Stayton Churches Observes Day of Independence

(Capital Journal Special Service.) Stayton, Ore., July 5.—The churches of this city observed Independence Sunday, July 2. R. L. Putnam, pastor of the Christian church, preached on "Christian Citizenship" at the morning service and the M. E. church gave a patriotic program in the evening. Their chief speaker was Attorney S. H. Heltzel. His subject, "A Broader Perspective of Patriotic Citizenship."

Mrs. Carey Nott, of this city, received a message yesterday that her mother, living in Vancouver, Wash., was seriously ill with pneumonia.

Harvey Carlson, living on the old Tom Darby place west of town, met with a serious accident yesterday afternoon. While engaged in tearing down an old barn a board with a nail in it fell and struck him near his eye, badly bruising the eye ball and tearing an ugly gash downward on his cheek. Dr. Beauchamp was immediately summoned and found it necessary to take seven stitches in order to close the wound.

The Christian Endeavor society of the Christian church held their monthly business session and social hour last Friday night at the T. B. Riggs home west of town. Besides the regular business the following officers were elected for the ensuing term: President, Miss Wilma Ware; vice-president, Alfred Herring; secretary, Miss Nora Crabtree; treasurer, Tom Taylor; pianist, Miss Idris Russell; chorister, Ward Holford.

A number of Stayton people were in attendance at the Cherry fair yesterday.

John Downing went down to Salem yesterday on business and while there visited Geo. Downing, who recently suffered the third stroke of paralysis. He reports the old man in a serious condition.

Stayton will be nearly vacated today. Some are planning on celebrating here and some there.

Mr. E. L. Putnam and family will accompany Mr. H. C. Von Behren and family to Turner and Salem for the celebration.

E. B. Lockhart has announced his intention of going to Mills City to celebrate and witness the ball game between Mills City and Stayton.

Mable Crabtree is carrying a broad smile since the arrival of a bouncing baby boy to their home last week.

Fruitland News

(Capital Journal Special Service.) Fruitland, Ore., July 5.—Miss Marie Fliegel and Miss Grace Baker have moved to South Salem during the log-harvest season.

Miss Marguerite Walker and her father have been visiting with their former neighbors here the past week.

Misses Hazel and Zina Lambert and their two brothers, Roger and Lowell, who reside at Perrydale, were visiting a few days with the Runner and the Slocum families.

Clinton Witham has bought another Ford, selling his other one back to his father.

The large amount of rain lately is very bad on the clover hay, making it decay next to the ground.

Fred Coulson, who recently lived here is now working at the Lofu factory in Salem.

Rose, Alice and Elmer Otterbein moved to the log-harvest patch last week and are picking for Mr. Leutz on the Macey road.

Officer—Why did you order your prisoner to sit down here?
Soldier—Cos o' the thistles, sir.

Marion News

(Capital Journal Special Service.)

Marion, Ore., July 5.—Marion people enjoyed a regular old-fashioned Fourth of July celebration this year, beginning at 10 o'clock in the morning with a good program and lasting all day. The Cherrybud band of Salem had been engaged for the day and their generous number of selections added much to the day's enjoyment. They are a splendid "little" band.

After a number of selections by the band the following program was given:

"America," everybody.

Invocation, Rev. L. C. Russell.

Address of welcome, Mr. Wm. Watson, officer of the day.

Song, Hilda Thomas.

Reading of the Declaration of Independence, Mrs. L. C. Russell.

Music, band.

Recitation, Mrs. Terhune.

Duet, Mrs. Dunbar and Mrs. Russell.

Flag drill by 11 girls.

Address, Hon. Chas. Galloway.

Music, band.

After the program everyone enjoyed a bountiful basket lunch. The crowd then went to the ball grounds where the races were run, and later a very interesting baseball game between Marion and Shaw was played. The players were full of vim and it was a close game but finally Marion won with a score of 9 to 8.

Good crowds were present from Jefferson, Shaw, West Stayton and other local points. It was estimated that nearly 400 people altogether enjoyed the day's pleasures. Fireworks in the evening completed the day.

A number of Marion people took in the Cherry fair at Salem Monday, among whom were Mr. and Mrs. Bennet Pearson, Lucy and Marjorie Barber, Mr. Wm. Palmer, Mr. John Christopher, Raymond Colgan and Miss Florence Dixon.

Mrs. Hattie Barker and children of Salem, who have been visiting her sister, Lucy Barker, returned to their home last Saturday.

