NATIONAL RACE FOR PENNANT RED HOT

Brooklyn and Phillies Are Neck and Neck—Red Sox Seem Winners

THE BIG STICK BATTLE. American League. National League. TODAY'S IF TABLE.

By H. C. Hamilton. (United Press staff correspondent.) New York, Sept. 23.—There is every indication today that the next world's series will be played in the east, just as they have been since the days of the old Chicago Cubs...

The National League pennant appears to rest now between two clubs—Brooklyn and Philadelphia—while in the American league the Red Sox still maintain their margin. A sudden reversal of form, sustained while Matty Reds were visiting Boston...

Simpson, Famous Athlete, Came From Missouri Town

By Hamilton. New York, Sept. 23.—An obscure little town, Maryville, Mo., the home of one of Missouri's many normal schools, gave Robert Simpson, who broke the senior record in the amateur athletic union's recent meet at Newark, N. J., his start to fame...

M'MINNVILLE TO HAVE BIG ROUND-UP

Big Parade Begins at 10:30 Wednesday, October Fourth

The fact that McMinnville is to have a real round-up with all of the most approved and modern features, the thrills and the gasps at the feats of daring performed by the cowboys and cowgirls—a real modern reproduction of the olden times on the frontier, is a new epoch in the history of this staid and quiet community...

Football in Two Weeks. Chicago, Sept. 23.—With the first big games two weeks away, coaches and squads are falling into the routine of football practice in dead earnest. Laxity and the general take it easy spirit which is always present the first few days of practice while the coaches and the men are rehearsing summer experiences has disappeared and today most of the squads will be out on the gridiron working laboriously at formations, signals, punting and scrimmage. Only prep school games are scheduled in the middle west today...

Has Picture Rights. Chicago, Sept. 23.—Exclusive moving picture rights for the world's series have been granted to the Selig Polyscope company, according to a statement made today by W. N. Selig, president of the company, upon receipt of a telegram from Gary Hermann, chairman of the National Baseball commission, announcing that Selig's was the successful bid. A consideration approximating \$25,000 was included in the successful bid for the exclusive rights for filming the big series. Pictures will be taken of every important play in each of the games that will decide the world's championship...

Arrested Because Gotch Was Not There

Portland, Ore., Sept. 23.—Tom Jones, manager of Jess Willard, remained in Portland today when the circus with which Willard is traveling moved south. Jones must appear in police court this afternoon to face charges of illegal advertising. A John Doe warrant was issued for the arrest of the circus manager, on account of violating the false advertising law by plastering the town with posters announcing that Frank Gotch would wrestle during the performance. Gotch failed to appear. T. B. Hutch, manager of the show, was arrested on the warrant. He furnished \$500 bonds but decided to go on with the show. Jones volunteered to remain behind and face the music. He was manager of the Gotch tour and will explain to the judge that Gotch started with the circus but was forced to retire when his leg was broken in Wisconsin...

THREE OUT OF FIVE IS THE NEW SCHEDULE

Salem and McMinnville Increase Number of Games To Be Played

So spontaneous and unanimous has been the demand for seats at the Salem-McMinnville baseball games that a change has been made in the original schedule. It will be three out of five instead of two out of three, and the third game of the series will be played on the East State street grounds in Salem tomorrow afternoon. Thus far each of the teams has won a game, and the playing has been so spry and full of live interest that a snappy and genuine rivalry has been aroused. The game tomorrow afternoon will be called at 3 o'clock. It is considered more than likely that a surprise or two will be sprung before the contest is ended. The Salem lineup as Manager Klett gives it out this morning is Hauser, catcher; Cole, pitcher; Keene, 1st base; Humphrey, 2d base; Wilson, 3d base; Miller, short stop; Adams, left field; Tecon, center field; Reinhart, right field. It is understood that Edwards is slated to catch for McMinnville, while Foster will pitch. The balance of the lineup is Bishop, short stop; Pearson, 1st base; Hatt, 2d base; Parrott, 3d base; Knickerbocker, left field; Fenton, center field; Delashmutt, right field. "Red" Rupert of Portland will umpire the battle. The next game in the series will be played at McMinnville.

