Keene, who made his initial appear-ance on the mound in the Montavilla game, contributed three hits in four times at bat, which makes him the technical leader of the team. His average is .750. Kasmarek is in the .333 class but has appeared as a batter only six TIMES

There is room for improvement in the work of the team on the bases as the entire team has pilfered but 14 bases to date. Five of these steals were registered by Adams who leads in this department and Seymour accaunted for four. But three sacrifices are recorded and no one man has made more than one of these,