Miss Florence Dixon, of Eugene, is visiting her aunt, Mrs. Lovetz.

Mr. Enos Pressnell returned Tuesday evening from a business visit in Salem.

We understand Marion is to have a new blacksmith shop in the near future. We believe the proprietor will succeed as Marion certainly needs such a shop.

Rev. Heathcote, pastor of the Presbyterian church, was away last Sunday so most of the Presbyterians attended services at the Friends church.

LATE HETTY GREEN WAS WORLD'S GREATEST WOMAN FINANCIER

Mrs. Hetty Green, ablest woman financier of America and probably in the entire world, was born 80 years ago, on November 2, 1835. She is not entirely, as is sometimes believed, a "self-made woman," for her father, who died in 1865, left a large fortune to her. She has, however, increased it many times by her skill and judgment as a financier.

"Who's Who in America" says Mrs. Green "is said to be the richest woman in America and probably the greatest woman financier in the world; interested in nearly every large corporation and enterprise of magnitude all over the world; personally manages her large property in stock, bonds and real estate in Chicago, New York and elsewhere." Mrs. Green's husband died in 1902 leaving a son and daughter besides his widow. The son is Edward Howard Robinson Green, unmarried, of Tex. and New York; the daughter is the wife of Mathew A. Wilks, of New York.

Doctor—How do you feel, Colonel, when you have actually killed a man?
Colonel—Oh, not so bad. How do you feel—Punch.

In the Early Stages of Tuberculosis your chances for defeating this dreaded affection depend largely on your ability to restore normal body functions.

To do this, one requirement is proper attention to diet and pure food. Also rest and fresh air, day and night.

Where the system is run down and likelihood of serious consequences thus increased, Eckman's Alterative may prove beneficial, as it has in many cases.

This is a lime treatment—but un-pleasant. For here the lime content is so combined with other ingredients as to be easily assimilated by the average person.

A trial can do no harm, since Eckman's Alterative contains no poisonous or habit-forming drugs. At your druggist's.

MRS. HETTY GREEN

Paterson, N. J.—"I thank you for the Lydia E. Pinkham remedies as they have made me feel happy and healthy. Some time ago I felt so run down, had pains in my back and side, was very irregular, tired, nervous, had such bad dreams, did not feel like eating and had short breath. I read your advertisement in the newspapers and decided to try a bottle of Lydia E. Pinkham's Vegetable Compound. It worked from the first bottle, so I took a second and a third, also a bottle of Lydia E. Pinkham's Blood Purifier, and now I am just as well as any other woman. I advise every woman, single or married, who is troubled with any of the above-mentioned ailments, to try your wonderful Vegetable Compound and Blood Purifier and I am sure they will help her to get rid of her troubles."—Mrs. ELSIE J. Chicago, July 5.—Statistics compiled by the Chicago Tribune today show 12 were killed and 400 injured in Fourth of July celebrations. This is a favorable comparison with last year's record when 19 were killed and 903 injured.

Fatalities occurred yesterday at Anson, Mass.; Glassboro, N. J.; Jacksonville, Fla.; Lee, Mass.; Natrona, Pa.; Portland, Ore.; Saratoga, Pa.; Toledo, Ohio; Waverly, Ohio; Worcester, Mass.; two at Wheeling, W. Va. Philadelphia held the high total for number injured with 50. Bridgeport, Conn. was second with 45.

Chemawa American Issues Fine Number

The commencement number of the Chemawa American, the monthly magazine published at the Salem Indian Training school at Chemawa contains several articles not only educational and historical, but also of a practical nature.

"Tailoring Demonstration," by Earl Nuckolls, describes the details in the process of learning the tailor's trade beginning with the teaching of a boy the correct method of holding a needle to that of fitting garments, the removing of bastings and the final inspection.

Home economics are treated in an article by Rosa O'Brien on "Cooking Demonstration." In order to give a practical demonstration the article tells of the correct way of making a plain cake beginning with the proper care of the pans to the adding of the final flouring.

"Yesterday and Today With My Tribe," is an interesting historical contribution to the June commencement issue by Daniel N. Thomas. The article is descriptive of the Pima Indians in southwestern Arizona. This tribe constructed canals for irrigating purposes, and were skilled and successful farmers. But with the arrival of the white man and his desire also for water, the prosperity of the Indians waned until now they are reduced to extreme poverty.