Parade Oct. 4, at 10 a. m. The old timers of Yamhill, the original Oregonians, are taking interest in the feature of the parade to revive and restore for the time at least, some of the old features of pioneer days such as the prairie schooner and the ox team, the Rockaway stage coach and such features as will bring tears to the eyes of the Forty Niners in the reminiscence. The Automobile Dealers association of Portland propose making an automobile show in the spacious auditorium that will rival the society events of the Metropolitan communities. Many of the best and newest and most novel of the motor vehicles and even a display of Ford and Stinson will vie with their bigger and more saucy rivals for the admiration of those interested in speed. The Firemen's contest will be an evening feature and many costly and useful prizes will be hotly contested for. Care will be taken to see that with all of the tests of skill and strength in pitting the cow boy and the cow girl against the wild and untamed beasts of the range, that there shall be nothing that will shock or offend the refined sensibilities. Assurances of a large delegation from Portland have been given and all who fail to take advantage of this festival of sport brought right to their very doors will miss the greatest opportunity they have had presented to see the fast passing range life in all its picturesqueness. Preparations are made to care for any sized crowd that may attend.

Crumpled Note Only Clue to Foul Crime

Bemidji, Minn., Sept. 22.—A crumpled up, poorly spelled note, picked up near the place when Miss Olga Dahl, pretty 19 year old school teacher, was found in the lonely pine woods near here, was the only clue officers had today to trace the girl's assailant. A posse of determined men, heavily armed, are searching for the stranger who caught the girl as she left her school building, carried her into the forest, tied her to a tree, ravished her and then shot her twice in the face. The girl has not regained consciousness. "This is a pretty friend of her's and she is too pretty for one so good. So I think I will fix her. So if you stand happy to find this, I see you later. September 20, 1916." The note is unsigned.

Gave Welsh Hard Fight

Seattle, Wash., Sept. 23.—Boxing fans here today were practically unanimous in the opinion that Freddie Welsh, lightweight champion of the world, barely outpointed Harry Anderson, northwest title holder in their four round bout here last night. Welsh was forced to extend himself and clinched frequently in the last round. About 2,000 people saw the bout.

Can's Black His Eye

Seattle, Wash., Sept. 23.—Lee Johnson, colored California lightweight, will appear here against some northwestern scrapper on October 6, according to an announcement made today by a local promoter. Wigwag—"What do you find the best tonic to sharpen the appetite?" Harduppe—"Not having the price of a meal."

"German Airmen Fight Hard and Fair," Says British Officer

By Wilbur S. Forrest. (United Press staff correspondent.) British Central Flying School, Sept. 1.—(By mail.)—"German airmen are sportsmen; they've proved it a hundred times," said a "professor" of flying at England's great aviation school today. This "professor" learned how to teach war flying in the higher college of hard knocks situated "Somewhere in Northern France." His students are England's air fighters of tomorrow. Tomorrow in this case means about eight or 10 weeks hence. "We do not teach our men that they are going against an easy enemy," the officer continued. "They are plainly told that their opponents will be real men and real fighters, for the Germans really are all of that. When a young Englishman comes to be taught how to fly he is taught all the latest hooks and crooks that war experiences affords. Before everything he is taught to fight fair and hard and above all to be a sport." This is the spirit which permeates this little aerial "university town" which has sprung up since the war on the edge of a great plain in southern England about 70 miles from London. The chivalry of the air is an important point in the curriculum. Students graduate and go out to kill but they are taught to kill in fair fight some-what after the fashion of the ancient lists when ladies looked on. Apart from the Zeppelins, German aviators have fought fair in this war, the officers told the United Press. The horrible atrocities in other branches of German arms have not spread to the air and there is yet a chivalry there that aviators must maintain.

SELECT SEED CORN

Better quality and yield of next season's Oregon corn crop may be furthered by careful selection of home grown, acclimated seed. Since maturity is one of the vital factors the selection should be made now, according to the Agricultural college specialists, while it is easy to distinguish between the early and late maturing ears. These ears should be well matured, of medium size, well formed, with quite deep kernel and good top and bud. They should then be stored where there is no danger of frost or mold affecting their vitality.
