SILETZ TO VIE WITH
NEWPORT IN GIVING
PLEASURE TO VISITORS

By Lamar Toose

Newport, Oregon, Aug. 16.—(Special to the Capital Journal)—Mid-August and sunshine have accelerated the traffic to Newport. The past week has seen the greatest addition of the season to the resort's population.

It is a gay crowd that inhabits this erstwhile village now. Human ingenuity has been stretched a point to find new and novel forms of amusements. And Newport's well known variety of natural attractions have made the task an easy one. Whether its early morning hike "around the point" or a dip in the surf, the means are always at hand and available. Next week, the Siletz Indians will vie with this resort for the favor of pleasure seekers—a three day Indian fair will be held on the reservation, fifteen miles from Newport. Should the present good weather continue, the automobile traffic Siletzward will be considerable. The trip itself is a beautiful one, abounding in some of the finest mountain scenery anywhere.

The D. A. Waltes of Salem who have been spending a vacation at Nye creek as residents of one of the Payne cottages, completed their stay during the week.

HUSBAND OBJECTS
TO OPERATION

Wife Cured by Lydia E. Pinkham's Vegetable Compound

Des Moines, Iowa.—"Four years ago I was very sick and my life was nearly spent. The doctors stated that I would never get well without an operation and that without it I would not live one year. My husband objected to any operation and got me some of Lydia E. Pinkham's Vegetable Compound. I took it and commenced

to get better and am now well, am stout and able to do my own housework. I can recommend the Vegetable Compound to any woman who is sick and run down as a wonderful strength and health restorer. My husband says I would have been in my grave ere this if it had not been for your Vegetable Compound."—Mrs. BLANCH JEFFERSON, 703 Lyon St., Des Moines, Iowa.

Before submitting to a surgical operation it is wise to try to build up the female system and cure its derangements with Lydia E. Pinkham's Vegetable Compound; it has saved many women from surgical operations. Write to the Lydia E. Pinkham Medicine Co., Lynn, Mass., for advice—it will be confidential.