"Housing and Health," tells of the intimate connection between good health and rightly constructed houses, referring to the series of model homes to be erected in Washington City.

The magazine also notes the fact that on account of the poor health of Mrs. Wadsworth, wife of the superintendent, it was thought best she should live in a mild climate. For this reason, Superintendent Hall, of San Jacinto, Cal., and Mr. Wadsworth exchanged. By this exchange, Mr. Wadsworth will have the superintendency over a dozen mission Indian reservations in Santa Barbara, Los Angeles and San Diego counties. Mrs. Wadsworth will remain for a time at Chemawa, under the care of Dr. Burgess.

GO TO THE RESCUE

Don't Wait 'till It's Too Late—Follow the Example of a Salem Citizen

Rescue the aching back. If it keeps aching, trouble may come. Often it indicates kidney weakness. If you neglect the kidney's warning, look out for urinary disorders.

This Salem citizen will show you how to go to the rescue.

Mrs. G. H. Deacon, 1408 Mission St., Salem, says: "It has been a long time since I have taken Doan's Kidney Pills, but speaking from past experience, I can say that they are a medicine of merit. I had a dull pain across my kidneys and at times it was very severe. After I had taken Doan's Kidney Pills a few days, that disagreeable ache disappeared. My back and kidneys have caused me but very little trouble since."

Price 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Deacon had. Foster-Milburn Co., Props., Buffalo, N. Y.

Stock Market Lively Prices Advancing

New York, July 5.—The New York Sun financial review today said: Speculative sentiment was favorably impressed over the holiday by the marked improvement in the Mexican situation and by an optimistic statement issued by Judge Gary on the eve of his departure for the far east, concerning the iron and steel industry.

The announcement that General Carranza's reply to the American ultimatum would be of a conciliatory character, a prediction which was fully borne out when the text of the message was made public, influenced a strong opening and acted as the chief sustaining force as the session progressed.

Opening 1 3/4 points higher, Mexican Petroleum moved up nearly four points in the early trading. American Smelting and Refining started with a fractional improvement, which extended to about two points later on, and United States Smelting scored an early gain of about 1 1/2 points.

United States steel registered a wide opening with an advance of 5/8. The stock was actively bought at the outset, which was associated with the prediction that the earnings for the June 26 quarter would establish a new record and that unfilled orders were in excess of ten million tons.

There was a rather pronounced contraction of activity in the afternoon and the list developed an irregularly easier tendency in the late trading.

WHILE CELEBRATING DID NOT FORGET BOYS

Great Crowd at Fair Grounds Votes to Send Telegram to Soldier Boys

In the midst of local patriotic celebrations Salem did not forget its soldiers yesterday—those who left a week ago for the border.

Chairman Ben Brick of the Cherry fair committee, on Rev. James Elvin's suggestion, put the matter of sending a telegram to the boys before the crowd at the fair grounds at the close of Senator Fulton's address. The crowd went wild. Later the following telegram was dispatched to Captain Gehlhar at San Diego:

"Rejoicing at the fair grounds this Fourth of July Cherry fair day, 20,000 people who love you better than you know, have passed an unanimous resolution that this telegram be sent you informing you that our hearts throbb at the thought you cannot be with us this day and to further inform you that we are always thinking of you and praying for your earliest victorious return."

In response the following message was delivered to Mr. Brick:

"San Diego, Cal., Benjamin Brick, Salem, Ore.: The officers and men of Company M appreciate heartily your message and the expression of friendship on the part of our home folks in Oregon. It is gratifying to realize that we have your support. We will try to merit your approval always and make a record of which Salem may be proud. Max Gehlhar, Captain Company M."

Sabin Is Elected Trustee In Bankruptcy

Creditors of the Chicago store met last Monday in the offices of Pogue & Page and elected R. L. Sabin trustee in bankruptcy. A. M. Cannon, of Portland, referee in bankruptcy, was also in the city Monday and secured testimony of McEvoy Brothers and other witnesses as to the cause of the failure.

The evidence showed that McEvoy Bros. had been paying in rent \$500 a month; electric lights, \$125 a month; clerk hire, \$1,300 a month, expending in Salem altogether about \$2,000 a month for overhead expenses.

It also developed that as the sales were not sufficient to meet expenses and pay creditors, special sales were put on during the months of February, March and April and that from these sales, the sum of \$28,000 was realized. This reduced the stock to about \$17,500, leaving the firm owing about \$35,000.

