### SYLVESTER LONG, MAN WHO SAYS THINGS

Prominent Lecturer One of Popular Speakers in America Today

A MAN'S success in this day and age depends a great deal on whether he can "come back." The man who can "come back" and make a bigger success than ever before is the man who forges ahead and in the end has won a way into the hearts of the people.  
Sylvester A. Long is a man who can "come back." He is one of the lecturers on the Chautauqua, and he "puts it over" in a way that is unusual. He is so well liked over the country that he has lectured in some cities as many as fifteen times, and that is an unusual record. Mr. Long has lectured in Cincinnati, Portland, Kansas City, Ogden, Philadelphia and dozens of other large cities. Mr. Long will be in demand here after he has been heard at the Chautauqua, for Mr. Long says things and says them fast and well.

### SALEM'S CHAUTAUQUA OPENS JULY 12TH

#### Stopped Mexican Boat in Mexican Waters

Douglas, Ariz., July 3.—General Calles, Sonora, commander, has wired General Carranza that an American gunboat halted and boarded the Mexican government freighter Belisario Dominguez, while enroute from Mexican port with provisions yesterday, it was learned here today.

Calles ordered that a protest be sent to Washington on the ground that the vessel was stopped in Mexican waters.

#### Cavalry Returned.

San Antonio, Texas, July 3.—The two troops of the Eighth cavalry under Captain LeRoy Eiling, which crossed the Rio Grande into Mexico near Fort Hancock late Saturday in pursuit of Mexican raiders, lost the trail and returned to the American side, according to dispatches received here early today.

#### TACOMA HAS PARADE

Tacoma, Wash., July 4.—It was estimated that more than 10,000 persons would take part in the preparedness parade which began passing through Tacoma's downtown streets at 10 o'clock this forenoon. Several times that number lined sidewalks and cheered the men and women who gave expression to their convictions on national preparedness by getting in line. Each marcher carried an American flag. Local coast artillery companies and fraternal organizations took part in the parade.

#### ADD \$25,000,000

Washington, July 4.—Twenty five million dollars will be added to the more than a billion and a half appropriated or due to be, by congress when the house public building committee reports on Wednesday despite known opposition of President Wilson to public building bills this session.

#### TROOP CARS DERAILED

San Antonio, Texas, July 4.—Several cars of a troop train were derailed near here by a loose rail shortly after midnight. No one was injured. Hearing that San Antonio was the home of 50,000 Mexicans, and fearing an attack, the militia commander disposed his men for any hostile action until the train was ready to proceed several hours later.

#### SPANISH MINISTER PRESENTED

Mexico City, July 4.—Alejandro Padilla Bell, new Spanish minister, was formally presented to General Carranza today by Foreign Minister Aguilar.

### SAME FOURTH FORGOT TO VISIT THE BORDER

#### Everything That Would Make A Noise Turned Loose at Midnight

San Antonio, Texas, July 4.—While a "same Fourth" was being observed back home, the several thousand national guardsmen distributed along the Mexican border from Brownsville to El Paso joined civilians and United States regulars in a celebration that called for the burning of lavish quantities of black, smokeless and blasting powder and even dynamite. Carranza authorities in the Mexican towns on the Rio Grande anticipated the annual "fiesta" incident to the "cuatro de Julio" of the crazy gringos, and the furious cannonade that began with the stroke of midnight caused no fear that the American army was starting an artillery preparation for a general advance.

The centers of noise were the big military camps at Fort Sam Houston, Brownsville, Laredo, Eagle Pass and El Paso. But smaller towns and little hamlets with garrisons of only a handful of soldiers contributed their quota to the pandemonium. Round after round was fired in the air from rifles and pistols, while the three inch field pieces barked a single salvo of blank charges at dawn.

After the first noise making spree early today, soldiers and civilians alike settled down to lesser efforts. Fire crackers, "nigger chasers" and the time-honored "nails" got their chance. In the larger places, formal speech making programs were run off and athletic contests and baseball games filled in the day. Special menus were served in all the military camps. Municipal fireworks displays will be staged tonight.

