By ALINE THOMPSON

Mrs. Robert E. Downing and daughter, Miss Hazel Downing, have returned from a short visit in Portland.

Miss Catharine Carson returned Monday evening from Eugene, where she was the guest of the Gamma Phi Beta sorority, of which she is a member. Miss Carson went to Eugene to assist her sorority with the rushing, and entertaining its new pledges.

Mr. and Mrs. T. M. Barr have as their guests, Mr. and Mrs. J. M. Littert and daughters, the Misses Marguerite and Pauline Littert, of Peoria, Illinois, who arrived in Salem Monday. The party made the trip by motor and will visit here for several days before leaving for Sacramento, California, where they will spend the winter.

The missionary tea of the Jason Lee church will be held on Friday afternoon at the residence of Mrs. G. Keuscher, 1335 North Church street. A short programme has been arranged for the gathering, and later in the afternoon the hours will be willed away with needle work.

Mrs. Hallie Parrish Hinges and Miss Beatrice Shelton have gone to Dallas for the celebration of the Polk county fair, which opens today. Mrs. Hinges is soloist for the event and Miss Shelton her accompanist. During their stay in Dallas Mrs. Hinges and Miss Shelton will be the guests of friends.

Miss Beatrice Crawford left yesterday for Corvallis, where she will take a commercial course at the Oregon Agricultural College.

Friday evening the Epworth League of the Methodist church will give a welcome and get acquainted party in the League rooms for the returning and new students of the Willamette University. All young people are cordially invited to attend.

Miss Rita Steiner was a week end visitor in Portland.

Mrs. O. P. Hoff has as her guest, her mother, Mrs. Mary B. Parsons, of Portland, who will pass the winter in Salem.

A prettily-appointed dinner was presided over Sunday by Mrs. W. F. Fargo in compliment to Mrs. M. Minard, who is visiting here from Coos county. Pink sweet peas and gypsophylla adorned the tables. The guests numbered eight and were all old friends of the honor guest.

Mrs. C. Gill and Mrs. Lela Howard of Willcox, Iowa, have arrived in Salem for a visit with their parents, Mr. and Mrs. C. H. Garver, of 1540 North Front street.

The members of the P. E. O. club were entertained on Monday afternoon at the home of Mrs. Floyd Rauch, 1680 Fir street. This was the second meeting of the society this season, and the afternoon was devoted to parliamentary discussion, the years work to cover miscellaneous subjects. The next meeting of the club will be held on Monday afternoon, October 2, at the home of Mrs. Matilda Grant, 859 Center street.

The case of Louisa Johnson vs. Robert Johnson has been settled out of court, and a stipulation has been filed that neither party is to pay costs.

A complaint has been entered in the circuit court by Fred H. Hazard against Robert L. Tucker, praying for a decree dissolving a farming partnership between the two and for the appointment of a receiver. The plaintiff also asks \$450 damages and the issuance of an injunction restraining the defendant from interfering with his possession of the farm.

Suit to collect a promissory note for \$425 and asking the foreclosure of a mortgage has been filed in the circuit court by Adelia Goldrainer against R. C. Linn and the Lumbermen's Trust company of Portland.

A petition for a permanent injunction has been filed by Stephen McBarney, J. S. Wilson and S. P. Timberlake against R. F. Shire, W. S. Risley, John Doe and Richard Roe. The plaintiffs assert that they own eleven quartz claims in the Gold Creek mining district, together with valuable equipment and buildings, and that the defendants have forcibly entered on the property, planting stakes and posting notices.

The county board of equalization has completed its 1916 session. During the session eight complaints were received against assessments. The board will have thirty days to report its findings.

Court House News

County Assessor West announces that the valuation of school districts and municipalities for levy purposes will be made about October 15.

A transcript of appeal from the judgment of the county court in the Matthieu will case has been filed in the circuit court. Stephen A. Matthieu, executor of the estate of the late Francis X. Matthieu, is the appellant.

The grand jury will meet next Monday, September 25. Not a great amount of business is in prospect for the honorable body. It is known that the case of the State vs. Oliver Leslie of Stayton, charged with assaulting his mother, and the case of C. Ulmon, charged with selling mortgaged property, both of which cases were referred back to the jury by the court, will be brought up for disposal.

Jack Darr, Clyde Johnson and Paul Johnson, appraisers appointed in the estate of the late Charles Van Wagner, have reported a value of \$1,794.97 to the county court.

