developments over night to affect sentiment in the securities market today and the same conditions, wavering and uncertain, which have prevailed since the relations of the country with Mexico became seriously strained were again in evidence.

The efforts of the various Latin-American powers in the way of mediation were watched with considerable interest and less so the reported varying emotions with which General Carranza is credited with having received these overtures, and the specific refusal to accept the offers of Costa Rica and Salvador.

The standard industrial shares were generally steady. United States Steel advanced well above 84 in the early trading but later reacted slightly and came to a practical standstill at the Tuesday price. Some of the ammunition specialties made substantial gains, with Bethlehem Steel the most conspicuous with an advance of 17 points or more. The most issues were firm for the most part. Mercantile Marine issues were soft.

Some for a few exceptions, like Mexican Petroleum and Tennessee Copper prices in the later session showed improvement although trading continued very dull.

SOLDIER'S SISTER KILLED

Portland, Or., June 24.—Overcome by vertigo while watering potted plants on a fourth floor balcony of the Highland Court apartments here today Mrs. Mary L. Hinton, age 20, daughter of Richard Hinton, a wealthy stockman, plunged to the pavement and was killed. Her brother, Richard Hinton, Jr., is encamped with the state militia at Clackamas.

Miss Genevieve Frazier, who is attending the summer school at the Oregon Agricultural college, will spend the Fourth in the city. She will return to Corvallis to remain until the close of the summer term, July 22.

The following Salem citizens were in Portland yesterday: C. L. Welborn, at the Perkins hotel; Mr. and Mrs. Henry Foulkes, at the Seward; Mr. and Mrs. C. F. Williams, Oregon; Mr. and Mrs. George McCleary, at the Eaton hotel.

The presence of Mrs. Anna Cornell in her home was not to her liking, says Mrs. Delilah Grigsby in her suit filed today to secure a separation from J. S. Grigsby. Cruel and inhuman treatment is alleged. Mrs. Grigsby declares her husband brought her other woman's into their home.

Moreover, she asserts, Grigsby told her that he loved Mrs. Cornell and could not live without her. To further his interests in this direction, according to the complaint, Grigsby tried to make his wife leave home so that he could be with Mrs. Cornell. Since March of this year he has been away from home and has failed to contribute to the support of his wife and two children, the wife says. Mrs. Grigsby asks the custody of the children.

Charges of physical mistreatment are made against Chris. Jensen by Almeda Benson, who today asked the circuit court for a divorce. They were married here in 1914 and have one child. On one occasion, says Mrs. Benson, her other half flourished a big black Colt's revolver and told her he would soon shoot her as to look her and choked her and on top of this at her. He is also said to have struck accused her of infidelity and association with other men. She asks that the court restore her maiden name of Almeda Dingman.

Marriage licenses have been issued to Herbert G. McCall, 22, of Silverton and Edna J. Steen, 23, a Silverton teacher and to Ed M. Buchheit, 29, of Mt. Angel and Mary E. Wertz, 21, of the same place.

COURT HOUSE NEWS

Washington, June 24.—Carranza's reply to this government's note sent Tuesday, will be published in Mexico City tomorrow—before it reaches Washington, according to a report in administration circles this afternoon.

Just where the information came from was not revealed, but authorities were inclined to believe it in view of the fact that previous official reports transmitted the "rumor" that Carranza intended to publish it tomorrow in Mexico City.

Carranza likewise has been anxious to have his communications closely guarded.

BEYAN NOT INVITED

Columbus, Kan., June 24.—Declaring he had not received the message urging him to meet with a conference of prominent Americans and Mexicans to arbitrate differences between the two countries, William J. Bryan today refused to discuss the suggestion of the American Union Against Militarism, until it reaches his home in Lincoln.

The former secretary of state is jumping over Kansas on a chautauque circuit which probably accounts for this delay of the message.

Aviator Chapman Killed at Verdun

Paris, June 24.—The American aviator, Chapman, attached to the Franco-American flying corps, was killed in an air battle Friday after bringing down two German machines.

An air squadron consisting of a French captain and the American flyers Prince and Berry, were engaged by four German machines. Chapman rushed to the rescue and headed straight into the center of the circling Germans. His machine gun brought down two of the Germans. Their commanders swooped down upon Chapman, turning blasts of machine gun fire at his plane. Chapman fell to the ground, his body riddled with bullets.

The three other flyers whose lives he had saved returned safely to the French lines.

RAY BURHAM MAY RETURN TO SALEM

Possibly that Ray Burham, who made such a good impression by his work for the Lopus will again be in the line-up in local sporting circles. After leaving Salem Burham joined the Vancouver Northwestern league team, where he has won but a single game out of five starts.

Loss of the games is due to a streak of hard luck with a lack of stick work on the part of his team mates. At present Vancouver is in a bad way financially. The club must get \$1,200 in five days or the team will probably disband. In the event Vancouver goes on the rocks Barham will be without a berth and the Salem management will make a bid for his services.

Think War Helps Them to Obtain Food Supply

Douglas, Ariz., June 24.—With famine threatened throughout Sonora, a wave of enthusiasm for war swept the United States has swept the country, according to Carl Graeber, last refugee to leave Nacozari.

"When I left," said Graeber, "the whole country was up in arms. Even the smallest boys were shouldering rifles. Women were also arming. It is common talk in Sonora now that when the 'gringos' do come, Mexican patriots will rush through the American lines and raid the food supplies stored in American border towns. The populace of Nacozari was jubilant when news of the Mexican victory at Central was brought there."