The stock was sold in bankruptcy proceedings July 1 by the U. S. district court of Portland, Gale & Son of that city being the highest bidder, with an offer of \$10,117.01. It is understood this firm makes a business of buying bankrupt stocks. Several Salem firms submitted bids but their figures were about \$2,500 under the Portland firm.

United States Steel Will Cut Big Melon

New York, July 5.—United States steel was the talk of Wall street today, bears and bulls contributing their theories while steel advanced 7/8 to 8 7/8. Prospect of declaration of an extra dividend of one to three per cent on the common stock at the directors' meeting July 25 was generally discussed. Estimates of earnings for the second quarter range from \$70,000,000 to \$80,000,000, which, it is figured, would leave a surplus of about \$50,000,000 for dividends and reserve fund. Against the figures there also appeared estimates that the monthly unfilled orders reported Monday will show a decrease, due in part to the fact that construction orders have been held up pending settlement of the Mexican situation.

INFANTILE PARALYSIS IS SERIOUS PROBLEM

Seventy New Cases Reported Up to Noon Today, Other Cities Alarmed

New York, July 5.—The epidemic of infantile paralysis in Brooklyn and New York today assumed the proportion one of the most serious problems the health authorities have been called upon to meet in years in the saving of human lives.

Seventy new cases of children suffering from the disease were reported up to noon. This is the largest number of new cases reported in a single day to date. Seven additional deaths were reported, all in Brooklyn. A total of 57 new cases were reported to the health department during the last 48 hours and of this number 48 were in Brooklyn.

The total number of deaths reached 35 at noon, and the total number of cases reported in Greater New York was increased to 617.

Reports reaching the health authorities and city officials today indicated that the parents of upward of 10,000 children were arranging to take them out of New York in an effort to escape the disease.

At the same time reports came in of precautionary measures, taken by New Jersey cities and other nearby towns. Moving picture theatres are still closed to children and the ban will not be lifted until disease is stamped out.

Chicago Takes Precautions. Chicago, July 5.—Every baby en route to Chicago from the east today was examined at railway stations by Chicago health authorities searching for traces of infantile paralysis.

Determined to prevent spread of the epidemic in New York to Chicago, Health Commissioner Robinson planned to place 18 physicians at work watching trains from New York.

There are now only three cases of infantile paralysis in Chicago, Robinson said.

Yeggman Wound Four and Escape with Swag

St. Marys, Mo., July 5.—While a woman stood guard, three yeggmen early today blew the safe of the St. Mary State bank, escaping with \$2,400 after wounding four persons.

City Marshal Best was shot through the lungs, probably fatally and three others were wounded while trying to stop the robbery. The gang came here from Topeka in a motor car. They cut the telephone and telegraph wires before entering the bank.

Nine Salem Boys Off for Great Vacation

Nine boys left Albany over the S. P. this afternoon in charge of Clinton E. Ostrander, boys secretary of the Y. M. C. A. The company is on the way to Cascadia for a two weeks' camping trip.

At Albany the lads were met by representatives of Albany women's organizations who served dinner. Immediately after the company left for Lebanon the journey to Cascadia will be made afoot, a distance of about fifteen miles.

During the two weeks' stay the boys will devote themselves to fishing, swimming and games. There is to be a daily session of bible study lasting twenty minutes. Instruction in first aid work and other subjects will be furnished by competent instructors.

Those making the trip today were: Wynham Boren, Phillips Elliot, Irving Roberts, Madison Landers, James Bunnell, Herbert Darby, Harold Cook, Miller Cooper, and Royal Moore.

Wolcott Buren, who was to have been in the party, was detained because he cut his knee yesterday. He will probably join his companions Friday.

American Steamer Sunk In Collision

London, July 5.—The American steamship company said today they had no details of the collision in the channel by which the Jacob Luckenbach, one of their fleet, was sunk.

The Jacob Luckenbach was a three-masted steam vessel of 2,793 tons, built in 1881 and with New York her port of registry. She was 322 feet long and 39 feet in beam. Lloyds give her captain as C. E. Lawrence and her owner as E. F. Luckenbach.

Had Big Coast Cargo. San Francisco, July 5.—The steamer Jacob Luckenbach, sunk in a collision in the English channel, sailed from San Francisco for Leith, Scotland, this spring with a cargo of California barley worth \$1,000,000. For several years the steamer was on the New York-San Francisco freight run, and was well known in this port.
