Marshfield Sends Invitation to Salem

The invitation to visit Marshfield to attend the Coos Bay railroad jubilee, August 24, 25 and 26, 1916, issued by a committee from North Deal and from Marshfield reads as follows: "In behalf of the people of Coos county, the committee in charge has the pleasure of extending to the people of your good city a very cordial invitation to attend the Coos Bay railroad jubilee, August 24, 25 and 26, 1916.

The occasion of this jubilee is to celebrate the coming of the first through train over the Coos Bay line, and at this time the various communities of Coos county propose to unite in giving a mammoth reception for the people of the State of Oregon.

PROFIT BY THIS Don't Waste Another Day.

When you are tormented by backache; By lameness and urinary disorders; Don't experiment with an untried medicine. Follow Salem people's example. Use Doan's Kidney Pills. Here's Salem testimony. Verify it if you wish: Mrs. L. L. Barrett, 1399 Mission St., Salem, writes: "When I was back east I had a general store and one of the most used medicines for backache and kidney disorders was Doan's Kidney Pills. Everybody who bought them, couldn't speak too highly in praise of them. I have taken a great many of Doan's Kidney Pills myself for backache and kidney trouble and they have never failed to do me good.

After the ceremony, a dinner reception was served on the lawn. Mr. and Mrs. Milbauer left on the evening train amidst a shower of rice and good wishes. They will spend their honeymoon in Yellowstone Park before proceeding to their home in Clintonville, Gervais Star.

ACHES AND PAINS Don't neglect a pain anywhere, but find out what causes it and conquer the cause.

Pain in the kidney region may put you on your back tomorrow. Don't blame the weather for swollen feet, it may be an advanced warning of Bright's disease. A pain in the stomach may be the first symptom of appendicitis. A crack in a joint may be the forerunner of rheumatism. Chronic headaches more than likely warn you of serious stomach trouble. The best way is to keep in good condition day in and day out by regularly taking GOLD MEDAL HAARLEM OIL Capsules. Sold by reliable druggists. Money refunded if they do not help you. Beware of substitutes. The only pure imported Haarlem Oil Capsules are the GOLD MEDAL.

ONIONS AND POTATOES HIGHER THAN YEAR AGO

Portland, Ore., Aug. 14. - Practically all products are vastly higher today than they were a year ago today. Various reasons are assigned for this fact. The weather was such that crops were held back and made anywhere from two weeks to a month late. This accounts in large measure, for the big difference in the price of onions and potatoes and added to this is the unusually heavy demand from the east. On August 11, 1915, onions were selling here at wholesale at 75 cents; today the price is \$1.25 per hundred pounds. Potatoes a year ago today sold at 75 to 85 cents for new Oregon; today the local price is \$1 to \$1.25. The government report of August 1, 1916, states that the onion and potato yield in Oregon this year will be decidedly greater than a year ago. Last year the potato crop was 5,000,000 bushels; this year, the estimate is 6,750,000 bushels. The percentage of gain in onions is not quite as great, but is estimated at several hundred thousand bushels over 1915.

Klamath Schools Among the Best

The schools of Klamath county rank among the best in the state according to the annual report of county superintendent Fred Peterson, which was filed with state superintendent Churchill today. Seventy five per cent of the districts held nine months of school last year. Of the 44 districts reported, 33 had school terms of nine months, 7 had eight months, and two districts each had seven and six months of school. Nearly fifty per cent of the teachers of the county are graduates of normal schools and about twenty per cent are college and university graduates. The salaries paid teachers in county schools, are the highest of any county in the state, being at the average rate of \$77.90 per month. Men teachers received an average salary of \$102.20, and women teachers \$77.54 per month. There were very few absences from school, the per cent of attendance being 95.

MILBAUES-MILLER WEDDING.

A wedding of interest to all the old residents of the Valley, took place Thursday afternoon, August 3, 1916, at the home of Mrs. Inez B. Miller, when her daughter Imogene, became the bride of Richard Milbauer of Clintonville, Wisconsin. A beautiful bowler of ivy and pink and white sweet peas formed a fitting background for the bridal party out on the porch. To the strains of Lorengren's wedding march played by Miss Mary Ann Schultz of Salem, the bride and bridesmaid Miss Calderon Miller, approached the altar, where the groom and best man Mr. Albert W. Schweidke, of Clintonville, were waiting. The double ring ceremony was impressively performed by Rev. L. S. Mochel, of Gervais. The bride wore a dainty creation of Georgette crepe and carried a shower bouquet of white rosebuds. Her sister Miss Calderon Miller was gowned in pale pink messaline and carried pink sweet peas. After the ceremony, a dinner reception was served on the lawn.

Mr. and Mrs. Milbauer left on the evening train amidst a shower of rice and good wishes. They will spend their honeymoon in Yellowstone Park before proceeding to their home in Clintonville, Gervais Star.

DEATH OF MRS. CLARA E. JONES Mrs. Clara E. Jones, wife of John I. Jones, died suddenly at her home in this place Sunday afternoon, August 6, 1916.

She had been in rather poor health for the past year but was able to attend to her household duties and there seemed to be no cause for alarm as to her condition and her sudden death was a complete shock to her family as well as to the community.

Mrs. Jones was born in Iowa, April 14, 1861, and has lived in Oregon for several years, coming to Gervais with her family about two years ago from Powell Butte. She is survived by her husband and two sons, Ralph, aged 20, and Raymond, aged 16, and one brother in Los Angeles, Cal., and one in Iowa. The funeral took place Tuesday afternoon from the home and interment in the Masonic cemetery. - Gervais Star.

THE MARKETS

The following prices for fruits and vegetables are those asked by the wholesaler of the retailer, and not what is paid to the producer. All other prices are those paid the producer. Corrections are made daily.

Wheat has quieted down to some extent, with the excitement subsiding with the price at \$1.00. Apples are bringing from 50 cents to \$1 a box which is a pretty wide margin, but the grocers say the variety and quality of the apples justify the difference in prices, and the same with peaches.
