SALEM PEOPLE ENJOY NEWPORT AND LEAD ALL OTHER CITIES

By Lamar Toose

Newport, Or., July 12 (Special to the Capital Journal).—The weather—the arbiter of all the activities at the beach—still continues ideal. And its effects are demonstrated in the ever-increasing crowds on the incoming boats. The past week has seen a material increase of Newport's transient population. Cottages are being opened every day and the resort's tent cities are taking on the appearance of mid-season. Two more weeks will see Newport at its best.

Salem people have shown a decided partiality for Newport. Probably no other city in the state contributes more, proportionally, than does the Cherry city. Among the Salem people who come here every summer are the Calverts, the T. D. Jones, the Rhoads, the Thomas F. Ryan's, the Savage's, the Beans and the Linn's. At Agate Beach, the Hofer's, Thielsen's and Livesley's have beautiful summer homes, commanding unexcelled views of the ocean.

WIFE TOO ILL TO WORK IN BED MOST OF TIME Her Health Restored by Lydia E. Pinkham's Vegetable Compound. Indianapolis, Indiana. -- "My health was so poor and my constitution so run down that I could not work. I was thin, pale and weak, weighed but 109 pounds and was in bed most of the time. I began taking Lydia E. Pinkham's Vegetable Compound and five months later I weighed 133 pounds. I do all the housework and washing for eleven and I can truthfully say Lydia E. Pinkham's Vegetable Compound has been a godsend to me for I would have been in my grave today but for it. I would tell all women suffering as I was to try your valuable remedy." -- Mrs. WM. GREEN, 332 S. Addison Street, Indianapolis, Indiana. There is hardly a neighborhood in this country, wherein some woman has not found health by using this good old-fashioned root and herb remedy. If there is anything about which you would like special advice, write to the Lydia E. Pinkham Medicine Co., Lynn, Mass.
