### A MILLION DOLLARS **WILL BACK CAMPAIGN**

### Congested Condition Requires San Francisco Preparing to Make Big Fight for the "Open Shop"

San Francisco, July 11 .- One mil In order to relieve the congested condition of the three junior high schools, the board of education at the meeting last night instructed Architect George M. Post to draw plans for three buildings to be erected at the Washington, Lincoln and Grant schools.

For the Washington school, the buildings will be 39 1-2 by 53 1-2 feet, and placed on the northeast corner of the school grounds. For both the Grant and Lincoln schools, the buildings will be 39 1-2 by 27 feet. All will have a concrete floor with wood covering. These

### Return to Work at Old Wage Is Only Peace Offering

San Francisco, July 11-Peace con ferences between striking longshore men and the waterfront employers es countered another obstacle today when the employers made a flat demand that all stevedores return to work at wages prevailing before the walkout, A strike committee considered this demand until nearly dawn, but it was not accept-ed. The end of the trouble appears as

far distant as ever.

Federal Mediator White, who felt confident until a few hours ago that he would be able to settle all differences, is still at work. With uncondiional surrender the only terms offered by the employers, and the workers just as determined as ever to hold out to the last, he seemingly faces a long
