The Philip Gilbert country home south of town was the scene of a charming autumnal party Saturday evening when Miss Rosamond Gilbert entertained informally for Lloyd Haight, who left yesterday to study dentistry at the University of Pennsylvania. The evening was spent with pleasant diversions and games and later an alfresco dinner was served under the stars. Those enjoying Miss Gilbert's hospitality were: the Misses Vesta Mulligan, Mildred Johnson, Elsie Gilbert, Edna Gilbert, Mrs. Philip Gilbert and the Messrs. Lloyd Haight, Maxwell Ball and Tinkham Gilbert.

## MAYOR WHITE WILL NOT BE CANDIDATE

### Is Emphatic In His Refusal to Accept Office for Another Term

Mayor Harley O. White announces today that he most emphatically is not a candidate for re-election and that under no circumstances, even if the nomination was handed him on a sterling silver platter, would he accept.

When approached several weeks ago on the subject of his becoming a candidate for re-election, the mayor said there was nothing doing, and he has not changed his mind.

"On account of the time required to attend to the city's business the way it should be handled, I feel that I cannot do justice to the city and at the same time attend to my own business," said the mayor this morning. "I have already served two years as councilman, and given much of my time the past two years as mayor. I feel that I have done my duty as a citizen, and I now am ready for others to take up the responsibilities. There are no considerations that will change my mind and at the end of my term, I intend to become a private citizen."

As the primary election will not be held until Monday, November 7, and the election in December, candidates for mayor are still in the background and those willing to serve their country as mayor have not been saying much about it.

Anyhow, Mr. White is not a candidate for re-election and with this announcement, the field is open.

## PRESIDENT'S SISTER BY SIDE OF PARENTS

### Absence of All Ceremony Marked Occasion, But Sympathy Was Sincere

(United Press staff correspondent.) Columbia, S. C., Sept. 18.—President Wilson today brought to Columbia the body of his sister, Mrs. Annie E. Howe, to be buried in the church yard where the bodies of his father and mother have rested many years. The funeral party reached Columbia shortly before noon.

The city refrained from formal public marks of sympathy though there were many persons at the train when the President, Mrs. Wilson and others of the funeral party arrived. The absence of ceremony was in obedience to the wishes of the family.

Long lines of people thronged the streets as the funeral party made its way from the station to the First Presbyterian church and hundreds flocked about the edifice with heads uncovered. A brief service was conducted by the pastor, Rev. A. W. Blackwood, assisted by Rev. Thornton Whaling, president of Columbia seminary.

Interment was made in the family plot at the center of the church yard. The committal service, brief and simple, was private. Mrs. Howe rests beside her late husband, Dr. George Howe, known here as the "beloved physician of Columbia." The same modest shaft which marks his grave will indicate that of the president's sister also. The graves of the president's father and mother, Rev. Dr. and Mrs. Joseph Ruggles Wilson, are only a few feet away.

The president and his party will leave soon after the services at the cemetery, taking a train at 6:15 p. m. for Long Branch. He will spend 15 minutes in Washington this morning and reach Shadow Lawn about 2 p. m.

En route to the church several hundred automobiles fell into line behind those carrying the members of the president's party, making the funeral cortege almost an endless procession. Five thousand people lined the streets as they passed and as many more surrounded the church and grave yard.

During the committal service a quartet from the church sang "Beautiful Garden of Eden," the hymn sung at the funeral of the president's father. Wreaths were placed on the graves of his parents and on the grave of Dr. Howe by people of Columbia.

## AIR SQUADRON USED BY FRENCH IN ATTACK

### Twenty Fast Armored Aeroplanes Lead Way and Do Great Work

(United Press staff correspondent.) Paris, Sept. 18.—For the first time in the history of the world, the French used an aeroplane squadron to lead the successful attack on the village of Bouchevaines, north of the Somme, it was learned today.

Twenty fast armored aeroplanes, each mounting three machine guns, one pointing forward and two downward, charged the German lines before the French infantry left their trenches.

Flying high above this charging air column, were French aviation officers who directed the attack several hundred feet below in much the same manner that an officer directs an infantry charge from a sheltered dugout.

The French flyers swooped low over the German lines as the artillery lifted and raked the German trenches with a murderous fire. Prisoners report that this form of attack had a remarkable effect upon the Germans who had survived the artillery and were awaiting in their half ruined trenches the coming storms of French infantry. It sent them flying in panic down communicating trenches and in some instances caused machine gun crews to desert their posts.

As the French infantry came on with a rush, the air charges drove forward to the second phase of their work. They flew along the roads, turning their machine guns on German reserves being brought into action along the roads leading to Bouchevaines.

This new use of aeroplanes proved so successful that it is expected to play an important part in future operations of the war. British flyers apparently used the same methods successfully in the British advance against the Germans Friday.

## AT ALL STAGES OF LIFE

The Woman's Medicine. Good for All Ages. Mrs. Harold Smith's Experience.

Clarksburg, W. Va.—"I am writing to tell you the good your medicine has always done me and I hope my letter may be the means of helping some other suffering woman. When I was 16 years old I caught cold and had suppression for two months. I got so weak I could scarcely drag myself up the stairs. I went to two doctors, then my mother got a bottle of Lydia E. Pinkham's Vegetable Compound and I took it. I never had any more trouble and got strong fast. Then I took it again before my little girl was born and it helped me a good deal and I give the Compound the credit for it. Then this spring I felt very badly again, but I took the Compound and have been well all summer. I cannot be grateful enough for your medicine." — Mrs. HAROLD M. SMITH, 470 Water Street, Clarksburg, W. Va.

For forty years it has been making women strong and well, and curing backache, nervousness, uterine and ovarian inflammation, weakness, displacements, irregularity and periodic pains. If you want special advice write Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass.
