## BIG SALEM CROWD TO VISIT MARSHFIELD

### Fifty Have Already Signed to Go and Committee Has Just Begun to Work

There is no doubt about the Cherrians and their friends and the business interests of Salem attending the great celebration at Marshfield, August 25 and 26.

The committee in charge after spending a day in canvassing the city report a general interest in the excursion and that many who had arranged to be out of the city, have made arrangements to change their plans in order to accompany the Salem excursionists.

Governor Withycombe and wife will accompany the party and it is probable that other state officials will make it convenient to join in the merry-making that is sure to take place when the Cherrians start things at Marshfield, Saturday, August 26.

The following have already signed for transportation and accommodations and the committee is just getting under full headway in calling on those who intend to go:

Governor and Mrs. Withycombe, State Treasurer and Mrs. Thos. B. Kay, Mr. and Mrs. R. C. Bishop, Mr. and Mrs. Chas. G. Miller, Mr. and Mrs. George E. Waters, Mr. and Mrs. Harley O. White, Mr. and Mrs. M. L. Meyers, Mr. and Mrs. Thos. Townsend, Paul Stege, George P. Rogers, A. R. Wilson, Fred Cole, Kola Neis, John W. Roland, Abe Magers, Otto Wilson, H. W. Reinhardt, E. W. Williams, William Evans, F. E. Waters, Patton Bros., S. B. Elliott, George Graves, W. C. Howell, Mr. and Mrs. C. L. Dick, William Lerchen, F. G. Deekabach and family, Watt Shipp, Frank S. Ward, P. E. Graber, Joe Reinhardt, Theodore Roth, Bert C. Macy, Epley and Olinger, Wm. Gahlsdorf, Carl Reuf, Joseph H. Albert, A. H. Egan.

All of which indicates there will be some Salem people in Marshfield on Saturday, August 26, which will be known as Marshfield day. The Salem excursionists will leave Friday morning, August 25, at 9 o'clock, arrive in Marshfield at 6 p. m., leaving Marshfield Sunday morning after breakfast, giving the excursionists a chance to see the country in two daylight rides.

## Don't Drift Away From Your Friends

There are so many times when a cheery telephone message from you would mean much to your friends in near-by towns.

The fact that you can't see them so often is all the more reason why you should talk to them oftener, and an inexpensive telephone talk occasionally will work wonders.

Consult the list of toll rates to cities hereabout; it's in the front of your Bell directory.

Just let YOUR TELEPHONE keep YOU from drifting away from your friends.

### The Refreshing Charm of good tea is in its delicate flavor

Unfortunately, the world is not full of good tea. You must choose with care. Those many women who use Schilling's Best know that the cost of good tea is very, very little. But this is not the only reason for their preference. Another reason—a very real reason—is that each of the four taste-types (Japan, English Breakfast, Ceylon, Oolong) brews tea of indescribable charm.

Send for the Taste Packet which makes it easy for you to find the type of tea that you like best. Contains four parchment envelopes of Schilling Tea—Japan, English Breakfast, Ceylon and Oolong. Enough for five or six cups of each kind. Mailed promptly on receipt of 3 cents (stamps or coin). Address: A Schilling & Company 333 Second St., San Francisco.

reported, "small parties of Germans entered our front trenches at two points, but were immediately driven out by a counter attack, leaving their wounded."

Northeast of Souchez and elsewhere, Haig reported artillery combats.

### The German Version.

Berlin, July 28.—"The enemy cannot boast it has progressed," declared the war office statement today, referring to British attacks on the Poizeres sector. "Enemy attacks near Poizeres and southeast of Fouroux woods were broken down," the statement asserted. "Bitter hand to hand fighting occurred at Longueval and in the Delville wood."

Grenade attacks at Soyecourt were repulsed, the statement asserted, and operations at Thiaumont proved unsuccessful.

"Russian attacks northeast of Swinichy gained ground," the statement reported. "Enemy attacks are proceeding. Near Postomty, Austrian forces drove the Russians back from advanced positions."

The war office declared that six attacks around Skrobawaywoda by the Russians proved unsuccessful.

### Russians Forge Ahead.

Petrograd, July 28.—The Russian advance in the region of the Stoniewki and Boldurichka rivers continue successfully, the war office communique declared today. Gains were also reported in the Caucasus.

## Market Was Lifeless Sentiment Bearish

New York, July 28.—The New York Evening Sun financial review today said:

In a market made up wholly of the unimportant transactions of unimportant traders, stocks today moved within narrow limits, final quotations presenting irregular changes, which were significant of little more than the varying opinion of the floor element.

Although optimism in the greater number of instances showed fractional improvement, as compared with the closing of the preceding day, there was no indication of life in the market, and no change in the general character of the trading.

Sentiment on the floor was bearish, but no especial effort was made to depress quotations. Price changes after the first hour and in the noon trading were not significant, except in the heavier tendency in the quotations of the granger stocks which were adversely affected by continued unfavorable reports from western crop centers.

Afternoon operations were limited practically to a small trade, except in the last hour, when there was a fair imitation of activity in a few issues.

## Want Immigration Discussion Kept Out

Washington, July 28.—Anxiety about the immigration rider pinned to the child labor bill by Senator Borah resulted in a conference today between President Wilson and Senator Kern, senate floor leader, and Senator Pomereoy.

Administration leaders don't want the immigration question to come up in the senate at this time. After his conference with the president Kern expressed the hope and belief that Borah's amendment would not be pressed.

## WILLAMETTE NEWS

(Continued from Page Three.)

are already opposed to mixing religion and politics! But every now and then some religious enthusiast (or several of them) has some kind of a scheme or proposal of the nature of sectarian legislation. Here in Oregon the proposed "One day in seven rest law" is a specimen. Very innocent looking in its verbiage to be sure. Just scratch it a little and you will see some thing below the surface that does not appear above. People of Oregon look out! Do you want the legislature to tell you when to rest! Don't you know!

It appears that the Salem chautauqua did not suit in one of its features one of the city clergy. One of the singers it seems didn't use the church hymn book in all his numbers but in one of them got off something rather worldly for Sunday night which rather peeved this custodian of Salem's proprieties. Now brother don't feel so bad about it. Out here in the country we don't think Salem is so easily hurt by even a Portland singer. It is sometimes about as bad to scold about a fault as to commit the fault.
