MISS GROUNDS WAR BRIDE

Miss Margaret Grounds of Independence was married to Sergeant Ward M. Achley of Company E, at Portland on Tuesday, under picturesque circumstances. The wedding took place in the officers' quarters at the company's armory, and the Rev. W. S. Gilbert of Astoria, chaplain of the Third infantry, performed the ceremony. Mrs. Rena Grounds, sister-in-law of the bride, was the maid of honor, and First Sergeant H. P. Vickery acted as best man. The bride expects to follow her husband to the Mexican border after the guard arrives at that point of defense.—Dallas Observer.

SELLS ROCK CRUSHING JOBS

George Stewart has sold to A. B. White of McMinnville his contracts, granted at the last session of the county court, for rock crushing at the Falls City, Mays (Salt creek) and Butler quarries. Though he would not state the consideration, Mr. Stewart says he will be able to put his prime land in thorough cultivation, the thing he wanted to do if the actual profit from the contracts panned out the way he had figured them.—Dallas Observer.

PENNANT RACES ARE GETTING VERY CLOSE

Boston Braves Climbing, Five Teams Each Have a Chance For It

New York, June 26.—The rush of the Boston Braves in the National league and of the Boston and New York teams in the American has tightened the pennant races today and has threatened seriously the leads of the Dodgers and Indians. On Wednesday, the Detroit Tigers slipped into a tie for first place in the American league only to be driven back to the fourth position where they are today. The Phillies got to within four points of the Dodgers on Tuesday but fell back the latter part of the week, while the Dodgers redeemed their poor work of the early part of the week by winning two double headers on Thursday and Saturday.

The work of the Yanks featured the weeks play and brought them to within half a game of the Indians. Heavy hitting and good fielding won seven games for the New Yorkers as against two defeats.

Bill Carrigan's world champs, with six victories and only one defeat, climbed to a secure berth in third place, while Washington, losing five and winning three, slipped from second to fifth place during the week.

The return of Evers Braves second baseman to the game, put Stallions team on its feet and the Braves fought a several extra inning game through to victory.

Paddy Bauman of the Yanks and Long of the Cardinals took slugging honors, with five hits each out of five times at bat.

Moran-Dillon Bout

New York, June 26.—The most important battle the fistio world has seen since the Willard-Moran fight will be staged at Washington Park, Thursday, when Moran again appears with Jack Dillon, the Indianapolis "man killer" as his opponent.

Indications today are that the bout will draw even a larger crowd than that which witnessed Moran's defeat at the hands of the champion. Dillon will go into the ring confident of success, while Moran is using the advantage of a "good big man beating a

good little man," to back his statements of victory.

The Bantam Champion

Portland, Or., June 26.—Johnny Coulon, former bantam-weight boxing champion of the world, will arrive in Portland Thursday for his six round bout with Billy Mascott on July 4. After meeting Mascott, Coulon probably will go to Seattle, where another bout has been tentatively arranged.
