Monmouth News

(Capital Journal Special Service)
Monmouth, Ore., Oct. 1.—The total
enrollment up to the end of the third
week of the Oregon normal school is 407; almost as many as the total for both semesters last year. The registrar both semesters last year. The registrar believes the number will reach five hun-dred before the end of the year. All the seats in the chapel are taken and it has already become necessary to use folding chairs in the aisles to accom-modate the overflow.

President Ackerman will address the

Ad club of Portland on October fourth on the subject of "Standardization of Normal Schools,"