### EAGLE PASS TO HAVE CHAPTER OF RED CROSS

#### Several Hundred Enrolled—Government Gives \$16,000 for Hospital

Eagle Pass, Texas, July 4.—The names of several hundred persons who have enrolled as members of the local chapter of the American Red Cross were forwarded to Washington today. The Eagle Pass organization was effected at a mass meeting in the court house last night. Mayor Schmidt was elected temporary chairman.

The government has appropriated \$16,000 for a base hospital here and work will begin on the building tomorrow. Offers were made at the mass meeting to turn over school houses and other public buildings to the government for use as hospitals in case of war.

Independence day found Eagle Pass surrounded by a heavy guard, thrown out for several miles around the city and along the Rio Grande river.

Rumors of attempted raids by Mexican bandits in the vicinity caused some consternation and immediate steps for protection against a surprise attack were taken. Rangers and civilians were routed from their beds last night to make complete the guard about the city.

Atop the mountains overlooking Mexico; two batteries of artillery have trained their guns upon Piedras Negras. Lookouts have been posted on the mountain tops and all is in readiness to repel any attack.

General Green, in command of the Eagle Pass district has his forces prepared to move at once upon orders from General Funston.

### Eugene Postoffice Receipts Increase

Eugene Or., July 4.—Eugene postoffice receipts for the month of June, 1916, increased 6.6 per cent over the same month of last year. This is the best June in the history of the Eugene postoffice.

Since October 1, 1915, the increase has averaged from 1 to 10 per cent each month over the corresponding months of the preceding year. The last four consecutive months have been record breakers for the Eugene postoffice.

In the face of business conditions that in some places have been discouraging, Eugene has been forging consistently ahead.

#### AUTO GOT DOCTOR

Waukegan, Ill., July 4.—Dr. Leonard K. Lower of Chicago was killed and his wife seriously injured this afternoon when their automobile plunged over an embankment near here.

There is to be co-operation between the two branches of national defense, for army men are to assist on navy beans.

### MORROW COUNTY SHOWS PROGRESS IN SCHOOLS

#### Percentage of Attendance High and Length of Term Increasing

The public schools of Morrow County are making steady progress as shown by the annual report of County Superintendent S. E. Notson, which has just been filed with Superintendent of Public Instruction J. A. Churchill. The report shows that the average length of the school term just closed, was nearly two weeks longer than that for the year 1915, and the percentage of attendance was 95, showing that the pupils attended school regularly. There was also an increase in the salaries paid teachers. Female teachers received an average of \$69.25 per month, an increase of \$3.70 per month over the salary paid in 1915, while the salaries of principals was increased from \$125 per month in 1915 to \$154.35.

In his annual report, Superintendent Notson made several recommendations as follows:

First: The minimum term of school should now be made eight months.  
Second: Whatever practicable, especially in the consolidated rural schools, one or more teachers should be employed for 12 months in the year. These teachers should use the usual vacation period in supervising the industrial work of the pupils and in assisting the entire community in solving the community problems. Some form of extension work should be carried on during this period, and, in fact, throughout the year. During the vacation period, except during the busy harvest time, there might be one or two half-day sessions of the school for the purpose of making the summer work more effective. The older people might also attend these sessions.

Third: The high school tuition tax should be levied upon the State as a whole, since the pupil may attend any high school.

Fourth: Provision should be made by law for including all unorganized territory within school districts, otherwise making it possible to make the property within such territory bear its just share of taxation.

### STATE NEWS

Willapa Harbor Pilot: The Nahcotta Cannery company of Nahcotta closed the extended season last Wednesday with a season's pack of approximately 9000 cases, or approximately 432,000 of what is known as No. 1 cans. During the season about 30 people have been employed. This has furnished a very substantial payroll to the residents of that town. The value of the cannery to the town may be estimated by the statement that the payroll for May amounted to \$3000. Mr. Northam says that the June payroll will exceed this amount. The season had been extended from June 1 to June 23 owing to the lateness of the season and the cool spring and summer. Needed repairs and overhauling of the plant machinery will be made during the closed season. September 1 the cannery will resume with a full crew and at capacity run.

