Serbs Defeat Bulgarians. Paris, Sept. 22.—The Bulgarians have sustained a heavy defeat at the hands of the Serbians on the Zbrozko, it was officially announced today, and have also been pushed back by the French.

German Attack Repulsed. Paris, Sept. 22.—A most vicious German attack on the new French lines north of the Somme along the Le Prieur-Rancourt front was stopped short by French curtain fires last night, it was officially announced today.

Kaiser at the Front. Copenhagen, Sept. 22.—Kaiser Wilhelm has arrived at the Kovel front according to advices received here today and it is believed that Von Hindenburg is about to inaugurate a drive against the Russians.

Warships Shell Bulgarians. Salonika, Sept. 22.—Allied warships shelled Bulgarian camps at Neochori, near the Gulf of Orfani, with satisfactory results, it was officially announced today.

Allies' Transport Sunk. Berlin, Sept. 22.—via wireless to Sayville, L. I.—A German submarine sank an enemy transport, completely filled with troops, in the Mediterranean on September 17, it was officially announced today.

The transport sank within forty-three seconds.

The Berlin statement made no mention of the fate of the soldiers aboard the transport. Accepting the statement that the transport went down in forty-three seconds, as true, it appears probable that few if any persons were rescued unless other vessels were in the immediate vicinity.

Aviators Sunk Submarine. Berlin, via wireless to Sayville, L. I., Sept. 22.—Austrian seaplanes bombed and sank the French submarine Foucaux in the southern Adriatic, said an official statement from the Austrian admiralty today.

The submarine's crew, composed of two officers and 27 men were rescued and made prisoners by the aviators and later turned over to a torpedo boat.

The two French officers were transported back to an Austrian harbor by Austrian aeroplanes. This was probably the first time in history when an air machine defeated an underwater craft in battle and then carried away prisoners.

The pilot of the Austrian plane was Lieutenant Celezany and the observer, Lieutenant Von Klimberg. Another plane piloted by Lieutenant

California Hops Are Bringing Good Prices. Portland, Ore., Sept. 22.—The California hop market is booming. The price has been run up to 15 cents and buying is on a very large scale. At the same time the market for new hops in Oregon and Washington is almost neglected by eastern buyers. The trade here is at a loss to explain the reason. Some of the dealers believe it is due to erroneous reports sent east as to the quality of northwestern hops, while others think the movement in California is purely speculative.

Whatever may be the reason, there is a spread of 6 or 7 cents between the price of California and Oregon hops. There is no reason for such a wide differential, as the quality of the Oregon crop has been found to be good, in spite of the poor appearance it made before picking started. Furthermore, there is some mold in the California crop this year, as shown by samples that have been received here.

The brewing business in the east is large and this may have stimulated the brewery demand for western hops. Beer sales in the United States in August increased 1,429,735 barrels over the same month last year. This is a 30 per cent gain and is the biggest on record. This one month's beer increase means a larger hop consumption by 9,000 bales. The trade is in hopes that the eastern demand will soon turn to hops grown in this state. At any rate it is certain that prices in Oregon must soon advance, or California prices decline.

Seven thousand bales of California hops have been sold in the past few days. The highest price, 15 cents, was paid for 500 bales of Sonomas yesterday. Mendocino hops were sold at 13-1/2 cents and Sacramento at 10-1/2 cents. The first sales of Oregon clusters were reported yesterday at 8 to 9 cents. The Hukriede crop of 100 bales was sold at Eugene and Seavey bought a carload at Brownsville. Ten cents was offered for Yakima hops and turned down by the grower.

The McCallan crop of 125 bales of fuggles at Salem was sought yesterday by McNiff Bros. This is about the last lot of fuggles left in the state.

Hog Prices Good. There was a better supply of livestock on the market yesterday. Nearly 20 loads arriving at the North Portland yards, of which eight loads came from Coos Bay.

The market was steady throughout. Buyers again paid \$9.70 and \$9.75 for the best hogs. The cattle offered were for the most part, of medium grade. Sheep and lambs sold at full prices.

FAMILY CARES

This Information May Be of Value to Many Mothers in Salem. When there is added to the many cares inseparable from the rearing of children that affliction of weakness of the kidneys and auxiliary organs, the mother's lot is far from a happy one. This condition has often been corrected by the use of Doan's Kidney Pills.

When relief comes the mother's burden will be lighter and her home happier. Mrs. S. E. Lewis, 1157 Commercial St., Salem, says: "I couldn't recommend anything equal to Doan's Kidney Pills for children who are subject to kidney trouble. Since giving them to my little girl, her kidneys act more regularly and the trouble is gradually being overcome each day. I feel confident that before long they will make a permanent cure." The sudden collapse of a fruit jar while underwriting its top nearly resulted disastrously for Mrs. M. Proebstel at the university yesterday morning when a large piece of the glass gonged a piece out of her hand. Although the wound is painful, Mrs. Proebstel is much better today.

If Too Fat Get More Fresh Air

Be Moderate in Your Diet and Reduce Your Weight. Take Oil of Koroin.

Lack of fresh air it is said weakens the oxygen carrying power of the blood, the liver becomes sluggish, fat accumulates and the action of many of the vital organs is hindered thereby. The heart action becomes weak, work is an effort and the beauty of the figure is destroyed.

Fat put on by indoor life is unhealthy and if nature is not assisted in throwing it off a serious case of obesity may result.

When you find that you are getting too stout, take the matter in hand at once. Don't wait until your figure has become a joke and your health ruined through carrying around a burden of unsightly and unhealthy fat. Spend as much time as you possibly can in the open; breathe deeply, and get from Central Pharmacy or any druggist a box of oil of korein capsules; take one after each meal and one before retiring at night. Weigh yourself every few days and keep up the treatment until you are down to normal. Oil of korein is absolutely harmless, is pleasant to take, helps the digestion and even a few days treatment has been reported to show a noticeable reduction in weight.

The cases of James Christian and Mrs. Helen Evers was continued with the others. Mrs. Evers who is out on \$25,000 bond, will make a fight against extradition, claiming a complete alibi.

Snapleigh—I like a girl who can take a joke. Miss Keen—Then you stand a splendid chance of being accepted.
