EVERGREEN BLACKBERRY INDUSTRY

The big industry that is now occupying the attention of many of the people of the valley is the harvesting of the evergreen blackberries. From 1,600 to 2,000 crates are shipped daily from this station to the cannery. These berries grow wild in the fence corners and woods and slashings and are the source for a good revenue to all those who engage in picking and shipping. Some of the farmers last year planted a few acres to experiment with under cultivation and are so well pleased with the result that many acres will be planted before another year.—Gervais Star.