R. L. Macleay, of Portland, and Wedderburn, is experimenting with a grade of oak which grows on large areas along the lower Rogue river, and although he has encountered heavy expense and great delays in forwarding lumber to Portland for woodworkers' expert opinion as to its value for furniture manufacture, he is encouraged to believe that the oak is of a high-grade and can be sawed and shipped profitably from Rogue River to market. It is Mr. Macleay's intention to cut the lumber in portable sawmills and saw it down the Rogue to Wedderburn, where it can be transferred to craft which make that port.

The passing of the old swimming hole at Corvallis may be noted from this announcement in the Courier: "The bath houses on the west bank of the river are now ready and it is a fine place to go for an afternoon or evening plunge. Safety ropes are provided and an expert swimmer is in attendance. This beach will no doubt be a popular resort this summer."

Consolation for Forest Grove altruists, offered by the News Times: "The only satisfaction anyone in charge of the various public affairs held in Forest Grove gets is that the hard work they do free of charge meets with the approval of the great majority. And the knacker who is always saying something disagreeable, while taking in everything that is free doesn't count anyway."

"Coo's Bay Railroad Jubilee" is to be the official title of the coming celebration to mark the completion of the rail line to that coast. Of 45 slogans proposed, eight were submitted to the people on a newspaper ballot, for a popular selection.

A game protective association for Wheeler county has been organized at Fossil, with Fred A. Edwards president, H. H. Hendricks vice president and C. L. Jamison secretary and treasurer, and immediate steps taken toward stocking that section with fish and game.

Anticipating the triple rose that in Portland blows, the Sheridan Sun of June 22 contained this item: "Some peculiar roses were picked by Mrs. Sam Baell on George Sunderland's lawn last week. They were roses within roses, and one of them had five well developed buds and roses within a single larger rose."

### Monmouth News

(Capital Journal Special Service.)  
Monmouth, Ore., July 2.—The second week of the summer course at the Oregon State Normal school closed with a total enrollment of seven hundred and ninety-three. There is no doubt but that this number will reach the eight hundred mark before the end of the six weeks as more students are registering every day. Every student seems to take such great interest in their work and the spirit which prevails in the school is fine.

On account of the desire of many of the normal students to be home or at a place of celebration on July 4, the regular school work took place on last Saturday which relieves the students of their school duties on Monday and Tuesday. The students will report on Wednesday morning for regular class work.

The band concert which was to be given in the normal grove on Saturday evening at the Salem band, was postponed until the weather will permit such an outdoor festivity.

Provided that a sufficient number of the normal students are interested there will be an excursion to Dallas next Saturday evening to hear the New York Marine band at the Chautauqua.

Last Saturday night the normal students enjoyed a social dance in the normal school gymnasium from 7:30 until 9:30. The orchestra played lively music and everyone had a splendid time. During the same recreation hours Miss Hoham, musical instructor in the school, played the Victor phonograph in the assembly room of the training school building. Many students who do not dance appreciated the thoughtfulness of Miss Hoham very much.

The Rebekah lodge of Monmouth was called Saturday evening for a special meeting. Mrs. Wattenburg, the state president of the Rebekah assembly was the visitor and the speaker of the evening. She gave to the Rebekahs a great deal of information which will prove to be valuable to them in their lodge work and her visit was appreciated very much. After the business session refreshments were served and the time was spent in social conversation.

Mrs. Charles Jackson, one of Monmouth's most respected women, died at her home in this town last Monday morning. She had been ailing for a considerable length of time but her final sickness was only three days. The funeral services were held at her residence on June 27, by Rev. G. A. Polard, pastor of the Baptist church, in Monmouth, of which she was a loyal member. Besides her husband she leaves five daughters to mourn her loss: Mrs. Ethel J. Powell, Edith, Sadie and Winnie, of Monmouth, and Edna, of Portland.

