Lenses Must Be Changed

Lenses do not wear out, but eyes do. Time changes every part of the body, the eye with the other organs. But the usual changes in the eye can be neutralized by the use of lenses properly fitted.

Those in need of glasses should call at 211 E. S. National Bank Bldg., DR. MENDELSON'S office—where lenses, frames and mountings are fitted with skill and care.

H. L. Harper of Turner, lived in Mexico for some time prior to two years ago, where he was superintendent of a large ranch near the disturbed border. His sister is still in that vicinity, the wife of Bud Parker, whose brother, Wm. Parker and brother of a month were murdered by raiding Mexicans only a few days ago, according to late press dispatches. Mr. Harper has many photographic scenes of Mexico, picture of rebel bands to camp and on the march, which he took himself, and is naturally much interested in the Mexican situation. He sympathizes with the rebels because the large land grand holders have made virtual slaves of them, but believes them incapable of self government at the present time. He thinks this country must intervene in order to solve the trouble of the unhappy country.

At a meeting of the several relief committees held last night at the Commercial club, it was decided to call a meeting of all relief and patriotic associations for next Wednesday afternoon at 2 o'clock at the Commercial club, when ways and means of raising funds for the relief of the families of the boys in khaki will be discussed. Also arrangements made for the mass meeting to be held in the armory, whereby patriotic officers will be given an opportunity to pledge a certain amount each month. It is now developing that it is desirable to have all relief societies unite and work with the Salem Social Service Center in the distribution of the relief funds, especially as this organization already has a secretary Ivan J. McDaniel, who is familiar with relief work in the city.

Claude Steustoff and Adolph Greenbaum will take the examinations today required by the U. S. naval authorities for entrance to the naval training academy at Annapolis. The examinations are being held at Eaton hall under the supervision of P. O. Kuntz. The young men had already taken the physical examination at the office of Drs. Morse and Robinson. Claude Steustoff is the son of Mr. and Mrs. W. H. Steustoff and Adolph Greenbaum the son of Mr. and Mrs. Isadore Greenbaum.

Colonel Charles Varnum of Portland of the regular U. S. army will arrive here Monday to establish a recruiting station. Now that a recent bill passed by congress permits an army of 250,000, the war department is offering several attractive features. After one year's service, those who can pass the physical and mental examinations and are between the ages of 19 and 22, will be sent to West Point and educated for commissions in the regular army.

Now that the warm weather is here or should be here according to the almanac, the thirty six are receiving more shipments of beer, amounting to the winter months. A total of 47 shipments were made into Salem during June, with about 400 of these shipments, or 800 quarts calling for whiskey. Hornbrook seems to have lost its hold on the anti-prohibitionists, as quite a number of assignments are now being made from San Francisco.

Salem Rifle Clubs Meet Monday Night
A meeting of the Salem Rifle club military company will be held Monday night, July 3, at 8 p. m. in the old armory over the city hall. It was the intention to postpone this drill on account of Cherry fair, however, so much protest has been filed with Captain Rosenberg that he has issued the call for all members to be present.
The membership to this organization is growing rapidly, close to 150 men being enrolled now and new members joining daily.

Dr. Alice Bancroft, New Breyman bldg Eye and nerve specialist.
President W. J. Kerr of the Oregon Agricultural College (telegraphed Benjamin Brick last evening that he would accept the invitation to deliver an address at the All-Oregon grange picnic, to be held in Marion square Monday morning. His address will be delivered about 11 o'clock.
Dr. L. G. Altman, homeopathic physician, 206 N. Liberty, Phone 147.
The official month for the reports of rainfall ended last night at 5 o'clock. Hence the .82 of an inch rain that fell last evening will be credited to July, which is making considerable of a start, considering that the total rainfall for the month of June was only 1.32 inches.
Dr. R. T. McIntire, physician and surgeon, 214 Masonic Bldg. Phone 449.
C. A. Newbill is in the city, from Melama. He is interested in placing mining in that section near the property of the Black Eagle Mining company, 17 miles east of Melama. He has had 16 years experience mining in Alaska and thinks that all Oregon needs is some of the booming spirit of the far off country.
Dr. Stone makes no charge for consultation, examination or prescription.
The Floral Society members will be recognized at the armory next Monday by the wearing of pink badges printed in gold. Members may secure these badges free by calling on Mrs. Leonia Peterson at shipley's next Monday at this evening. The society will make an endeavor to secure several hundred new members during the fair.

Sealed bids will be received by the undersigned until Friday, July 7, at 2:00 o'clock, p. m., for the delivery of one hundred twenty-five (125) cords of large second growth fir wood to be delivered before October 1, 1916. The court reserves the right to reject any or all bids.

Members of the Auxiliary of the Salem Rifle club who are anxious to drill will have a chance, notwithstanding the other attractions in the city Monday evening. Arrangements have been made whereby the old armory, on the third floor of the city hall, has been secured for Monday evening, and those wishing to go through the army tactics will find officers there, ready to begin at 8 o'clock.

When to Consult an OPTOMETRIST
When your eyes tire and when the print blurs or becomes dim after reading; when you involuntarily frown or squint when looking at an object; when the eyes smart, ache or water; when they get inflamed frequently; or when there are pains in the eyeball or orbit; pains in the temple, forehead, or at the base of the brain, that cannot otherwise be accounted for.
We would be pleased to have you call and let us explain how such conditions can be relieved with properly fitted glasses.