The county court has issued an order permitting O. W. Humphreys, administrator of the estate of L. P. Humphreys, deceased, to sell the personal property of the estate at public sale, with the exception of four cows which shall be sold at private sale.

BE CAREFUL IN USING SOAP ON YOUR HAIR

Most soaps and prepared shampoos contain too much alkali, which is very injurious, as it dries the scalp and makes the hair brittle.

The best thing to use is just plain purified coconut oil, for it is pure and entirely greaseless. It's very cheap and beats the most expensive soaps or anything else all to pieces. You can get this at any drug store, and a few ounces will last the whole family for months.

DANDRUFFY HEADS BECOME HAIRLESS

If you want plenty of thick, beautiful, glossy, silky hair, do by all means get rid of dandruff, for it will starve your hair and ruin it if you don't.

By morning, most if not all, of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it.

When the Cherrians get ready to pay a friendly visit, they do the thing up right.

Polk county and Dallas, through I. L. Patterson, president of the Polk county fair, invited the Cherrians and Salem folks over for an afternoon of sight seeing and friendly hand-shaking and the booster club reciprocated by having up 40 of the best drilled members for the special train that left Commercial and Union street at promptly 12:30 o'clock.

And not only were the Cherrians and Cherrian band on hand dressed in their white uniforms, but there was a goodly number of citizens who were pleased to accept the invitations, as well as quite a number of women.

Captain Dick will put the boys through that military drill which won the first prize at Marshfield and the Cherrian band will lead in the march.

AUTOMOBILE EXHIBIT AT STATE FAIR GREAT

Will Be Feature of Finest Machinery Showing Ever Seen at Fair

Without question the greatest degree of progress in any given line of peaceful industry within the last decade has been that achieved in the improvements made in automobiles and motor driven vehicles, including farm machinery and implements, where the saving of time and labor and the elements of speed and comfort enter as items of economic importance. Appreciating the rapidly increasing interest of the public in general and the farming class in particular in this line of advancement and its importance to the agricultural development of the commonwealth, the board of directors of the Oregon state fair are striving to make the automobile exhibit, in connection with the general machinery and farm implement exhibit, for the 1916 state fair, to be held during the week of September 25, the largest and most complete of any ever held in the northwest.

They are meeting with most satisfactory encouragement in this ambition is demonstrated by the enthusiastic response being manifested by all concerned, and especially by the manufacturing interests which are making inquiries for and reserving exhibit space in greater number than ever before. As an example of the greatly enlarged and more representative scope of the automobile exhibition in prospect for the 1916 fair, as compared to last year and former state fairs, Secretary-Manager Lea of the fair board has found it necessary to double the space previously allotted for the automobile exhibit this year, setting aside six sections of the big machinery hall, aggregating 150 by 150 feet in dimensions, whereas only three sections, 75 by 375 feet had been previously allotted.

Not only will the automobile exhibit at the state fair this year be much larger and more complete than any previous automobile show ever held in the state but the visitors at this year's fair will have the advantage of seeing the latest types of machines (1917 models) long before they are put on display in the winter shows and several months before they are placed upon the market. While the automobile, motor driven machinery and vehicle show of 1915 was a very creditable exhibit that in contemplation for this year will far out-class that of any show ever held in previous years and the exhibit will be presented in most attractive display, with an abundance of drapery, floral and other decorations gorgeously heightened by colored light effects.

Never in the history of the motor car industry have these vehicles reached such perfection as those that are being made for next year. Four, six and eight motor electric starting and lighting, clover leaf and other seating plans, luxuriant appointments and graceful designs that were unknown two or three years ago make the cars for 1917 a revelation.

The motor show gives especial advantages for seeing and comparing the different makes in one great display, and the display at the 1916 Oregon state fair will embrace every known and popular make in use on the Pacific coast, besides some new ones that are just coming into the western market.

WOULD HOLD REVIVALS AMONG SOLDIERS

Baptist Ministers Object to Order Preventing Revival Services

Dallas, Texas, Sept. 20.—The Baptists of Texas will appeal to administration officials at Washington to set aside an alleged order of General Funston against conducting religious revivals among the troops on the border. This announcement was made today by Dr. J. B. Gambrell, corresponding secretary of the general Baptist convention of Texas, who has just returned from San Antonio.