Last Sunday morning at 9 o'clock Byron White and Miss Marie Moran, of Monmouth, were united in marriage at the home of the bride's parents, Mr. and Mrs. A. B. Moran. The wedding ceremony, performed by Rev. G. A. Polard, of the local Baptist church, was a very pretty one. The happy couple will live in Monmouth this summer. In the fall they will move to Tillamook where Mr. and Mrs. White will teach school. The following relatives and friends were present at the wedding: Mrs. Olive Gordon, of Portland; Mrs. Hartzog and daughter, Clara and Delphia, of Corvallis; Mr. and Mrs. A. B. Moran, Howard and Pauline Moran, Mr. and Mrs. J. W. White, Mr. and Mrs. Earl White, Mr. and Mrs. Bert Cross and son, Clyde; Misses Mabel West, Myra Butler, Gladys Wade, Clara Wade, Gertrude Heffley, Gladys Putnam, Beta Marks, Gladys Thompson, Messrs. Joe Clark and Harold Haley.

The following people of Monmouth made a trip to Philomath last week and enjoyed the Round-up which took place there: Messrs. and Meslimes Allen Clark, Clark Hembree, Earl White, Clyde Kiddle and Messrs. Paul Riley, J. W. White, Lyman Parker, Ben Pollan, Ed Huber, C. H. Parker, Clarence Daniel, Arthur Burkhead, Clares Powell and Joe Clark. They all report that the Round-up was a very exciting event.

Miss Hoham, the music instructor in the normal school who was ill during the past week with ptomaine poisoning is now able to do her regular work in the school for which the students are all very glad.

Mrs. J. H. Ackerman returned to Monmouth last Wednesday from a trip to the east. She was away about 10 weeks and visited in Massachusetts, New York and Pennsylvania.

Mr. and Mrs. H. Portwood left Tuesday for the purpose of visiting places in Curry county. Mr. Portwood's place in the Monmouth Mercantile company has been taken by Charles Strong in the grocery department and Mrs. Williams in the dry goods department during his absence.

Mrs. Mary Wolf, who resided on Main street, has sold her property to Josiah Wills, a graduate of the Oregon State Normal school. In the near future Mrs. Wolf expects to go to an old ladies' home.

Mr. Floyd Moore and Miss Madge Thomas, who have both been away teaching during the past school year are home for the summer attending the normal school.

The hike which the Willamette Camp Fire Girls, of Monmouth, had planned for last Friday evening, was postponed on account of the rainy weather.

The different groups of normal students which are county groups are each planning to give some sort of a social feature during the summer school in Monmouth. Two nights of the last school week will be used for this special program.

Jackson County Industrial Fair association held in Medford Monday, arrangements were made for the 1916 fair to be held in Medford, and the date set for September 13 to 16 inclusive.

The Pendleton Chamber of Commerce has received a letter from the Cleveland Machinery and Supply company asking for a quotation on a carload of rabbit skins.

When T. R. takes the stump for Hughes, the colonel will have another chance to repudiate the "Baptist hypocrite" statement attributed to him.

### Donald News

(Capital Journal Special Service.)  
Donald, Ore., July 3.—The Donald Co-operative Cheese factory has rounded out the first month of its existence in a manner that is very satisfactory to the stockholders and patrons of the institution. Checks for milk sold to the factory by patrons will be issued on the 15th of July. The factory is now handling over 3,000 pounds of milk per day, with every prospect of having all that can possibly be handled with the present equipment within a short time.

Many of the farmers are taking steps to increase their dairy herds, and quite a number of others who have not kept cows extensively will now embark in the business, the outlook, in fact, being quite flattering for the future of the factory. The first shipments of cheese have been made to wholesale houses and the product has been declared to be first class.

Glenn Garrison who has charge of the Hillis loganberry tract, is completing arrangements for a busy picking season. A juice factory has been contracted for the crop for five years.

The First State bank of Donald is now a depository of county funds, the necessary arrangements having recently been completed. The bank is one of Donald's newer business institutions, having been started last September, since which time it has been doing a steady increasing business.

It is understood that Donald is to have a hardware store in the near future. J. L. Reiskiek, of Portland, having been here recently, when he made arrangements for renting a building for that purpose. Donald citizens are also endeavoring to get a drug store and a doctor to locate in the town.

C. A. Adams, cashier of the First State bank, was a recent Portland visitor.
