

Nature Baffles Science!

THE dumbest oyster can make a better pearl than the brightest man. The oyster uses Nature's methods.

NATURE says smoking tobacco is at its best after two years' curing.

There may be quicker ways and cheaper ways to cure tobacco. But we believe in Nature's way—the VELVET way—two years' mellowing in big wooden hogsheads.

Just fill a pipe with VELVET, and draw in the cool, mild smoke that's so fragrant and rich that—but what is the use of trying to describe a taste?

Take our word for VELVET, long enough to try a pipeful, and you won't need to take anybody's word after that.

TEAM WORK PLACES BROOKLYN IN LEAD

Has Three Games to the Good and Manager and Team Are Confident

By H. C. Hamilton
(United Press staff correspondent)

New York, Aug. 16.—Again team play in baseball stands forth as the most powerful force in a club's fight for the top. The Brooklyn National League club started its last swing around the circle today in the lead by a margin of three games and it's all due to the cooperative spirit—the spirit that knows no defeat, with every man trying his best to do something that will help get just one more run across.

This is the secret of the Brooklyn club's success this year, President Ebbs said today. If a player becomes injured or is removed for some other reason, every man in the club is eager to take his place. Wilbert Robinson, who has made a real baseball club out of a collection of athletes who formerly just played ball.

Ebbs has confidence in his men. Before his club left Pittsburgh today he told the United Press he expects the Dodgers to return from the western trip still in first place.

"My men are confident," Ebbs said. "However, do not think we are overconfident. We believe we can win and we're going to keep on hammering away until we do it."

All the players are in fine condition with the exception of Jake Daubert and we expect him back in the game within a week or ten days. Daubert recently slipped a bone in his hip and its pressure on a nerve has been giving him considerable pain. He is under the care of a physician. While Daubert is out McCarthy is playing first and doing a good job.

If Oakland would just get a few more games Walt McCreddie's Beavers might succeed in their evident ambition to achieve the basement.

Portland snoozed through eight innings at Los Angeles and roused itself tardily in the ninth to knock old Charley Hall off the hill.

Lowdermilk held the Angels to four hits—Portland got eight and played errorless ball, yet lost 3 to 2.

Harry Wolverton took a crack at the ball for the Seals and the pitcher hit him. Harry always figures to get to first some how.

Oakland beat San Francisco 5 to 1. The whole Oak aggregation played at top speed and mowed the Seals down in broad swaths.

Bunny Brief of Salt Lake batted four times, garnering a homer, a double and two singles.

All the Saints swatted hard and the Bengals lost, 11 to 8. On two occasions budding Tiger runs were ruthlessly slashed by chain lightning Salt Lake double plays.

Yesterday's big league hero was a tie proposition. Willie Pip and Roger Peckinpaugh for the Yanks each whacked out a home run and a single, giving the Yanks an even break with the Mack men.

Diek Rudolph, in downing the Dodgers, won his eighth consecutive victory.

Kometcay was a hitting demon. The Braves first sacker cracked out a pair of doubles and a triple, each one of the hits figuring in the run getting.

Demare upheld his reputation as Giant killer when he defeated his former team mates, 1 to 0, allowing only three hits.

Babe Ruth, Red Sox star, put it over Walter Johnson in a 13 inning pitching duel. The home won 1 to 0, on three hits in the 13th after two were out.

Jack Barry made the winning run for Boston when Gardner got his third hit of the afternoon, a single.

Two hard fought games went to the Pirates, St. Louis losing the first 1 to 0 and the second 2 to 1.

The flag ship San Diego, with Admiral William B. Caperton on board, will arrive August 25 and will probably be followed by most of the remaining vessels of the fleet in a short time.

The seven bluejackets, suffering from malarial fever, who were on the Brutus, recovered sufficiently for transfer to the Milwaukee at La Paz.

