An Inside Bath Makes You Look and Feel Fresh

Says a glass of hot water with phosphate before breakfast keeps illness away.

This excellent, common-sense health measure being adopted by millions.

Physicians the world over recommend the inside bath, claiming this is of vastly more importance than outside cleanliness, because the skin pores do not absorb impurities into the blood, causing ill health, while the pores in the 10 yards of bowels do.

Men and women are urged to drink each morning, before breakfast a glass of hot water with a teaspoonful of limestone phosphate in it, as a harmless means of helping to wash from the stomach, liver, kidneys and bowels the previous day's indigestible material, poisons, sour bile and toxins; thus cleansing, sweetening and purifying the entire alimentary canal before putting more food into the stomach.

Just as soap and hot water cleanse and freshen the skin, so hot water and limestone phosphate act on the eliminative organs.

Those who wake up with bad breath, coated tongue, nasty taste or have a dull, aching head, sallow complexion, acid stomach; others who are subject to bilious attacks or constipation, should obtain a quarter pound of limestone phosphate at the drug store. This will cost very little but is sufficient to demonstrate the value of inside bathing. Those who continue it each morning are assured of pronounced results, both in regard to health and appearance.

"O. K." is an expression of satisfaction derived from "Aux Cayes," from which once the best tobacco and rum came. Ultimately everything of the best was designated "O. K."

JINX HITS YANKEES ANOTHER HARD BLOW

Hughey High Laid Up With Sprained Ankle—Other Sport News

New York, July 20.—There's another cot in the Yank's hospital today, filled by the jinx's latest blow, yet Donovan's men roll on without a falter. While the crippled Yanks defied Fate and took both games of a double header from the Browns, Hughey High fell on the field of battle and is out for a week with a sprained ankle.

With seven of his regulars laid up for repairs, Donovan pulled through in the nick of time, for the Red Sox seized both ends of a double bill from the Tigers and the Yanks realize they must keep at the top if they are to beat the jinx. The chutes are soapy once a team starts down.

The Dodgers dropped both games of their double header with the Pirates in the National league and the Braves climbed to win two and a half games of their coat tails. Shortstop was again the hole through which the Brooklyn chances for victory trickled away.

Leonard-Walsh Match.

New York, July 20.—Crafty Benny Leonard will be in first class fighting shape when the bell rings for his battle with Freddie Welsh next week, was the word passed here today. When Welsh and Pollock set the date for the long sought battle only 10 days away, it was rumored around that they had caught the "pride of Harlem" unprepared.

But word comes from Willie Gibson, the little New Yorker's manager, that Benny has been doing the hardest kind of road work and shadow boxing daily at Mount Kisko and that he will be right on edge to give the champion the battle of his career.

Sells Interest in Club.

Oakland, Cal., July 20.—Frank Leavitt, president of the Oakland Baseball club, announced that he had sold his interest in the club to Del Howard and that Howard would assume management of the team August 1.

The new deal leaves the controlling interest in the hands of Howard and Cook.

To Be An Aviator.

Kansas City, Mo., July 20.—Eddie Rickenbacher, dare devil auto pilot, thinks the air is safer than the track and is planning to desert the auto game to become an aviator, he said today.

Cub Owner Still Hopeful.

Chicago, July 20.—Owner Charles Weeghman of the Cubs was still optimistic today regarding his chances of landing Buck Herzog, pilot and shortstop for the Cincinnati Reds. Weeghman's offer to Garry Herrmann for Herzog is composed of Outfielder Flack and $25,000 in cash and a guaranteed salary to Herzog of $10,000, according to reports. Herzog will be stationed at third if the Cubs get him.

NEW WHEAT IS SOLD

Portland, Or., July 20.—The first sale of 1916 wheat was posted at the Merchants' Exchange yesterday. Ten thousand bushels of September fortyfold were sold at 92 cents. A local exporter was the seller and a California mill buyer the purchaser.

The price paid for this fortyfold was 2 cents over Tuesday's best bid, and offers for other kinds of new wheat were also raised, September bids being as follows: Bluestem, 97 cents; club, 89 cents; fife, 88 cents, and Russian, 87 cents. Old wheat bids were irregular, from 1 cent higher to 2 cents lower.

In the opinion of local traders, the prices now quoted on new wheat will have to be revised on a lower basis before there can be much activity, as values here are figured to be 6 or 7 cents over a parity with Eastern markets. The parity must be restored when wheat begins to move in volume to the usual export outlets.

It is usual at the opening of the season for prices to get well above the export basis until initial home requirements are satisfied. This year firm holding by farmers is an influential factor, as a number of mills have have accepted Eastern and southern orders for flour for early shipment, and the bidding for needed supplies of wheat has gone far to impress on farmers the belief that wheat is worth what they are asking for it

The flurry in oats and barley, which in the latter part of last week put these cereals at the highest marks of the season, has subsided and both are declining.

HOG PRICES FIRM

There was a fairly active market at the yards yesterday, but without change in market conditions. There is a good demand for prime steers, both heavy and light, but the bulk of the supply this week has been of common to fair grade, cows as well as steers. While the best offerings command steady prices, sellers are forced to take less money for the poorer quality.

In the hog market values established at the opening of the week are being obtained without difficulty and sheep prices are also holding their own, there having been no changes in the mutton line of late.

THE MARKETS

The following prices for fruits and vegetables are those asked by the wholesaler of the retailer, and not what is paid to the producer. All other prices are those paid the producer. Corrections are made daily.

Quotations are not yet available on the new crop of hay. On account of the recent rains, much damage was done to that already cut and even the standing hay will not grade up to standard. For this reason, new hay has not been quoted, although the season is already about 10 days late.

Entombed Miners Liberated Today

Webb City, Mo., July 20.—Four miners walked from the Babcock mine this morning after being entombed without food or water for 56 hours. A drill working night and day directly over the place where the men were buried, penetrated their tomb giving the prisoners fresh air and renewed strength three hours before they were released.

Rescuers from over the entire district worked all night in 15 minute shifts, tearing at the timbers and rocks after hearing the shoutes of the buried miners.

Two thousand persons waited at the mine all night for their delivery. When rescued the men declared they though of death kept them from pangs of hunger. They heard the rescuers hours before they penetrated the drift, but had lost all sense of time.

NORMAL REGENTS TO MEET

At a meeting of the Oregon Normal school board of regents, to be held in this city Friday, a special committee recently appointed by Governor Withycombe is to present a report on the standardization of normal schools in Oregon. The committee is composed of C. L. Starr of Portland, Cornelia Marvin of Salem, and H. G. Starkweather of Milwaukie.

A study has been made of the Normal school conditions in Washington. The committee's preparation also includes courses of study, conditions of living and work of graduates.

Little Ray was saying his prayers at bedtime and, having got as far as, "if I should die before I wake," he stopped.

"Well, what's next?" asked his nurse.

"Why, I suppose a funeral would be the next thing," replied the boy.