IDENTIFICATION OF BODY IS COMPLETE

Dr. Mark Skiff Recognizes Fillings In Teeth As Those Made for Springer

Additional evidence that the skeleton discovered last Friday about five miles north of the city in the underbrush on the banks of the river was that of E. V. Springer who disappeared in January of 1915 was secured today in the identification of three fillings of teeth.

On April 18 and 20, 1913, Dr. Mark Skiff filled two bicuspids and one molar with alloy on the upper right side. Yesterday Dr. Skiff telephoned Dr. Mark Hayter of Dallas to examine the teeth and make a chart of fillings. This morning this chart was received by Dr. Skiff and the fillings marked thereon corresponded exactly with the records of Dr. Skiff, giving conclusive proof that the skeleton was that of Springer.

This morning several young men at Dallas identified part of the clothing as that worn by Springer. Another piece of evidence is that part of one of the front teeth is chipped off. Just a few months before his disappearance this tooth was broken while playing hand ball with E. E. Baker, an attorney of this city.

With the conclusive proof from the fillings of the three teeth and the broken tooth, the identification of the clothing and the bunch of keys found in his pocket that belonged to the Marion hotel, the father Peter Springer of this city, is satisfied beyond a doubt that the skeleton is that of his son E. V. Springer who disappeared mysteriously from the Marion hotel in January of 1915.

KILLED BY PRIZE BULL

Fair Grounds, Modesto, Cal., Sept. 20.—B. F. Anderson, one of the best known stock men in Stanislaus county, was fatally injured at the fair grounds this afternoon when he was gored by one of his prize winning bulls. Anderson went into the stall to prepare the animal for the judges, and while working on his head the bull became angered and catching Anderson on his horns, tossed him in the air and he fell trampled and gored him. He is expected to die at any moment.

308 X YES IS A VOTE FOR YOUR CHILDREN

ONE NORMAL NOT ENOUGH

Oregon has but one Normal School. This school is located at Monmouth. Excellent as is the work of this school it is utterly unable to supply but a small part of the need for trained teachers for the State.

Of more than 6,000 school teachers in the public schools of Oregon, but 13 per cent have been trained for their profession at teaching in Normal Schools.

It is a well established fact that our one Normal School cannot supply the needs of the entire state. That is why we ask for your work and vote for the proposed Eastern Oregon State Normal School at Pendleton, Oregon.

GIVE EASTERN OREGON SQUARE DEAL

Eight counties in the Willamette Valley have employed during the past five years, 205 teachers who have graduated from the Monmouth Normal as against 39 Monmouth Normal school graduates for the eight leading counties of Eastern Oregon.

During the past five years the attendance of students from nine Willamette Valley counties was 877 students as against 91 students from nine of the leading counties of Eastern Oregon.

Owing to the crowded condition of our one Normal at Monmouth and also the distance and expense of attending, students from Eastern Oregon are compelled to go to neighboring states to secure their training as teachers.

ONLY COSTS 4 CENTS PER \$1,000

The annual maintenance cost of the proposed State Normal School in Eastern Oregon amounts to but one cent, 25th of a mill or 4 cents on a thousand dollars of taxable property. Isn't it worth this to have your children trained to become useful and productive citizens?

STRONG ENDORSEMENTS

Among those who strongly endorse the establishment of the proposed Eastern Oregon Normal School are Governor Withycombe, J. H. Ackerman, President of the Monmouth State Normal; W. J. Kerr, President of the Oregon Agricultural College; P. L. Campbell, President of the State University; Robert C. French, former President of the Western Normal, and practically all of the leading educators of the State. J. A. Churchill, Superintendent of Public Instruction, voices the sentiments of those who are most familiar with the need of more adequate Normal facilities when he says:

"Oregon's greatest need for its rural schools is the teacher who has had full preparation to do her work. Such preparation can best come through Normal School training.

"I trust that the voters of the state will assist in raising the standard of our schools by establishing a State Normal School at Pendleton. The location is central, the interest of the people of Pendleton in education most excellent, and the large number of pupils in the public schools will give ample opportunity to students to get the amount of teaching practice required in a standard normal school."

All the above educators insist that a Standard Normal School must be located in a town of 5000 or more population and having enough grade pupils for teaching practice.

VOTE RIGHT

By voting YES for No. 308 you will help to give to the school children of Oregon the same advantages enjoyed by the school children of our neighboring states. Vote YES for No. 308.
