By LAMAR TOOZE Newport, Oregon, July 4.—(Special to the Capital Journal)—Newport has become the mecca for numerous automobile parties during the past two weeks. In fact, one of the most noticeable features of the season thus far is the increasing automobile traffic to the beach. During the week just passed, cars have arrived from Enterprise and Moro in eastern Oregon, several from Washington and one from North Dakota. The road between here and Corvallis has been considerably improved since last year and motoring is not beset with the same difficulties. Good hunting and fishing are also afforded. The trip can be easily made in a day. The route passes through the Siletz Indian Reservation with its many attractions to the tourist. Adequate garage facilities are available in Newport.
