## HENRY FORD GOES 1000 MILES TO FIGHT Court Had No Jurisdiction But Ford Refused to Take Advantage of This

Washington, Sept. 11.—Henry Ford, peace advocate, really doesn't mind a fight.

Agreeing today to come to Washington to defend a suit for \$100,000 brought against him by the Navy league, Ford took on an unnecessary court scrap, his attorneys advised him. He overruled the attorney's advice that he resides outside the District of Columbia, he is outside the jurisdiction of the court. He wants to fight it out he told them.

The \$100,000 is asked by the Navy league because of allegation Ford made in a full page newspaper advertisement against the preparedness propaganda of the Navy league. In his plea today, Ford stands pat on the allegations he made against the league.

"The right of every American citizen to be made acquainted with certain information which has come to the attention of Mr. Ford, the answer sets forth, impelled him at great expense to himself to make the publications for which he has been sued. The same patriotic motives cause him voluntarily to defend this suit a thousand miles from his home."

## WOMAN SO WEAK COULD NOT SLEEP

Made Well by Lydia E. Pinkham's Vegetable Compound.

North Oxford, Mass.—"I had lost three children and I was all run down and so weak I could not sleep at night. My eyesight would leave me and everything I ate upset my stomach. I was very nervous and if I would start to sweep I would have to stop and lie down before I could finish. I was looking over the paper one day and read of a woman who felt as I did and took Lydia E. Pinkham's Vegetable Compound, so I took it too. Now I am proud to tell you I am feeling fine and have given birth to a boy baby. He is my 'Pinkham' baby. I keep a bottle of Compound in my house always."—Mrs. PETER MARCO, Box 54, North Oxford, Mass.

Sleeplessness, indigestion, weakness, and nervousness are symptoms which indicate a lowered vitality of the female organism, and the tonic, strengthening properties of the good old fashioned roots and herbs, contained in Lydia E. Pinkham's Vegetable Compound, are just what is needed by every woman who is in Mrs. Marco's condition.

Or, perhaps—

Of a brown and white mixture with belt from sides to front, with its smart yoke in front and with a particularly handsome balmacaan sleeve effect?

## Your Husband ---Acquired or Prospective

is first attracted to you, in most cases, by your personal appearance.

Your other qualities, good as they are, would not have as fair a chance, were it not for the introduction given by Attractiveness.

As your appearance is so important why not consider carefully its foundation—the corset, for upon the correctness of design, the proper boning and other materials, as well as workmanship in construction—depend the poise of the wearer, her grace, her comfort, and her health. And these features are all necessary to attractiveness.

MODART Front Laced Corsets are designed for discerning women. We will not use extravagant language about them. The quality of any corset must be proven by actual trial, so our only suggestion is this:

Have a trial fitting of a MODART Front Laced Corset (at no cost whatever)—
