Hall's Catarth Cure is the only ositive cure now known to the medical raternity. Catarrh being a constitutional isease, requires a constitutional treatment. Hall's Catarth Cure is taken insernally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.