Want Kirkpatrick To Beat the Babies

If the Kirkpatrick Steaf defeats the Baby Beavers at Portland next Sunday they will have fifty bucks in good Salem money in addition to the gate receipts.

Manager Ray Baker of the Loins has sent the purse to Secretary Lewis of the Interstate League, with instructions to deliver it to the Kirkpatrick in the event of their removing the scalp of the Report bunch. By agreement between the managers of the Kirkpatrick and the Baby Beavers, the game at Portland Sunday will be played "winner take all" and the Kirkpatrick are expected to play the game of their lives.

Their success will simplify to a considerable extent the "12" proposition which now stands before the Loins and the winning of the pennant.

The Salem bunch is confident of its ability to take care of the Camas aggregation, which comes to the local grounds Sunday. Also it believes that it will be equal to the job of beating out the proud and arrogant Beavers on the Sunday following.

While there's a chance, there's hope. This is the favorite maxim at present of Salem fandom.

Pointed Out the Only Dead Place in City

San Francisco, Aug. 16.—Tourists who clambered into one of the big sight seeing buses on Market street today wondered why it didn't start on time.

The announcer looked vainly around for the driver and then called up the offices of the Lincoln Sight Seeing company and asked for a new chauffeur. Harry Thompson hadn't appeared, he said. A new driver was sent and 20 minutes later the announcer held up the megaphone.

"To your right is the city morgue, the only dead place in San Francisco," he said facetiously.

Inside lay Thompson, a suicide. He was found dead in his room. He left this queer note:

"Tell father I love him and that I am going. Tell sister I am not nuts. Put my body in the cemetery next to Jim's."

CONDUCTORS WOULD STRIKE

Chicago, Aug. 16.—Passenger train conductors on the Colorado and Nebraska divisions of the Union Pacific will not go out in case of a strike, according to a message received here today by Gevrit Fort, passenger traffic manager, from President E. E. Calvin, of the road at Omaha.

Calvin declared the passenger conductors at a meeting in Omaha last night decided upon the same action of Union Pacific engineers, "in that they would continue to perform their regular duty in event of a strike."

GAFFENE TRIAL BEGINS

San Francisco, Aug. 16.—With four jurors to be selected, it is expected that the opening arguments will be made today and the taking of testimony in the trial of James Gaffene, accused of killing Biaggio Villardo 11 years ago will begin. The death of Villardo created a sensation in 1905. The police worked for years before Gaffene was arrested.

To Report Findings On Wheat Speculation

Chicago, Aug. 16.—Edward N. Harley, chairman of the federal trade commission, who has been here in connection with an investigation in rises of flour and wheat prices from the industrial standpoint, planned today to leave for Washington tomorrow. He will lay what facts he has obtained here before government officials. It is not believed his present action will recommend legal action by the government.

As a result of the jump in wheat yesterday, bakers grade flour was selling half a dollar higher today at \$7.25.

What the Boys On the Border Feed On

San Antonio, Texas, Aug. 16.—This is what each American soldier on the border consumes in one day:

Fresh beef, 15 ounces; baking powder, .08 ounce; beans, 3.4 ounces; potatoes, 20 ounces; prunes, 1.28 ounces; coffee, 1.12 ounces; sugar, 3.2 ounces; pepper, .04 ounce; cinnamon, .014 ounce;lard, .84 ounce; butter, .5 ounce; syrup, .35 gill; flavoring extracts, .014 ounce.

In one day a horse eats 12 pounds of oats and 14 pounds of hay.

BIG RUN OF SALMON RUNNING IN ROGUE

Marshfield, Or., Aug. 16.—Fishermen on Rogue river are getting the best wages they have made in years, due to the largest run of fish in recent years and to the liberal prices paid for salmon. R. L. Macleay, of the Wedderburn cannery, increased the price for salmon to \$1.50 each. John Cooner, who operates a gillnet, made \$112 for one night's work and several men have run over \$1000 in less than three months.
